Agenda Item No. 5

El Cerrito Municipal Services Corporation

Date: February 6, 2018
To: Board of Directors, El Cerrito Municipal Services Corporation
From: Melanie Mintz, Community Development Director
Subject: Approval and authorization for the Executive Director to assume the rights and obligation of the City of El Cerrito related to the Disposition and Development Agreement with HD Mayfair LLC and Mayfair Affordable LLC for the Property located at 11600 and 11690 San Pablo Avenue and 1925 Kearney Street if such property reverts to the Municipal Services Corporation

ACTION REQUESTED
Adopt a Municipal Services Corporation resolution authorizing execution of an Assignment and Assumption Agreement with the City of El Cerrito assuming the Disposition and Development Agreement with HD Mayfair LLC and Mayfair Affordable LLC should the property located at 11600 and 11690 San Pablo Avenue and 1925 Kearney revert to the MSC.

BACKGROUND
Prior to the dissolution of the El Cerrito Redevelopment Agency, the Redevelopment Agency entered into conveyance agreements with the El Cerrito Municipal Services Corporation (MSC) whereby the former Redevelopment Agency agreed to convey to the MSC properties owned by the former Redevelopment Agency and the MSC agreed to accept the properties and to use the properties in a manner consistent with the Redevelopment Plan. (Resolutions 2011-03 and Redevelopment Resolution 612.) The properties conveyed to the MSC were the Mayfair Block properties (11600 and 11690 San Pablo Avenue and 1925 Kearney), the Eastshore Block Properties (1133-041 San Pablo Avenue, 6111 Potrero, and 1718 Eastshore), the Civic Center Property (10930-10940 San Pablo Avenue) and the Cerrito Theater property (10066-72 San Pablo Avenue). Subsequent to the dissolution of the Redevelopment Agency, the State Controller’s Office and the California Department of Finance ordered the reversal of the transfer of the properties to the MSC, claiming that the transfers violated the Redevelopment Dissolution Laws. The City, the MSC and the Successor Agency to the former Redevelopment Agency dispute the State’s determination regarding the validity of the transfers of the property and currently have pending an appeal with the California Court of Appeal on this matter.

In an effort to move forward with the potential development of the former Redevelopment Agency properties, the Successor Agency in December prepared and the Department of Finance approved a Long Range Property Management Plan (LRPMP) related to the former Redevelopment Agency properties (SA Resolution 2015-03 and Oversight Board Resolution 2015-04 and 2015-06). The LRPMP calls for the Mayfair Block and the Eastshore Block to be transferred to the City for future development. The MSC, in September 2016, agreed to convey the Properties back to the Successor Agency but
made such conveyance without waiving any rights it may have pursuant to the pending litigation. Subsequent to conveyance of the Property to the Successor Agency, the Successor Agency transferred the Mayfair Block and the Eastshore Block to the City in accordance with the LRPMP.

The City is preparing to enter into a Disposition and Development Agreement for the Mayfair Block with HD Mayfair LLC and Mayfair Affordable LLC (Developer) for the development of a mixed income mixed use property consisting of 156 market rate residential units, 67 affordable residential units, 8,893 square feet of commercial space, vehicle and bicycle parking spaces, open space including public open space and related landscaping ("Project"). The DDA requires the Developer to expend funds related to development of the Property prior to conveyance of the Property.

The current litigation with the Department of Finance has been pending with the Court of Appeals since 2016. The Court has not set oral argument. The outcome of the litigation is not certain, but if the City and the MSC were to prevail the Property could revert to the MSC pursuant to a court order. The Developer has requested assurances that in the event that the Property were to revert to the MSC before the Property is conveyed to the Developer, the MSC would assume the City's rights and obligations under the DDA and honor the DDA. If the litigation is not resolved before the Property is conveyed to the Developer, the MSC will not be entitled to set aside that sale, but may be entitled to recover the purchase price received for the Property that is distributed to the taxing entities.

The development of the Project on the Property would be in the best interests of the MSC. The MSC's purposes are to (1) use private and public funding sources to combat community blight and deterioration in the City and to contribute to the physical improvement of the City; (2) provide and expand economic opportunities for low and moderate income households in the City; (3) encourage and stimulate economic development within the City by assisting the former Redevelopment Agency in eliminating blight within the Redevelopment Project area and (4) implementing and assisting the former Redevelopment Agency in redevelopment activities and programs that lessen neighborhood tensions and combat community deterioration.

The development of the Property with the Project will further the goals and purposes of the MSC by redeveloping a currently underutilized site with market rate and affordable housing thereby stimulating economic development within the City and providing economic opportunities for low and moderate income households. The Mayfair Block was designated as a target development site in the Redevelopment Plan and was the subject of various attempts by the former Redevelopment Agency to develop the Property for uses consistent with the Redevelopment Plan. The assumption of the DDA by the MSC in the event the Property were to revert to the MSC would further these goals.
**FINANCIAL CONSIDERATIONS**
If the Property were to revert to the MSC and the MSC assumed the City's rights and obligations under the DDA, the MSC would be obligated to convey the Property to the Developers if all of the conditions to conveyance were satisfied. In exchange for conveyance of the Property, the MSC would receive the purchase price required to be paid by the Developers of $3,350,000. The MSC would need to use a portion of this purchase price to pay the existing debt secured by the Property. Depending upon when the Property transferred, it is estimated that the MSC would net $1.9 million.

**LEGAL CONSIDERATIONS**
These actions have been reviewed by the MSC Counsel.

Section 8.5 Development Hazardous Materials.

(a) Certain Covenants and Agreements. Each Developer covenants and agrees throughout the Term but only as to the Developer Parcel then owned by such Developer:

(1) The Developer will keep and maintain its applicable Developer Parcel and the Development Improvements located thereon, in compliance with all Hazardous Materials Laws, and may not cause or permit the Development Improvements or any portion thereof to be a site for the release, use, generation, treatment, manufacture, storage, discharge, disposal or transportation of Hazardous Materials or otherwise permit the unlawful presence of Hazardous Materials in, on or under the Development Improvements;

(2) The Developer must keep and maintain the Development Improvements and each portion thereof in compliance with, and may not cause or permit the Development Improvements or any portion thereof to be in violation of, any Hazardous Materials Laws;

(3) Upon receiving actual knowledge of the same the Developer must immediately advise the City in writing of: (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against the Developer or the applicable Development Improvements pursuant to any applicable Hazardous Materials Laws; (ii) any and all claims made or threatened by any third party against the Developer or the applicable Development Improvements relating to damage, contribution, cost recovery, compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in the foregoing clause (i) and this clause (ii) are hereinafter referred to as "Hazardous Materials Claims"); (iii) the presence of any Hazardous Materials in, on or under the Development Improvements; or (iv) the Developer's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Development Improvements that is subject to any restrictions on the ownership, occupancy, transferability or use of the Development Improvements under any Hazardous Materials Laws. The City has the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorney's fees in connection therewith paid by the Developer.
Developer shall provide to the City written copies of all correspondence between Developer and regulatory agencies regarding the presence of any Hazardous Materials on, under or about the Development Improvements within three (3) days of receipt of such correspondence and shall also provide to the City copies of any submissions made by the Developer to regulatory agencies including any proposed remediation action plans related to the Property at the same time such submissions are made to the regulatory agencies. The City shall be entitled to submit comments to the Developer and regulatory agencies on any such submissions. The Developer will not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Development Improvements (other than in emergency situations or as required by governmental agencies having jurisdiction), nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Materials Claims, without the City’s prior written consent, which shall not be unreasonably withheld, provided, however, the City shall consent to any such remedial action if it is being undertaken pursuant to a remedial action plan or order approved by the applicable regulatory agency pursuant to a submission that has been previously provided to the City.

