This handbook MUST be reviewed and signed by each new volunteer before acceptance into the El Cerrito Police Volunteers in Police Service (VIPS) program. In addition to this handbook, the El Cerrito Police Department has specific policies governing the volunteer program which are outlined in the ECPD policy manual. This VIPS handbook is to be used as a guideline and is a supplement to the ECPD volunteer policy.

## **WELCOME MESSAGE**

On behalf of the El Cerrito Police Department, we would like to take this opportunity to welcome you to the VIPS Program. We appreciate your commitment and willingness to serve our Police Department and the City of El Cerrito. This handbook will outline the expectations and guidelines for the VIPS program. We look forward to getting to know you.

## **VIPS MISSION**

The VIPS Program is committed to assisting the El Cerrito Police Department in their goal of enhancing community safety, protecting life and property, reducing crime and the fear of crime and to support the department in the fulfillment of the department's mission.

The El Cerrito Police Department's Community Policing Philosophy represents the foundation for the development of partnerships, orientation to the community, effective problem solving, and public service. As a volunteer in police services, you have taken an obligation to serve the public and maintain the highest ethical standards in both personal and official conduct.

## **I. INTRODUCTION**

The El Cerrito Police Department VIPS program is an adult, uniformed civilian volunteer program that operates out of the El Cerrito Police Department's Special Operations Division. Each VIPS is encouraged to take responsibility for the different facets of the VIPS program's operations and activities. The VIPS personnel will foster within the program a true sense of community, volunteerism, and responsibility. VIPS will work in a spirit of partnership and cooperation with the VIPS Coordinator. VIPS will uphold the standards and policies of the El Cerrito Police Department and will ensure that all VIPS activities are conducted within safety guidelines and requirements.

The policies and procedures in this handbook are not intended to be contractual by the El Cerrito Police Department. The VIPS shall not construe them as such.

These policies and procedures are intended to guide, manage, and are suggested procedures to be followed. The Chief of Police and his or her designee reserves the right to revoke, change, or supplement the guidelines at any time without notice.

### **A. Purpose**

The purpose of the El Cerrito Police Department VIPS program is to recruit, train and engage adult citizen volunteers from the community and have them assist the El Cerrito Police Department in daily operations that serve the community. These duties include, but are not limited to: support services, field operations, disaster preparedness, emergency response to disasters, community resilience, citizen assistance, and other functions supported by the City of El Cerrito and the El Cerrito Police Department. All VIPS are volunteers working in at will positions.

This Handbook is intended to inform you about the El Cerrito Police VIPS philosophy, practices, policies, and training, as well as the benefits provided to you as a valued volunteer. This manual is not all inclusive, but serves as a guide.

VIPS policies, benefits and rules, as explained in this Handbook, may be changed from time to time as business, volunteer legislation, and economic conditions dictate. If and when provisions are changed, all VIPS will be notified of the changes in writing.

#### **1. What VIPS Expects from You**

Your first responsibility is to know your own duties and how to perform them promptly, correctly, and pleasantly. Secondly, you are expected to cooperate with the management team, all city employees, and your fellow volunteers to maintain a good team attitude. How you interact with fellow volunteers, staff and the public, and how you accept direction can affect the success of our department, as well as the service delivered to the community. Whatever your position, you have an important assignment: perform every task to the best of your ability. You will serve as an example for model disaster preparedness for yourself, family, and home.

If you ever have a question, or a problem arises, please feel comfortable discussing the issue with the Volunteer Coordinator or your direct supervisor. We appreciate your time and commitment to the department and the community, and we want you to be happy and productive volunteers.

## **2. What You Can Expect From VIPS**

- a. Be assigned appropriate duties, and tasks according to your skill, interests, availability, and training.
- b. Be trusted with confidential information that will help carry out assignments.
- c. Receive orientation, training, and supervision for the jobs you accept and a thorough explanation of why you are being asked to do a particular job.
- d. That your time will not be wasted by lack of planning, coordination, and cooperation within the department.
- e. Expect that your individual rights will be respected, and that all volunteers will be treated with courtesy and consideration.
- f. Discuss any problem with the Volunteer Coordinator to receive prompt and fair disposition of any complaints which may arise.

### **B. Confidentiality**

As a volunteer, you will be exposed to sensitive information. You must treat all information you see, hear, or become aware of while working for the Police Department as confidential. Volunteers may not discuss or give official information to any persons unless directed to do so by supervisors or as required by law. Such information includes (but is not limited to): personal addresses or phone numbers of Police Department staff and all reports dealing with members of the public. The content of any criminal record or investigation in the department **shall not** be shown or divulged to anyone except authorized persons. Do not share or reveal anything to anyone outside of the Department. Any violation of confidentiality will result in immediate dismissal from the program, and the possibility of civil and criminal charges.

