6. ADJOURNED SPECIAL MUNICIPAL SERVICES CORPORATION MEETING

at 9:09 p.m.
ACTION REQUESTED

Adopt a resolution authorizing the Executive Director to enter into legal services contracts for Fiscal Year 2012-13 with the law firms of Goldfarb & Lipman and Meyers Nave, and a consulting services contract for FY 2012-13 with the City of El Cerrito.

LEGAL SERVICES

Since the re-initiation of the Corporation's activities in February 2011 and the City's partial assignment of the Cooperation Agreement in March 2011 for certain economic development services including redevelopment activities, the law firms of Meyers Nave and Goldfarb & Lipman have been providing legal services to the Corporation on an as-needed basis. Legal work for FY2012-13 is anticipated to be significant enough to warrant a formal contract with both firms. The adopted budget for FY2012-13 provides appropriations for $75,000 for each firm.

Goldfarb & Lipman's involvement in the former El Cerrito Redevelopment Agency provide the firm with the necessary depth of knowledge about the Corporation's obligations under the Cooperation Agreement. Both Goldfarb & Lipman and Meyers Nave have relevant expertise related to California nonprofit, public benefit corporations.

CONSULTING SERVICES

On February 6, 2012, the Corporation entered into an agreement with the City of El Cerrito for staffing and administrative services for FY2011-12 in the amount of $653,000. The City provided an invoice to the Corporation for initial set-up expenses and then a monthly invoice for the last five months of the fiscal year, for staffing and related expenses.

On May 1, 2012, the Board adopted a budget for FY2012-13, based on the Corporation's anticipated revenues and expenses for projects and programs, and from operation and maintenance of the Corporation's real property. Expense appropriations included $757,000 for renewal of the contract with the City. The adopted budget also included pre-funding the contract, given the uncertainty of the Corporation’s funding sources during the fiscal year. Under the renewed contract, the City would bill the Corporation on a regular basis during the fiscal year for an amount not to exceed $63,084 per month, charging the invoices against the balance of the pre-funded amount.
PROPOSED CONTRACTS
Authority is being sought for the following contracts, substantially in the forms attached.

- Goldfarb & Lipman - $75,000
- Meyers Nave - $75,000
- City of El Cerrito - $757,000

LEGAL CONSIDERATIONS
The actions being considered are consistent with California Corporations Law, the Corporation's public and charitable purposes, its Amended and Restated Bylaws, and the Board's previous actions.

Corporation and Consultant recognize and agree that this Agreement contemplates personal performance by Consultant and is based upon a determination of Consultant's unique personal competence, experience, and specialized personal knowledge. Moreover, a substantial inducement to Corporation for entering into this Agreement was and is the professional reputation and competence of Consultant. Consultant may not assign this Agreement or any interest therein without the prior written
approval of the Contract Administrator. Consultant shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.

8.5 **Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between Corporation and Consultant shall survive the termination of this Agreement.

8.6 **Options upon Breach by Consultant.** If Consultant materially breaches any of the terms of this Agreement, Corporation’s remedies shall included, but not be limited to, the following:

8.6.1 Immediately terminate the Agreement;

8.6.2 Retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Consultant pursuant to this Agreement;

8.6.3 Retain a different consultant to complete the work described in Exhibit A not finished by Consultant; or

8.6.4 Charge Consultant the difference between the cost to complete the work described in Exhibit A that is unfinished at the time of breach and the amount that Corporation would have paid Consultant pursuant to Section 2 if Consultant had completed the work.

**Section 9. KEEPING AND STATUS OF RECORDS.**

9.1 **Records Created as Part of Consultant’s Performance.** All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Consultant prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the Corporation. Consultant hereby agrees to deliver those documents to the Corporation upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the Corporation and are not necessarily suitable for any future or other use. Corporation and Consultant agree that, until final approval by Corporation, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both parties.

9.2 **Consultant’s Books and Records.** Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged
to the Corporation under this Agreement for a minimum of 3 years, or for any longer period required by law, from the date of final payment to the Consultant to this Agreement.