(b) Indemnity. Without limiting the generality of the indemnification set forth in Section 13.6 below, in consideration of transfer of the Property to the Developer by the City and from and after the conveyance of the Property or any portion thereof by the City to a Developer, the applicable Developer hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the City) the Indemnitees from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, reasonable attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of: (1) the failure of such Developer or any other person or entity during Developer's ownership of the Developer Parcel to comply with any Hazardous Materials Law relating in any way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Materials into, on, under or from the Development; (2) during such Developer's ownership of the Developer Parcel, the presence in, on or under the applicable Development Parcel of any Hazardous Materials or any releases or discharges of any Hazardous Materials into, on, under or from the applicable Development Parcel; or (3) during such Developer's ownership of the applicable Developer Parcel, any activity carried on or undertaken on or off the Developer Parcel whether by the Developer or any employees, agents, contractors or subcontractors of the Developer or any third persons at any time occupying or present on the applicable Developer Parcel, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials at any time located or present on or under the applicable Development Improvements. The foregoing indemnity applies to any residual contamination on or under the Development Improvements, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws. The provisions of this subsection survive expiration of the Term or other termination of this Agreement, and will remain in full force and effect. The forgoing indemnity does not apply to any claims, losses, damages, liabilities, fines, penalties, or charges that are caused by the active negligence or willful misconduct of the City. For avoidance of doubt, the indemnification obligations hereunder are
not joint and several and neither the Affordable Developer nor the Market Rate Developer shall be liable for the others actions or obligations hereunder.

(c) **No Limitation.** The Developer hereby acknowledges and agrees that the Developer's duties, obligations and liabilities under this Agreement, including, without limitation, under subsection (b) above, are in no way limited or otherwise affected by any information the City may have concerning the Development Improvements and/or the presence within the Development of any Hazardous Materials, whether the City obtained such information from the Developer or from its own investigations.

Section 8.6 **Taxes and Assessments.**

(a) Each Developer shall be solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Developer Parcel to the extent owed by the Developer, and shall pay such charges prior to delinquency. However, the Developers shall not be required to pay and discharge any such charge so long as: (1) the legality thereof is being contested diligently and in good faith and by appropriate proceedings; and (2) if requested by the City, the applicable Developer deposits with the City any funds or other forms of assurance that the City in good faith from time to time determines appropriate to protect the City from the consequences of the contest being unsuccessful.

(b) The Parties acknowledge and agree that the Affordable Developer shall be allowed to apply to the State Board of Equalization for or obtain a welfare exemption from property taxes under California Revenue and Taxation Code Section 214 for the Affordable Development.

(c) The Parties further agree and acknowledge that, other than the Affordable Developer pursuant to subsection (b) above, the Developers shall not be allowed to apply to the State Board of Equalization for or obtain a welfare exemption from property taxes under California Revenue and Taxation Code Section 214 for any portion of the Market Rate Development.

(d) The conditions and obligations set forth in this Section shall apply for the entire Term.

Section 8.7 **Notice of Litigation.** Each Developer must promptly notify the City in writing of any litigation materially affecting the Developer or the applicable Developer Parcel and of any claims or disputes that involve a material risk of such litigation.

Section 9.2 Purpose of Restrictions on Transfer.

(a) This Agreement is entered into solely for the purpose of the development and operation of the Project and the subsequent use of the Development Improvements in accordance with the terms hereof. The Developer recognizes that the qualifications and identity of the Developers are of particular concern to the City, in view of:

(1) The importance of the redevelopment of the Property and each of the Developer Parcels to the general welfare of the community;

(2) The reliance by the City upon the unique qualifications and ability of the Developers, to serve as the catalyst for development of the Property and each of the Developer Parcels;

(3) The fact that a change in ownership or Control of the Developer, or applicable Developer, or of a substantial part thereof, or any other act or transaction involving or resulting in a significant change in ownership or with respect to the identity of the parties in control of a Developer or the degree thereof is for practical purposes a transfer or disposition of the Development Site or the applicable Developer Parcel;

(4) The fact that the Property and each of the Developer Parcels is not to be acquired or used for speculation, but only for development and operation by the Developer in accordance with the Agreement and associated ancillary documents; and

(5) The importance to the City and the community of the standards of use, operation and maintenance of the Property and each of the Developer Parcels.

(b) The Developer further recognizes that it is because of such qualifications and identity that the City is entering into this Agreement with the Developer and that Transfers are permitted only as provided in this Agreement.

Section 9.3 Prohibited Transfers. The limitations on Transfers set forth in this Article apply with respect to any of the Developer Parcels until such time as a Certificate of Completion
has been issued for such Developer Parcel. Except as expressly permitted in this Agreement, the Developer represents and agrees that the Developer has not made or created, and will not make or create or suffer to be made or created, any Transfer, either voluntarily or by operation of law without the prior written approval of the City.

Any Transfer made in contravention of this Section are void and are deemed to be a Developer Event of Default under this Agreement whether or not the Developer knew of or participated in such Transfer.

(h) A Transfer of a limited partnership interest in the Affordable Developer to the Tax Credit Investor, or to an Affiliate of the Tax Credit Investor (provided such Affiliate provides documentation reasonably acceptable to the City that the Affiliate has sufficient financial capability to provide the capital contributions set forth in the Affordable Development Financing Plan) and future Transfers of such interest provided that: (1) the Affordable Developer's Partnership Agreement provides for capital contributions of the limited partners consistent with Affordable Development Financing Plan and is first approved by the City in its reasonable discretion; (2) all documents associated with the tax credit syndication of the Affordable Development are submitted to the City for approval prior to execution, which approval may not be unreasonably withheld or delayed; and (3) in subsequent transfers the Tax Credit Investor (or an Affiliate of the Tax Credit Investor reasonably acceptable to the City) remains liable for all unpaid capital contributions. The Parties agree and acknowledge that an entity controlled by the Affordable Developer will remain the managing general partner of any assignee of the Affordable Developer throughout the Term. In the event the general partner of
the Affordable Developer is removed by the limited partner of the Affordable Developer for cause following default under the Developer's partnership agreement, the general partner interest of the Affordable Developer may be Transferred to a 501(c)(3) tax-exempt nonprofit public benefit corporation that is selected by the limited partner and approved in advance and in writing by the City, which approval may not be unreasonably withheld.

