3. **Comments from the Public**
   No members of the public attended the meeting. But Member Jolivet discussed an online safety presentation for online banking, to be done by staff at Wells Fargo Bank. There was a lot of discussion about the content of the presentation, whether or not it would be a marketing tool for the Wells Fargo company or if it would be just crime prevention in content. Member Arzio asked for an action item to have staff reserve the council chambers in anticipation of the event for a Saturday in November. Member Takimoto will contact the City Clerk to inquire about parameters for a private entity coming into City Hall to do a presentation.

4. **Discussion of Crime Prevention Committee Activities for 2014:**
   a) Lt. De La Campa reported 33 block parties for NNO which was the most ever for an El Cerrito NNO. Member Takimoto began a discussion about calls from persons inquiring about party venues and whether or not the party locations should be publicized. Pros and Cons exist for doing so. The discussion lead to a possible idea for next year, a pre-NNO get together with hosts to discuss the goals of NNO and to keep everyone on-board with getting to know their neighbors as the most important goal of NNO. He also suggested a survey of NNO hosts regarding their experience hosting.
There was talk about possibly having a centralized venue block party behind the Police Department next year for those who may not be able to attend a local block party. Member Jolivet asked questions about the personnel who visited the block parties and Member Takimoto spoke of meeting lots of police personnel through crime prevention activities.

Members Arzio and Go expressed their approval of NNO and how they enjoyed the event, that they received compliments on the polo shirts.

Member Arzio also recognized the individual contributions of Lt. De La Campa for his work in helping to make NNO a great success.

5. **Membership:**
   A possible new member, Lydia Kelly was invited by Lt. De La Campa but did not come to this meeting. A follow up email will be going out to her offering the emails of current members to further communications.

   Member Arzio told the CPC about his surveillance camera system and about how he heard an intruder on the rooftops of his residence and adjoining occupancies. He did not see the suspect but heard from neighbors that he was arrested. Lt. De La Campa confirmed having heard of the event. He intends to add more cameras and double check his system to see if it captured any of the activity.

   Member Go reported a voice mail from a NNO host asking about a pizza certificate. He confirmed with Lt. De La Campa that the host received a certificate. Member Go shared the password with Member Krueger and spoke of the outgoing message. Lt. De La Campa told membership that they may update that message as they wish. Lt. De La Campa advised of no emails this month.

   Member Krueger asked about Tri City Safety Day. Lt. De La Campa said it is on Sept 20th and that all CPC Members are invited to be present with the ECPD personnel at the venue. There are crime prevention materials to be handed out, though not the new postcards as they have not yet been approved. Member Takimoto asked Lt. De La Campa to check on them again with City Hall.

   Member Jolivet asked about Halloween and if the PD would be putting safety information on the city web page. Lt. De La Campa said there were no plans to at this time. Member Arzio told the group that he has heard that there will be no Halloween event at the Community Center this year.