9.3 **Inspection and Audit of Records.** Any records or documents that Section 9.2 of this Agreement requires Consultant to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the Corporation. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds $10,000.00, the Agreement shall be subject to the examination and audit of the State Auditor, at the request of Corporation or as part of any audit of the Corporation, for a period of 3 years after final payment under the Agreement.

Section 10 **MISCELLANEOUS PROVISIONS.**

10.1 **Attorneys' Fees.** If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.

10.2 **Venue.** In the event that either party brings any action against the other under this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Contra Costa or in the United States District Court for the Northern District of California.

10.3 **Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

10.4 **No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.

10.5 **Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the parties.

10.6 **Use of Recycled Products.** Consultant shall prepare and submit all reports, written studies and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.
10.7 **Conflict of Interest.** Consultant may serve other clients, but none whose activities within the corporate limits of Corporation or whose business, regardless of location, would place Consultant in a "conflict of interest," as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 et seq.

Consultant shall not employ any Corporation official in the work performed pursuant to this Agreement. No officer or employee of Corporation shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 et seq.

Consultant hereby warrants that it is not now, nor has it been in the previous 12 months, an employee, agent, appointee, or official of the Corporation. If Consultant was an employee, agent, appointee, or official of the Corporation in the previous twelve months, Consultant warrants that it did not participate in any manner in the forming of this Agreement. Consultant understands that, if this Agreement is made in violation of Government Code § 1090 et seq., the entire Agreement is void and Consultant will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Consultant will be required to reimburse the Corporation for any sums paid to the Consultant. Consultant understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code § 1090 and, if applicable, will be disqualified from holding public office in the State of California.

Re: Engagement of Legal Services

Dear Mr. Hanin:

Thank you for retaining Meyers, Nave, Riback, Silver & Wilson ("Meyers Nave") to perform legal services in connection with El Cerrito Municipal Services Corporation ("MSC") of which you are Executive Director. We appreciate the opportunity to serve as your lawyers and look forward to working with you.

This letter sets forth our agreement concerning the legal services we will provide and our fee arrangements for those services. Please read this entire agreement before signing and returning it to us.

1. **Scope of Engagement.** We will provide the legal services reasonably required to represent and advise you in connection with the operations of the MSC, including but not limited to compliance with applicable conflicts of interest, open meetings, and public records laws; implementation of and compliance with agreements with public agencies in furtherance of the MSC's purposes; litigation; real estate transactions; and finance. Our work is limited to such services. We will also provide legal services for additional matters that you request of us, provided we agree to perform that additional work. A letter confirming such additional work shall bring such work within the scope of this agreement.

2. **Fees and Personnel.** As compensation for our services, our fees will be based on our current standard billing rate for the personnel performing services under this agreement at the time such services are rendered. Our standard billing rates for attorneys and paralegals are attached as Attachment 1. Total fees for the period from July 1, 2012 through June 30, 2013 are not to exceed $75,000.
I will be the principal in charge of representing your interests. My hourly rate is $260 per hour. If other attorneys and/or paralegals are assigned to work on your matter, the then current hourly rates of those individuals will be utilized. This agreement retains the legal services of our law firm and not of a particular attorney. Hourly rates are subject to reasonable change, usually at the beginning of each year.

3. **Disbursements and Expenses.** In addition to hourly fees, we may incur out-of-pocket expenses related to your representation. Our Statement of Fee and Billing Information, which sets forth the details of our disbursement and expense policy, is attached as Attachment 2.

4. **Billing and Payment Responsibilities.** We will send monthly statements which are due within 30 days of receipt. If you have any questions about an invoice, please promptly telephone or write me so that we may discuss these matters. Our Statement of Fee and Billing Information sets forth the details of our fee and billing policy.

5. **Termination of Services.** You may terminate our services at any time by written notice. After receiving such notice, we will cease providing services. We will cooperate with you in the orderly transfer of all related files and records to your new counsel.