(i) The Transfer of the limited partner interest in the Affordable Developer provided that: (1) such Transfers do not affect the timing and amount of the limited partner capital contributions provided for in the Partnership Agreement approved by the City; (2) in such Transfers, a wholly owned Affiliate of the general partners retains a membership or partnership interest and serves as a managing member or managing general partner of the successor limited partner.

(5) The proposed transferee's financial status and creditworthiness. The City will not consider any proposed transferee unless the proposed transferee has a net worth equal to or greater than the net worth of the Market Rate Developer as of the proposed date of Transfer and satisfactory credit as reasonably determined by the City; and

Anything to the contrary notwithstanding, the holder of a Security Financing Interest whose interest have been acquired by, through or under a Security Financing Interest or have been derived immediately from any holder thereof will not be required to give to City such written assumption until such holder or other person is in possession of the Developer Parcel or entitled to possession thereof pursuant to enforcement of the Security Financing Interest.

For purposes of this Section 9.9, the Net Proceeds shall mean the amount by which the purchase price received by the Market Rate Developer for the Market Rate Parcel exceeds the Purchase Price paid by the Market Rate Developer for the Property minus reasonable closing costs, fees and commissions, the Market Rate Developer's verifiable and documented holdings costs incurred during the time that the Market Rate Developer held the Market Rate Parcel and the cost paid by the Market Rate Developer for any construction plans or specifications, entitlements and other soft costs incurred in connection with the Market Rate Parcel.

Following closing this shall be a default only if the representation or warranty has a material adverse effect on the applicable Development, applicable Developer or the City.
(b) Notwithstanding the foregoing, the City shall not declare a default or exercise remedies against the Affordable Developer if such default is caused by the Market Rate Developer. If the Market Rate Developer commits a Developer Event of Default under this Agreement, the City and the Affordable Developer shall meet and confer within thirty (30) days regarding the Affordable Development. If such Developer Event of Default will have a material adverse effect on the Affordable Developer's ability to construct the Affordable Housing Development and the Affordable Developer cannot demonstrate that it can meet its obligations hereunder despite the default of the Market Rate Developer, the City may exercise its option under Section 10.5(b)(3).

Section 10.3  No Fault of Parties.

(a) The following events constitute a basis for a Party to terminate this Agreement without the fault of the other prior to Close of Escrow:

(2) A material adverse change in the physical or legal condition of the Property occurs, through no fault of the City or the Developer.

(b) Upon the happening of the above-described event and at the election of any Party, this Agreement may be terminated by written notice to the other Parties. Section 10.4  Fault of City. Except as to the events constituting a basis for termination under Section 10.3, the following events each constitute a City Event of Default and a basis for the Developer to take action against the City:

(1) The City, without good cause, fails to convey the Developer Parcel to a Developer within the time set forth in the Development Schedule and in the manner set forth in Article 6 and the Developer is otherwise entitled by this Agreement to such conveyance;

(2) The City fails to assign this Agreement to the El Cerrito Municipal Services Corporation in accordance with that certain resolution approved by the City Council dated February 6, 2018, Resolution No. _____ in the event that the City and the El Cerrito Municipal Services Corporation prevail in their appeal of the trial court decision in that certain case titled El Cerrito Redevelopment Agency Successor Agency et al. v. In the event the City does not then so cure within said forty-five (45) days, or if the breach or failure is of such a nature that it cannot be cured within forty-five (45) days, the City fails to commence to cure within such forty-five (45) days and thereafter diligently complete such cure within a reasonable time thereafter, then the Developer will be afforded all of its rights at law or in equity, by taking all or any of the following remedies: (1) terminating in writing this Agreement (provided, however, that the indemnification provisions of this Agreement will survive such termination); and (2) prosecuting an action for specific performance.

Section 10.5 Remedies.

(a) Prior to Conveyance. Upon the happening of any of the above-described Developer Events of Default, and prior to the Close of Escrow, the City shall be afforded any of the following remedies including:

(1) Termination. The City shall have the right to terminate this Agreement by written notice to the Developer; provided, however, that the City's remedies pursuant to this Agreement, the indemnification provisions of Section 6.6, Section 7.8, Section 8.5, Section 12.2, Section 13.6 and Section 13.8, and the obligations that are specified to survive termination hereof, shall survive such termination.

(b) Remedies Following Conveyance. Upon the happening of any of the above-described Developer Events of Default following the Close of Escrow, the City shall be afforded all of its rights at law or in equity including:

(1) Termination. The City shall have the right to terminate this Agreement; provided, however, that the City's remedies pursuant to this Agreement, the indemnification provisions in this Agreement and the obligations that are specified to survive termination hereof, shall survive such termination;

(2) Specific Performance. The City shall have the right to mandamus or other suit, action, or proceeding at law or in equity to require the Developer to perform its obligations and covenants under this Agreement or to enjoin acts on things which may be unlawful or in violation of the provisions of this Agreement;

(3) Option to Purchase – Affordable Development Parcel. In addition to other remedies of the City, and in consideration for the City's agreement to enter into this Agreement and convey the Property, including the Affordable Development Parcel, the Developer grants to the City the additional right at the City's option to purchase, enter and take possession of the Affordable Development Parcel with all improvements thereon, after (1) a
Developer Event of Default caused by the Affordable Developer or as described in Sections 8.2, 10.2(b) or 10.3(c) prior to the issuance of a Certificate of Completion for the Affordable Development. If the Affordable Developer has commenced construction of the Affordable Development Improvements, the City may exercise this option only in the event of an uncured material Developer Event of Default by the Affordable Developer. Such option to purchase, enter and take possession, to the extent provided in this Agreement, shall be subordinate and subject to and be limited by and shall not defeat, render invalid or limit: any Security Financing Interest encumbering the Affordable Development Parcel permitted by this Agreement; or any rights or interest provided in this Agreement for the protection of the holder of such Security Financing Interest encumbering the Affordable Development Parcel.

To exercise the rights under this Section with respect to the Affordable Development Parcel, the City shall pay to the Affordable Developer, in cash an amount equal to: (i) the fair market value of the improvements existing on the Affordable Development Parcel at the time of the repurchase, reentry and repossession; less (ii) any gains or income (including, but not limited to developer fees) withdrawn or made by the Affordable Developer from the Affordable Development Parcel or the improvements thereon; less; (iii) the value of any unpaid liens or encumbrances on the Affordable Development which the City assumes or takes subject to.

