Therefore, the current proposed amendment to the revenue budget is $2,120,000 and to the expense budget is $163,086.

**REVENUE**

The Corporation originally anticipated three sources of revenue: interest earnings, rent and lease income, and funding from the El Cerrito Redevelopment Agency for the Cooperation Agreement between the Corporation and the Agency for implementation of the City’s Redevelopment Plan for the City of El Cerrito Redevelopment Project Area.

Overall, the Corporation’s revenues are greater than expected. Lease revenue from the Cerrito Theater is exceeding the budget due to the percentage rent paid by Rialto Cinemas being greater than anticipated. The Corporation submitted its $1,129,340 demand to the Redevelopment Agency for FY11-12 funding during the first half of the fiscal year. It was not received until January 2012 and was slightly lower than anticipated. The Corporation also received an unanticipated developer contribution in the form of a fee paid for the Corporation’s assignment of its option on a piece of property and a contribution to fund future public improvements to be made by the City once BART completes seismic improvements to its tracks in the Del Norte area. The proposed budget amendment reflects these adjustments and the resulting overall increase in anticipated revenue.

**EXPENSES**

The Corporation limited expenditures during the first half of the fiscal year due to the uncertainty regarding funding from the Agency. The proposed budget amendment reflects 1) the continuation and completion of projects and programs already planned, 2) an increase in the scope of work on a staffing contract, 3) the award of a grant recently approved by the Board, and 4) the cost of tenant improvements to the Cerrito Theater, a contractual obligation of the Corporation which was previously reserved but not budgeted.

Prior to the end of the fiscal year, contract staff will return to the Board with recommendations regarding the use of the Corporation’s reserves and the development of a grant program to fund projects and programs that benefit the El Cerrito community, in keeping with the Corporation’s mission.

**LEGAL CONSIDERATIONS**

The actions being considered are consistent with California Corporations Law, the Corporation’s public and charitable purposes, its Amended and Restated Bylaws, and the Board’s previous actions.

**RECOMMENDATION**

Approve a resolution amending the Corporation’s FY11-12 Annual Budget consistent with the proposed amendment above.
