Roll Call:
Present: David Weinstein, Frank Wong, Sam Krueger, Natasha Benjamin
Staff: Garth Schultz

1. Comments from the Public on non-Agenda Items:
   None.

2. Brief review of the Environment Quality Committee (EQC), the Green teams, and their relationship to community interest and action in volunteer supported environmental quality activities
   Mr. Weinstein gave the overview for the benefit of community members and volunteers new to attending Green Team Sub-committee meetings, and as a review for the sub-committee/EQC members. Robin Mitchell commented that it is a good model for involvement. Mr. Schultz gave update about other projects. Rich Cohen said there was an opportunity to connect with high school students via the service learning program.

3. Update on community gardens and discussion about how the EQC and Green Teams can support them
   Robin Mitchell and Rich Cohen spoke about the community garden projects they are involved with, and expressed that green team volunteer support would help them develop. They announced service days for the high school project.

4. Report out regarding EC Paths and next steps
   Weinstein reported out on plans to host a paths meeting in City Hall. General discussion followed.

5. Discussion of ideas and set plans for the next clean-up event
   The sub-committee and the public discussed setting a next clean-up event on 6/19 and a ivy pulling event 6/26.

6. Discussion of other project partner ideas and ways to generate them.
   The sub-committee and members of the public discussed the potential for other projects and partners.

7. Promotional materials handouts and discussion (business cards and t-shirts)
   The subcommittee discussed the logistics of procuring t-shirts and agreed to pursue a joint t-shirt design/purchase with the ECHS community garden project. Staff presented new green team business cards.
8. **Set Next Meeting – June 22**
   The next meeting was scheduled for June 22.

9. **Adjournment:**
   Meeting adjourned at 8:30 PM.

**COMMUNICATION ACCESS INFORMATION**