Except in the event the City acquires the Affordable Development Parcel due to a Developer Event of Default caused by the Affordable Developer, if the City acquires the Affordable Development Parcel and within fifteen (15) years of such acquisition transfers the Affordable Development Parcel to a third party, the City shall pay to the Affordable Developer from any revenue received by the City from the transfer of the Affordable Development Parcel an amount equal to the verifiable and documented costs incurred by the Affordable Developer in connection with the Affordable Housing Development, including but not limited to its costs incurred in connection with: obtaining entitlements; preparing plans, specifications and drawings, and any due diligence or other reports and studies; paying property taxes, insurance and other carrying costs; attorney and consultant fees; and escrow and closing costs, provided such costs were not funded by a loan from the City, if any. Such payment to the Developer shall be made concurrently with the transfer of the Affordable Development Parcel by the City to a third party.

The City shall exercise its option to purchase, enter and take possession by giving written notice of such exercise to the Affordable Developer within ninety (90) days from the expiration of any applicable cure period of an uncured Developer Event of Default pursuant to Section 10.2 above or within one hundred twenty (120) days of the occurrence of the events described in Section 8.2 that trigger the City's option rights or the events described in Section 10.2(b). Upon the City's exercise of such option, the Affordable Developer shall execute a grant deed in a form acceptable to the City transferring the Affordable Development to the City. The granting of this option to purchase, enter and take possession to the City shall not impair or limit the City's ability to exercise any other rights or remedies granted to the City in this Agreement.

Section 10.6 Right to Cure at Developers' Expense

The City shall have the right to cure any monetary defaults by a Developer under a loan in connection with the Developer Parcel after notice to a Developer of the City's intent to cure. Each of the Developers agree to reimburse the City for any funds advanced by the City to cure a monetary default by such Developer upon demand therefore, together with interest thereon at the
lesser of the rate of ten percent (10%) per annum or the maximum rate permitted by law from the
date of expenditure until the date of reimbursement.

Section 10.7  Rights of Mortgagees.

Any rights of the City under this Article will not defeat, limit or render invalid any
Security Financing Interest permitted by this Agreement or any rights provided for in this
Agreement for the protection of holders of Security Financing Interests. Any conveyance or
reentry of the Developer Parcel to the City pursuant to this Article will be subject to Security
Financing Interests permitted by this Agreement.

Section 10.8  Remedies Cumulative.

No right, power, or remedy given by the terms of this Agreement is intended to be
exclusive of any other right, power, or remedy; and each and every such right, power, or remedy
will be cumulative and in addition to every other right, power, or remedy given by the terms of
any such instrument, or by any statute or otherwise. Neither the failure nor any delay to exercise
any such rights and remedies will operate as a waiver thereof, nor will any single or partial
exercise of any such right or remedy preclude any other or further exercise of such right or
remedy, or any other right or remedy.

Section 10.9  Waiver of Terms and Conditions.

The City Manager may, at the City Manager's discretion, waive in writing any of the
terms and conditions of this Agreement (as applicable), without the City and a Developer
completing an amendment to this Agreement. No waiver of any default or breach by the
Developer hereunder will be implied from any omission by the City to take action on account of
such default if such default persists or is repeated, and no express waiver will affect any default
other than the default specified in the waiver, and such waiver will be operative only for the time
and to the extent therein stated. Waivers of any covenant, term, or condition contained herein
will not be construed as a waiver of any subsequent breach of the same covenant, term, or
condition. The consent or approval by the City to or of any act by the Developer requiring
further consent or approval will not be deemed to waive or render unnecessary the consent or
approval to or of any subsequent similar act. The exercise of any right, power, or remedy will in
no event constitute a cure or a waiver of any default under this Agreement, nor will it invalidate
any act done pursuant to notice of default, or prejudice the City in the exercise of any right,
power, or remedy under this Agreement, unless in the exercise of any such right, power, or
remedy all obligations of the Developer to City are discharged in full.

Section 10.10  Limited Liability of Tax Credit Investor.

No Tax Credit Investor, nor any constituent partner, member, owner, officer, agent,
employee, attorney or consultant of the Tax Credit Investor, including any person executing this
instrument required under this Agreement, shall be liable personally under this Agreement
(provided that the Tax Credit Investor is not acting as the general partner of the Partnership). No
recourse shall be had against any Tax Credit Investor, or any constituent partner, member,
owner, officer, employee or agent, as such, of the Tax Credit Investor or any successor whether
by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or
penalty or otherwise (provided that the Tax Credit Investor is not acting as the general partner of
the Partnership). The Tax Credit Investor shall be provided with any notice of default from the City to the Affordable Developer, at the address provided by Tax Credit Investor. Tax Credit Investor shall have the same cure rights and cure periods as the Affordable Developer under this Agreement and the Affordable Housing Regulatory Agreement.

ARTICLE 11.
SECURITY FINANCING AND RIGHTS OF HOLDERS

Section 11.1 No Encumbrances Except for Development Purposes.

Notwithstanding any other provision of this Agreement, mortgages and deeds of trust, or any other reasonable method of security are permitted to be placed upon the Developers' fee interest in the Developer Parcels. Mortgages, deeds of trust, or other reasonable security instruments securing loans approved by the City pursuant to the approved Financing Plan are each referred to as a "Security Financing Interest." The words "mortgage" and "deed of trust" as used in this Agreement include all other appropriate modes of financing real estate acquisition, construction, and land development.

Section 11.2 Holder Not Obligated to Construct.

The holder of any Security Financing Interest authorized by this Agreement is not obligated to construct or complete any improvements or to guarantee such construction or completion; nor will any covenant or any other provision in conveyances from the City to a Developer evidencing the realty comprising the Developer Parcel or any part thereof be construed so to obligate such holder. However, nothing in this Agreement is deemed to permit or authorize any such holder to devote the Developer Parcel or any portion thereof to any uses, or to construct any improvements thereon, other than those uses of improvements provided for or authorized by this Agreement and the Affordable Housing Regulatory Agreement, as applicable.

Section 11.3 Notice of Default and Right to Cure.

Whenever the City pursuant to its rights set forth in Article 10 of this Agreement delivers any notice or demand to a Developer with respect to the commencement, completion, or cessation of the construction of the Development Improvements, the City will at the same time deliver to each holder of record of any Security Financing Interest creating a lien upon the Developer's fee interest in the Developer Parcel or any portion thereof, a copy of such notice or demand. Each such holder (insofar as the rights of the City are concerned) has the right, but not the obligation, at its option, within ninety (90) days after the receipt of the notice, to cure or remedy or commence to cure or remedy any such default or breach affecting the Developer Parcel which is subject to the lien of the Security Financing Interest held by such holder and to add the cost thereof to the security interest debt and the lien on its security interest. Nothing contained in this Agreement is deemed to permit or authorize such holder to undertake or continue the construction or completion of the Development Improvements (beyond the extent necessary to conserve or protect such improvements or construction already made) without first having expressly assumed in writing a Developer's obligations to the City relating to such Development Improvements under this Agreement pursuant to an assignment and assumption agreement prepared by the City and recordable among the Official Records (the "Security Financing Interest Assignment"). The holder in that event must agree to complete, in the manner
Section 11.4  Failure of Holder to Complete Improvements.