We may terminate our services at any time with your consent or for good cause. Good cause exists if (a) any statement is not paid within 60 days of its date; (b) you fail to meet any other obligation under this agreement and continue in that failure for 15 days after we send written notice to you; (c) you have misrepresented or failed to disclose material facts to us, refused to cooperate with us, refused to follow our advice on a material matter, or otherwise made our representation unreasonably difficult; or (d) any other circumstance exists in which ethical rules of the legal profession mandate or permit termination, including situations where a conflict of interest arises. If we terminate our services, you agree to execute a substitution of attorneys promptly and otherwise cooperate in effecting that termination.

Termination of our services, whether by you or by us, will not relieve the obligation to pay for services rendered and costs incurred before our services formally ceased.

6. **Insurance.** During the term of this engagement, this law firm shall take out and maintain general liability and property damage insurance in amounts not less than $1,000,000; professional errors and omissions insurance, in amounts not less than $2,000,000 per occurrence; and $4,000,000 aggregate, which insurance may not be canceled or reduced in required limits of liability unless at least ten days advance written notice be given to you.

7. **No Guarantee of Outcome.** Any comments made by us about the potential outcome of this matter are expressions of opinion only and are not guarantees or promises about any outcome or results.
8. Dispute Resolution. In the event you become dissatisfied with any aspect of our relationship, we encourage you to bring such concerns to our attention immediately. If we are unable to resolve any dispute, either arising out of or in connection with this Agreement or relating to the services performed by our firm or any of its attorneys, to our mutual satisfaction, our firm will first comply with any mandatory dispute resolution procedures that may apply to any such dispute.

If we are unable to resolve any dispute, and after mandatory dispute resolution procedures have been waived or exhausted, the parties shall submit such dispute to final and binding arbitration in Alameda County, California before the American Arbitration Association, pursuant to its then prevailing rules, unless the parties agree in writing to a different arbitration method or forum.

By signing this agreement, you acknowledge and agree that you have read and understand this arbitration provision. You understand that by agreeing to arbitration we each give up the right to present our claims or defenses for trial by a judge or jury, and we also give up the right to an appeal. The initial resort to the courts by either party shall not be considered a waiver of that party's right to compel binding arbitration under this provision. This agreement shall be governed by and construed in accordance with the laws of the State of California without regard to principles of conflicts of laws.

9. Entire Agreement; Full Understanding; Modifications in Writing. This letter contains our entire agreement about our representation. Any modifications or additions to this letter agreement must be made in writing.

10. Joint Representation. Our firm maintains of counsel agreements with certain legal specialists. Because these individuals are deemed independent contractors under the applicable provisions of the tax laws and not employees of our firm, it is necessary that you consent to dual representation by our firm and the specialist in the event the matter which you have engaged us to handle requires the use of that specialist. This arrangement has no effect whatsoever on the cost of your legal services, rather it is an ethical requirement that we disclose this fact and that you consent. You are consenting by signing this letter.

11. Conflicts. Our firm represents many public agencies in California, Nevada and Arizona. Since 1986, we have represented over seven hundred public clients, including numerous cities, redevelopment agencies, special districts, counties and other public entities, and we are accepting new engagements all the time. It is virtually inevitable that we will work on projects from other clients having different governmental or political objectives, beliefs or views from El Cerrito Municipal Services Corporation.

In view of the fact that El Cerrito Municipal Services Corporation is a Public Entity, this letter confirms that the services which we are rendering to you are limited in scope and for the benefit of El Cerrito Municipal Services Corporation only. Meyers Nave performs a
variety of professional services for its clients and it is possible that we will represent public agency clients which are adverse to you on other matters. To avoid potential problems, you agree that you expressly waive any actual or potential conflicts that might arise from such representation, that you will not attempt to disqualify Meyers Nave on such matters, and that our firm is free to represent its clients on such matters.

