New Business
Hate Crime – Lieutenant Bonini reported on the hate crime that took place three (3) weeks ago. This was a property crime where someone painted a swastika on a BART pillar, south of Moser and another citizen crossed it out. Police said it was graffiti until it was reviewed by Lieutenant Bonini and he determined it was a Hate Crime. He stated that this is a rare crime, not very prevalent. Public Works staff came out and painted over the swastika. Cameras, better lighting and a cross walk paver are planned to be installed in the area.

Human Relations Commission Minutes

July 4th – Commissioner Durham suggested that the Human Relations Commission share a booth with another committee/commission due to coverage issues. It’s a lot of work for a small commission and it would be better to share with someone else. Beshears will inquire with staff liaisons of other committees/commissions to find out if another group is willing to share a booth with the Human Relations Commission.

**Items for Next Meeting**
July 4th Celebration – Commissioners to discuss ideas about booth and Beshears will report back to the Commission if another group is interested in sharing a booth.

**Announcements** – No announcements

**ADJOURNED HUMAN RELATIONS COMMISSION MEETING** at 7:55 p.m.