In any case after an uncured Developer Event of Default in completion of construction of the Development Improvements under this Agreement, the holder of record of any Security Financing Interest, having first exercised its option to construct pursuant to the Security Financing Interest Assignment, has not proceeded diligently with construction (as reasonably determined by the City) within six (6) months of taking possession of the Development Improvements, the City must be afforded those rights against such holder it would otherwise have against Developer under this Agreement.

Section 11.5  Right of City to Cure.

In the event of a default or breach by a Developer of a Security Financing Interest prior to the completion of the Development Improvements, and the holder has not exercised its option to complete the Development Improvements on the Developer Parcel, the City may cure the default, prior to the completion of any foreclosure. In such event the City will be entitled to reimbursement from the applicable Developer of all costs and expenses incurred by the City in curing the default. The City will also be entitled to a lien upon the Developer Parcel or any portion thereof to the extent of such costs and disbursements. The City agrees that such lien will be subordinate to any Security Financing Interest, and the City will execute from time to time any and all documentation reasonably requested by Developer to effect such subordination.

Section 11.6  Right of City to Satisfy Other Liens.

After the conveyance of title to the Property or any portion thereof and after the Developer has had a reasonable time to challenge, cure or satisfy any liens or encumbrances on the Property or any portion thereof, the City will have the right to satisfy any such lien or encumbrances; provided, however, that nothing in this Agreement will require the Developer to pay or make provision for the payment of any tax, assessment, lien or charge so long as the Developer in good faith may contest the validity or amount therein and so long as such delay in payment will not subject the Property or any portion thereof to forfeiture or sale.

Section 11.7  Holder to be Notified.

The Developer will insert each term contained in this Article into each Security Financing Interest or will procure acknowledgement of such terms by each prospective holder of a Security Financing Interest prior to its coming into any security right or interest in the Property or portion thereof.

ARTICLE 12.
REPRESENTATIONS, WARRANTIES AND COVENANTS
Section 12.1 Developer Representations and Warranties. Each Developer makes the following representations and warranties to the City as follows:

(a) **Good Standing.** The Developer is a duly organized and validly existing and in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

(b) **Corporate Authority.** The Developer has full power and authority to execute and deliver this Agreement and to make and accept the grant contemplated hereunder, to execute and deliver all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, and to perform and observe the terms and provisions of all of the above.

(c) **Authority of Persons Executing Documents.** This Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf the Developer and all actions required under the Developer's organizational documents and applicable governing law for the authorization, execution, delivery and performance of this Agreement and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, have been duly taken.

(d) **Valid Binding Agreements.** This Agreement and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Agreement constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of the Developer, enforceable against the Developer in accordance with their respective terms.

(e) **No Breach of Law or Agreement.** Neither the execution nor delivery of this Agreement or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Agreement, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or agency whatsoever binding on the Developer, or any provision of the organizational documents of the Developer, or will conflict with or constitute a breach of or a default under any agreement to which the Developer is a party, or will result in the creation or imposition of any lien upon any assets or property of the Developer, other than liens established pursuant hereto.

(f) **Compliance With Laws; Consents and Approvals.** The Developer represents and warrants that the construction of the Development Improvements will comply with all applicable laws, ordinances, rules and regulations of federal, state and local governments and agencies and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector and other officers of any such government or agency.

(g) **Pending Proceedings.** The Developer is not in default under any law or regulation or under any order of any court, board, commission or agency whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of the Developer, threatened against or affecting the Developer, respectively, or the Developer Parcel, at law or in
equity, before or by any court, board, commission or agency whatsoever which might, if determined adversely to the Developer, materially affect the Developer's ability to perform its obligations under this Agreement or impair the security to be given to the City pursuant hereto.

(h) Financial Statements. The financial statements of the Developer and other financial data and information furnished by the Developer to the City fairly present the information contained therein. There has not been any adverse, material change in the financial condition of the Developer from that shown by such financial statements and other data and information.

Section 12.2 Effect of Representations and Warranties. All of the representations and warranties made by each of the Developers, respectively in this Agreement shall be true and correct throughout the Term of this Agreement as they pertain to their properties and entities. Each Developer shall indemnify and defend the Indemnitees against and hold the Indemnitees harmless from all claims, demands, liabilities, losses, damages, costs and expenses, including reasonable attorneys' fees and disbursements, that are suffered or incurred by the City if any representation or warranty made by such Developer, respectively, in this Agreement was untrue or incorrect in any respect when made or that are caused by any breach of the Developers, respectively, of any such representation or warranty. The foregoing indemnity shall survive the termination or expiration of this Agreement. Each representation and warranty in this Agreement is made by each Developer on behalf of itself only. For the purposes of clarity, any breach by a Developer under this Article 12 is not intended to result in any cross-default of Affordable Developer's or Market Rate Developer's respective obligations hereunder.

ARTICLE 13.
GENERAL PROVISIONS

Section 13.1 Notices, Demands and Communications.

Formal notices, demands, and communications between the City and the Developer will be sufficiently given if, and not be deemed given unless, dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by reputable overnight delivery service, or delivered personally, to the principal office of the City and the Developer as follows:

Section 13.2 Non-Liability of City Officials, Employees and Agents.

No board members, officers, directors, representatives, consultants, employees and agents of the City shall be personally liable to any Developer, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

Section 13.3 Forced Delay.

In addition to specific provisions of this Agreement, performance by either party hereunder will not be deemed to be in default where delays or defaults are due to war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; casualties; acts of God, or other deities; acts of terrorism or the public enemy; epidemics; quarantine restrictions; freight embargoes; governmental restrictions or priority; litigation (including suits filed by third parties concerning or arising out of this Agreement or the Project); acts of the other Parties; acts or failure to act of any public or governmental agency or entity (other than the acts or failure to act of the City); or any other causes (other than Developer's inability to obtain financing for the Development Improvements) beyond the control or without the fault of the party claiming an extension of time to perform. In no event will the cumulative delays exceed one hundred twenty (120) days, unless otherwise agreed to by the Parties in writing.

Section 13.4 Provision Not Merged with Deeds.

None of the provisions of this Agreement are intended to or will be merged by any grant deed transferring title to any real property which is the subject of this Agreement from City to a Developer or any successor in interest, and any such grant deed will not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 13.5 Title of Parts and Sections.

