Our group will enjoy the Royal Tea experience at the Linde Lane Tea Room. The Royal Tea includes a scone, with clotted cream and jam, soup and salad, tea sandwiches, and assorted desserts. Once a working Fire House cleverly converted into a tea room; each table is uniquely decorated. Immerse yourself in the ambiance and elegance of the Victorian décor, the custom made chandeliers, the beautiful antiques and its one-of-a-kind 8 foot teacup booth. The retail area features Linde Lane's signature line of teas, handmade handbags, soaps, jewelry and an incredible showing of hats.

All trips depart from the Civic Theater parking lot .