By signing this letter and returning it to us, you acknowledge that we have discussed these matters and you confirm that El Cerrito Municipal Services Corporation does not object to our representation of clients on matters where their legal, governmental or political objectives and/or positions may be different from or adverse to those of El Cerrito Municipal Services Corporation, and that El Cerrito Municipal Services Corporation waives any conflict of interests with respect to our representation of such clients with differing legal, governmental or political interests. You further confirm that El Cerrito Municipal Services Corporation will not assert any conflict of interest concerning such representation or attempt to disqualify this firm from representing such clients notwithstanding such adversity. While you would certainly be free to terminate our relationship, you agree that this firm nonetheless would be free to represent such clients even on those matters which you consider adverse, and that you waive any conflict of interest in connection therewith.

Needless to say, these acknowledgments do not permit our firm to represent another client in opposing the specific project for which you engage us without your specific written consent.

You may wish, and we encourage you, to consult legal counsel regarding the effect of this conflict waiver.

We would request that you review this letter carefully and, if it is consistent with your understanding of our respective responsibilities, please so indicate by returning a signed copy of this letter to me at your earliest convenience. Enclosed is an additional copy of this letter which you should retain for your records. Again, we thank you for allowing us the opportunity to serve as your lawyers.

Very truly yours,

Sky Woodruff

STATEMENT OF FEE AND BILLING INFORMATION

The following is a general description of our fee and billing policies. These general policies may be modified by the specific engagement letter or agreement to which this summary is attached.

Professional Fees. Our fees for professional services are based on the fair value of the services rendered. To help us determine the value of our services, our attorneys and paralegals maintain time records for each client and matter. Our attorneys and paralegals are assigned hourly rates which are based on years of experience, specialization, training and level of professional attainment. We adjust our rates periodically (usually at the beginning of each year) to take into account inflation and the increased experience of our professional personnel.

To keep professional fees at a minimum, legal work that does not require more experienced attorneys will be performed, where feasible, by attorneys with lower billing rates. Of course, the quality of the work is paramount, and we do not sacrifice quality to economy.

Before undertaking a particular assignment, we will, if requested, provide you with a fee estimate to the extent possible. Estimates are not possible for some matters, however, and cannot be relied on in many others because the scope of our work will not be clear at the outset. When a fee estimate is given, it is only an estimate; it is not a maximum or minimum fee quotation. The actual fee may be more or less than the quoted estimate.

Billing And Payment Procedures. Unless other arrangements are made at the time of the engagement, invoices will be sent monthly. Invoices for outside services exceeding $100 may be billed separately. Occasionally, however, we may defer billing for a given month or months if the accrued fees and costs do not warrant current billing or if other circumstances would make it appropriate to defer billing.

Our invoices contain a brief narrative description of the work performed; if requested, the initials of the attorney who performed the work will appear on the statement. The invoice will include a line item reflecting in-house administrative costs. The firm’s in-house administrative costs include, but are not limited to, duplicating, facsimile charges, telephone charges, E-mail, postage, mileage and other administrative expenses. We have determined that the most effective method of accounting for these administrative costs is to charge a flat 8% of the professional fees incurred.

The firm will be reimbursed for all outside services incurred in the course of providing legal services to our client(s). Outside services will include, but are not limited to, all third-party expenses, delivery charges, travel expenses, outside research services, filing fees, expert witness and expert consultant fees. To defray the firm’s costs for administering these services, there will be an additional cost advance charge of 2% for all outside services of $100 or more.
If you have any questions regarding an invoice, the Finance Director or Chief Operating Officer is available to answer your questions. For any unresolved matters, the Bar Association has an arbitration mechanism that can be used to resolve such matters.

**Late Payments.** Statements for services are payable upon presentation and, in all events, within thirty (30) days after receipt. Occasionally a client has difficulty in making timely payments. To avoid burdening those clients who pay their statements promptly with the added costs we incur as a result of late payments, a late charge will be assessed on statements not paid within thirty (30) days. The maximum monthly late payment charge will be 1.5% per month. In the unlikely event we are required to institute legal proceedings to collect fees and costs, the prevailing party will be entitled to reasonable attorneys' fees and other costs of collection.