Any titles of the articles, sections or subsections of this Agreement are inserted for convenience of reference only and should be disregarded in construing or interpreting any part of its provision.

Section 13.6 General Indemnification.

(a) Except for claims described in (b) below, the Developer, for itself and all assigns hereunder, hereby agrees to indemnify, defend (with counsel reasonably selected by the City) and hold the Indemnitees harmless against any and all claims, suits, actions, losses and liability of every kind, nature and description made against all or any of the Indemnitees, and expenses (including reasonable attorneys' fees) which arise out of or in connection with this Agreement.
(b) The Affordable Developer, for itself and all assigns hereunder, hereby agrees to indemnify, defend (with counsel reasonably selected by the City) and hold the Indemnitees harmless against any and all claims, suits, actions, losses and liability of every kind, nature and description made against all or any of the Indemnitees, and expenses (including reasonable attorneys' fees) which arise out of or in connection with Affordable Developers' actions or omissions, except to the extent such claim arises from the active negligence or willful misconduct of the Indemnitees. The Market Rate Developer, for itself and all assigns hereunder, hereby agrees to indemnify, defend (with counsel reasonably selected by the City) and hold the Indemnitees harmless against any and all claims, suits, actions, losses and liability of every kind, nature and description made against all or any of the Indemnified Parties, and expenses (including reasonable attorneys' fees) which arise out of or in connection with Market Rate Developers' actions or omissions, except to the extent such claim arises from the active negligence or willful misconduct of the Indemnitees. The provisions of this Section survive both the issuance of a Certificate of Completion by the City and termination of this Agreement.

Section 13.7 Applicable Law.

This Agreement must be interpreted under and pursuant to the laws of the State of California.

Section 13.8 No Brokers.

Each Party represents to the other that it has not had any contact or dealings regarding the property, or any communication in connection with the subject matter of this transaction, through any real estate broker or other person who can claim a right to a commission or finder's fee. If any broker or finder makes a claim for a commission or finder's fee based upon a contact, dealings, or communications, the Party through whom the broker or finder makes this claim must indemnify, defend with counsel of the indemnified party's or parties' choice, and hold the indemnified parties harmless from all expense, loss, damage and claims, including the indemnified parties' reasonable attorneys' fees, if necessary, arising out of the broker's or finder's claim. The provisions of this section survive expiration of the Term or other termination of this Agreement, and will remain in full force and effect.

Section 13.9 Severability.

If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions will continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding or unenforceability.

Section 13.10 Legal Actions.

Any legal action commenced to interpret or to enforce the terms of this Agreement must be filed in the Superior Court of the County of Contra Costa.

Section 13.11 Attorney's Fees.

In the event any legal action is commenced to interpret or to enforce the terms of this Agreement or to collect damages as a result of any breach thereof, the Party prevailing in any
such action will be entitled to recover against the Party not prevailing all reasonable attorneys' fees and costs incurred in such action.

Section 13.12 Binding Upon Successors.

This Agreement is binding upon and inures to the benefit of the heirs, administrators, executors, successors in interest and assigns of each of the Parties hereto, except that there may be no Transfer of any interest by any of the Parties hereto except pursuant to the terms of this Agreement. Any reference in this Agreement to a specifically named Party is deemed to apply to any successor, heir, administrator, executor or assign of such Party who has acquired an interest in compliance with the terms of this Agreement, or under law.

The covenants and restrictions set forth in this Agreement run with the land, and will bind all successors in title to the Property. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Property will be held conclusively to have been executed, delivered, and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed, or other instrument, unless the City expressly releases the Property from the requirements of this Agreement.

Section 13.13 Parties Not Co-Venturers.

Nothing in this Agreement is intended to or does establish the Parties as partners, co-venturers, or principal and agent with one another.

Section 13.14 Discretion Retained by City.

The City's execution of this Agreement does not constitute approval by the City and in no way limits the discretion of the County in the permit and approval process in connection with development of the Development Improvements.

Section 13.15 Time of the Essence.

In all matters under this Agreement, the Parties agree that time is of the essence.

Section 13.16 Action by the City.

Except as may be otherwise specifically provided in this Agreement, whenever any approval, notice, direction, finding, consent, request, waiver, extension, or other action by the City is required or permitted under this Agreement, such action may be given, made, or taken by the City Manager, or by any person who have been designated in writing to the Developer by the City Manager, without further approval by the City Council. Any such action must be in writing.

Section 13.17 Entry by the City.

The City, through its officers, agents, consultants or employees, at all reasonable times, and upon forty-eight hours' notice, shall have the right to enter into the Development Improvements: (a) to inspect the work of construction to determine that the same is in conformity with the requirements of this Agreement; and (b), following completion of construction to inspect the ongoing operation and management of the Development
Improvements to determine that the same is in conformance with the requirements of this Agreement. The Developer acknowledges that the City is under no obligation to supervise, inspect, or inform the Developer of the progress of construction, or operations and the Developer may not rely upon the City therefor. Any inspection by the City during the construction is entirely for its purposes in determining whether the Developer is in compliance with this Agreement and is not for the purpose of determining or informing the Developer of the quality or suitability of construction. Each Developer must rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

Section 13.18 Entire Understanding of the Parties. This Agreement constitutes the entire understanding and agreement of the Parties. All prior discussions, understandings and written agreements are superseded by this Agreement. The Developer and the Developers' counsel have read and reviewed this Agreement and agree that any rule of construction (including, but not limited to Civil Code Section 1654, as may be amended from time to time) to the effect that ambiguities are to be resolved against the drafting Party will not apply to the interpretation of this Agreement.

Section 13.19 Operating Memoranda; Implementation Agreements.

(a) The parties acknowledge that the provisions of this Agreement require a close degree of cooperation and that new information and future events may demonstrate that changes are appropriate with respect to the details of performance of the Parties under this Agreement. The Parties desire, therefore, to retain a certain degree of flexibility with respect to the details of performance for those items covered in general terms under this Agreement. If and when, from time to time, the Parties find that refinements or adjustments are desirable, such refinements or adjustments may be accomplished through operating memoranda or implementation agreements approved by the Parties which, after execution will be attached to this Agreement as addenda and become a part hereof, each an "Operating Memorandum". This Agreement describes some, but not all, of the circumstances in which the preparation and execution of operating memoranda or implementation agreements may be appropriate. Such refinements and adjustments may include changes to the dates for performance in this Agreement and the Development Schedule, as well as extensions thereto.

(b) Each Operating Memorandum or implementation agreements may be negotiated and executed on the City's behalf by the City Manager, or his or her designee. In the event a particular subject requires notice or hearing, such notice or hearing must be appropriately given. Any significant modification to the terms of performance under this Agreement must be processed as an amendment of this Agreement in accordance with Section 13.20 and must be approved by the City Council.

Section 13.20 Amendments. The Parties can amend this Agreement only by means of a writing executed by the Developer and the City.

Section 13.21 Counterparts; Multiple Originals. This Agreement may be executed in counterparts, each of which is deemed to be an original.
Section 13.22 Third Party Beneficiary. This Agreement is made solely for the benefit of the Parties and the Parties' permitted successors and assigns, and no other person or entity shall have or acquire any right by virtue of this Agreement.

Proposed Financing Plan for El Cerrito Affordable Housing Development January 26, 2018

The financing for the 68-unit Mayfair Affordable Housing Development includes several capital and operating sources that BRIDGE is expecting to secure over the next few years.

The Affordable Housing & Sustainable Communities Program (AHSC) will be evaluated as a potential capital source for the project. AHSC is awarded on an annual basis and applications are due every year in January. A key threshold requirement to apply for AHSC is that 90% of the project’s financing (inclusive of the AHSC award and projected 4% tax credit equity) has been secured. Therefore nearly all of the soft sources must be committed before BRIDGE may apply for AHSC.

Another important source of funding for this project could be SB 3 bond funds. In late 2016, Governor Brown signed this bill which places a $3B bond measure on the November 2018 statewide ballot to pay for the construction of affordable housing. If the bond measure passes, our financial consultants believe that applications will be available by late 2019 and that the soonest these funds will be committed is in 2020, potentially enabling an AHSC application in January 2021. Assuming a substantial commitment of State affordable housing bond funds and a successful AHSC application, construction on the Affordable Project can commence by December 2021 but is contingent on securing all gap subsidy needed for the project. The start of construction may be delayed to the extent subsidy sources are not available per the below schedule.

Below is a summary of the ideal, approximate timing to secure the project’s financing sources:

This schedule represents an approximation taking into account the timing required to secure funds and start construction in a timely manner based on the information available as of the Effective Date in the DDA. Should any of these financing applications be unsuccessful, or should the tax credit/debt market materially change, the project may need to pursue additional gap financing sources which could delay construction commencement.

Proposed Financing Plan for El Cerrito Market Rate Housing Development
January 26, 2018

For nearly 30 years, Holliday Development has successfully worked to design, finance, and construct complex infill developments. We are excited to now be working on the Mayfair project and bringing new housing and investment to El Cerrito. During 2018, Holliday Development will invest predevelopment funds to further the Mayfair project through design development and into construction drawings towards the goal of refining the project budget and making a formal building permit submittal. During this time, we will be continuing working with our potential equity partners and construction lenders for the project construction. In particular, Citi Community Capital is a lender that we have worked with for over a decade and that has expressed strong interest in financing the Mayfair project.

Below please find our preliminary budget, sources, and uses for taking the Mayfair project through construction.

ARTICLE 5.
OPERATION OF THE AFFORDABLE DEVELOPMENT

Section 5.1 Operation.

The Units, shall be operated only for residential use as permanent multifamily rental housing.

Section 5.2 Taxes and Assessments. Owner shall pay all real and personal property taxes, assessments, if any, and charges and all franchise, income, employment, old age benefit, withholding, sales, and other taxes assessed against it, or payable by it, at such times and in such manner as to prevent any penalty from accruing, or any line or charge from attaching to the Property; provided, however, that Owner shall have the right to contest in good faith, any such taxes, assessments, or charges. In the event Owner exercises its right to contest any tax, assessment, or charge against it, Owner, on final determination of the proceeding or contest, shall immediately pay or discharge any decision or judgment rendered against it, together with all costs, charges and interest.

Section 5.3 Nondiscrimination. All of the Units shall be available for occupancy on a continuous basis to members of the general public who are income eligible. Owner shall not give preference to any particular class or group of persons in renting the Units, except to the extent that the Units are required to be leased to Residents who qualify as Low Income Households or as required by other financing for the Development. There shall be no discrimination against or segregation of any person or group of persons, on account of race, color, creed, religion, sex, sexual orientation, marital status, national origin, age, source of income, disability, or ancestry, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of any Unit, nor shall Owner or any person claiming under or through the Owner, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of residents, lessees, sublessees, subtenants, or vendees of any Unit or in connection with the employment of persons for the operation and management of the Affordable Development. All deeds, leases or contracts made or entered into by Owner as to the Units or the Affordable Development or portion thereof, shall contain covenants concerning discrimination as prescribed by the DDA.

Section 5.4 Section 8 Certificate Holders. The Owner will accept as residents, on the same basis as all other prospective residents, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing housing program under Section 8 of the United States Housing Act, or its successor. The Owner shall not apply selection criteria to
Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective residents, nor shall the Owner apply or permit the application of management policies or lease provisions with respect to the Affordable Development which have the effect of precluding occupancy of Units by such prospective Residents.

Section 5.5 Preference to Displacees. Owner shall give a preference in the rental of any Units to eligible households displaced by activity of the City or the former El Cerrito Redevelopment Agency, as provided in Health and Safety Code Section 33411.3. The preferences stated in this section apply to the rentals of Units throughout the Term.

ARTICLE 6.
PROPERTY MANAGEMENT AND MAINTENANCE

Section 6.1 Management Responsibilities. The Owner is responsible for all management functions with respect to the Affordable Development, including without limitation the selection of residents, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The City shall have no responsibility over management of the Affordable Development. The Owner shall retain a professional property management company, approved by the City in its reasonable discretion, to perform its management duties hereunder. A resident manager shall also be required. At least six (6) months prior to completion of construction of the Affordable Development Owner shall submit a proposed management plan to the City for approval by the City. The City shall approve or disapprove (with written explanation for disapproval) of the proposed management plan by notifying the Owner in writing within sixty (60) days of the date of submission to the City.

Section 6.2 Management Agent; Periodic Reports. The Affordable Development shall at all times be managed by an experienced management agent reasonably acceptable to the City, with demonstrated ability to operate residential facilities like the Affordable Development in a manner that will provide decent, safe, and sanitary housing (as approved, the "Management Agent"). The City approves BRIDGE Property Management, Inc. as the initial Management Agent. The Owner shall submit for the City's approval the identity of any proposed Management Agent and on-site resident manager. The Owner shall also submit such additional information about the background, experience and financial condition of any proposed Management Agent and on-site resident manager as is reasonably necessary for the City to determine whether the proposed Management Agent or on-site resident manager meets the standard for a qualified Management Agent or on-site resident manager set forth above. If the proposed Management Agent or on-site resident manager meets the standard for a qualified Management Agent or on-site resident manager set forth above, the City shall approve the proposed Management Agent or on-site resident manager by notifying the Owner in writing. Unless the proposed Management Agent or on-site resident manager is disapproved by the City within thirty (30) days, which disapproval shall state with reasonable specificity the basis for disapproval, it shall be deemed approved.

Section 6.3 Performance Review. The City reserves the right to conduct an annual (or more frequently, if deemed reasonably necessary by the City) review of the management practices of the Affordable Development. The purpose of each periodic review will be to enable
the City to determine if the Affordable Development is being operated and managed in accordance with the requirements and standards of this Agreement. The Owner shall cooperate with the City in such reviews.

Section 6.4 Replacement of Management Agent or On-Site Resident Manager. If, as a result of a periodic review, the City determines, in its reasonable judgment, that the Affordable Development is not being operated and managed in accordance with any of the material requirements and standards of this Agreement, the City shall deliver notice to Owner of its intention to cause replacement of the Management Agent or on-site resident manager, including the reasons therefore. Within fifteen (15) days of receipt by Owner of such written notice, City staff and the Owner shall meet in good faith to consider methods for improving the operating status of the Affordable Development. If, after a reasonable period as determined by the City (not to exceed sixty (60) days), the City determines that the Owner is not operating and managing the Affordable Development in accordance with the material requirements and standards of this Agreement, the City may require replacement of the Management Agent or on-site resident manager.

If, after the above procedure, the City requires in writing the replacement of the Management Agent or on-site resident manager, Owner shall promptly dismiss the then Management Agent or on-site resident manager, and shall appoint as the Management Agent or on-site resident manager a person or entity meeting the standards for a Management Agent or on-site resident manager set forth in Section 5.2 above and approved by the City pursuant to Section 5.2 above.

Any contract for the operation or management of the Affordable Development entered into by Owner shall provide that the contract can be terminated as set forth above. Failure to remove the Management Agent or on-site resident manager in accordance with the provisions of this Section shall constitute default under this Agreement, and the City may enforce this provision through legal proceedings as specified in Section 6.4.

Section 6.5 Approval of Management Policies. The Owner shall submit its written management policies with respect to the Affordable Development to the City for its review, and shall amend such policies in any way necessary to ensure that such policies comply with the provisions of this Agreement.

Section 6.6 Property Maintenance. The Owner agrees, for the entire Term of this Agreement, to maintain all interior and exterior improvements, including landscaping, on the Property in good condition and repair (and, as to landscaping, in a healthy condition) and in accordance with all applicable laws, rules, ordinances, orders and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials.

The City places prime importance on quality maintenance to protect its investment and to ensure that all affordable housing projects within the City are not allowed to deteriorate due to below-average maintenance. Normal wear and tear of the Affordable Development will be acceptable to the City assuming the Owner agrees to provide all necessary improvements to assure the Affordable Development is maintained in good condition. The Owner shall make all repairs and replacements necessary to keep the improvements in good condition and repair.
In the event that the Owner breaches any of the covenants contained in this section and such default continues for a period of ten (10) days after written notice from the City with respect to graffiti, debris, waste material, and general maintenance or thirty (30) days after written notice from the City with respect to landscaping and building improvements, then the City, in addition to whatever other remedy it may have at law or in equity, shall have the right to enter upon the Property and perform or cause to be performed all such acts and work necessary to cure the default unless the Owner has commenced to cure such breach within the applicable cure period and is diligently pursuing such cure. Pursuant to such right of entry, the City shall be permitted (but is not required) to enter upon the Property and perform all acts and work necessary to protect, maintain, and preserve the improvements and landscaped areas on the Property, and to attach a lien on the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the City and/or costs of such cure, including a fifteen percent (15%) administrative charge, which amount shall be promptly paid by the Owner to the City upon demand.

ARTICLE 7.
MISCELLANEOUS

Section 7.1 Term. The provisions of this Agreement shall apply to the Property for the entire Term. This Agreement shall bind any successor, heir or assign of Owner, whether a change in interest occurs voluntarily or involuntarily, by operation of law or otherwise, except as expressly released by the City. The City conveyed the Property to the Owner on the condition, and in consideration of, this provision, and would not do so otherwise.

Section 7.2 Covenants to Run With the Land. The City and Owner hereby declare their express intent that the covenants and restrictions set forth in this Agreement shall run with the land, and shall bind all successors in title to the Property, provided, however, that on the expiration of the Term of this Agreement said covenants and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof shall be held conclusively to have been executed, delivered and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless the City expressly releases such conveyed portion of the Property from the requirements of this Agreement.

Section 7.3 Enforcement by the City. It shall be an "Event of Default" under this Agreement if Owner fails to perform any obligation under this Agreement, and fails to cure the default within forty-five (45) days after receipt of written notice thereof from the City to Owner, (or if the failure is of such a nature that it cannot be cured within forty-five (45) days, the Developer fails to commence to cure within such forty-five (45) days and thereafter diligently complete such cure within a reasonable time thereafter). Following an Event of Default, the City shall have the right to enforce this Agreement by any or all of the following actions, or any other remedy provided by law:

(a) Action to Compel Performance or for Damages. The City may bring an action at law or in equity to compel Owner's performance of its obligations under this Agreement, and/or for damages.
(b) **Remedies Provided Under DDA.** The City may exercise any other remedy provided under the DDA if the DDA is still in effect.

Section 7.4 **Rights of Third Parties to Enforce Covenants.** The covenants and restrictions contained herein which implement Health and Safety Code Sections 33334.3 and/or 33413(b)(4), or successor provisions, shall run with the land and shall be enforceable by the City.

Section 7.5 **Listing of Property in Database.** Owner hereby acknowledges and agrees that Health and Safety Code Section 33418(c) requires that the Property be listed in a database that shall be made available to the public on the internet and which will include the street address, assessor's parcel number, and other information about the Property. The Owner must disclose this requirement to all Residents and prospective Residents.

Section 7.6 **Attorney's Fees and Costs.** In any action brought to enforce this Agreement, the prevailing party shall be entitled to all costs and expenses of suit, including attorneys' fees. This section shall be interpreted in accordance with California Civil Code Section 1717 and judicial decisions interpreting that statute.

Section 7.7 **Recording and Filing.** The City and Owner shall cause this Agreement, and all amendments and supplements to it, to be recorded against the Property in the Official Records of the County of Contra Costa.

Section 7.8 **Governing Law.** This Agreement shall be governed by the laws of the State of California.

Section 7.9 **Amendments.** This Agreement may be amended only by a written instrument executed by all the parties hereto or their successors in title, and duly recorded in the real property records of the County of Contra Costa, California.

Section 7.10 **Notice.** All notices given or certificates delivered under this Agreement shall be in writing and be deemed received on the delivery or refusal date shown on the delivery receipt, if: (i) personally delivered by a commercial service which furnishes signed receipts of delivery or (ii) mailed by certified mail, return receipt requested, postage prepaid, addressed as shown on the signature page. Any of the parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates or communications shall be sent.

Section 7.11 **Severability.** If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions of this Agreement shall not in any way be affected or impaired thereby.