### **C. VIPS Qualification**

VIPS candidates must meet the following requirements:

1. 18 years old or older
2. A United States citizen or naturalized citizen of the United States
3. Pass an interview with the VIPS Coordinator and Police Captain
4. Pass a background check which may include, but is not limited to interviews with family members, friends, neighbors, references, previous or current employers and existing VIPS
5. Pass a fingerprint check through the California Department of Justice (CA DOJ)
6. Pass a Chief's (or his/her designee) interview

### **D. VIPS Application & Hiring Process**

Interested candidates must submit a completed City of El Cerrito employment application to the VIPS coordinator. An interview will be scheduled with the VIPS coordinator. If the VIPS candidate is successful in this interview, the VIPS candidate will be required to complete a background packet. A patrol ride along will also be required during the process.

If the VIPS candidate is successful in the background phase, an interview with the Chief, or his or her designee, will be scheduled. Upon passing the Chief's interview, the VIPS will be assigned to the VIPS coordinator for training and receipt of issued equipment.

It should be noted that due to the limited number of volunteer positions, not all qualified candidates will be offered positions. ECPD reserves the right to choose the most qualified candidate to fill the volunteer position.

#### **E. VIPS Access to the El Cerrito Police Department**

VIPS have access to the El Cerrito Police Department twenty four hours a day and seven days a week. VIPS can enter the building through the front door and the rear entry doors.

In an emergency, VIPS can report to the police department to assist the department's response to a disaster or emergency.

VIPS are not allowed to have any visitors in the police department building unless approved in advance by the VIPS Coordinator or appropriate supervisor. VIPS should only be in the police building when they are on duty, engaged in a sanctioned VIPS function, or retrieving equipment or information for a VIPS related duty. VIPS should not remain in the building without a VIPS related purpose.

## **II. RECRUITMENT**

The VIPS Coordinator, El Cerrito Police Department staff, and current VIPS are encouraged to recruit adult citizen volunteers from the community.

## **III. REQUIREMENTS & RESPONSIBILITIES**

VIPS must, at all times, understand they will be recognized by the community and must always keep in mind that they are a direct reflection on the El Cerrito Police Department and the El Cerrito Police Department's VIPS program, even when they are off duty.

In the event that a report is made to the VIPS Coordinator that a VIPS has presented himself or herself in a manner that is unbecoming to the VIPS program or the community, and/or in a manner that causes the VIPS program or the El Cerrito Police Department embarrassment, that VIPS may be placed on administrative leave while the matter is investigated. This investigation may be formal or informal.

### **A. Attendance**

VIPS must make every effort to attend all mandatory business meetings. Business meetings will take place periodically throughout the year, and plenty of advance notice of the meeting will be given. Attendance will be taken at all meetings. VIPS requesting an excused absence shall contact the VIPS Coordinator in advance of any such absence. Excused absences are generally permitted.

Acceptable excused absences include:

1. Family Obligations
2. Illness or injury
3. Employment
4. Prior engagement

If a VIPS is repeatedly absent from mandatory meetings and events, he/she will be evaluated by the VIPS Coordinator and may be placed on suspension or terminated.

All meetings, trainings, duty hours, ride-a-longs, and other community volunteer hours count as volunteer hours. It is the responsibility of each VIPS to log their volunteer hours by submitting the proper form to the Special Operations Lieutenant.

#### **B. Hours of Work**

The goal for the volunteer assignments is a minimum of sixteen (16) hours per month, but VIPS are encouraged to volunteer more time if they are available. Hours of service will vary based on type of assignment, events, training, etc. Volunteers may work up to 40 hours per week, as long as assignments are approved in advance by the VIPS Coordinator. Volunteers failing to meet the minimum number of hours may be placed on an inactive status or terminated from the VIPS Program. In the event you are unable to perform your assignment (sickness or planned vacation) please notify the Volunteer Coordinator as soon as practical.

#### **C. Leave of Absences**

A leave of absence may be granted when a VIPS is unable to attend meetings, trainings and events for an extended period of time. VIPS shall contact the VIPS Coordinator regarding the reason for the leave of absence. A leave of absence is limited to six months.

If a leave of absence extends beyond a six month period, the VIPS may request an extension of their leave of absence. If the VIPS' leave of absence is going to extend beyond one year, the VIPS must turn in their uniform and issued equipment, which may be reissued upon their return to the program. If the leave of absence is for a medical reason, a medical release will be required before reinstatement into the VIPS program.

#### **D. VIPS Mailbox**

VIPS will share a mailbox and will be required to check the mailbox at the beginning of any volunteer shift.

#### **E. VIPS Training**

After the VIPS complete their initial training, on-going training will be scheduled as needed for the entire volunteer staff. As a volunteer, it is the VIPS responsibility to become familiar with the police department procedures, both written and verbal, that pertains to your job assignment. All volunteers are expected to attend training sessions.

VIPS training sessions may sometimes be scheduled in conjunction with regular department training when relevant to the VIPS duties. Before a VIPS can be assigned full field operation duties, they must attend and successfully complete the following four trainings:

1. Police Radio Operations
2. Traffic Control
3. Low Speed Driving
4. Field Operations
5. Tactical Communications
6. CLETS access
7. ECFD CERT Training
8. Defensive / Evasive Tactics

After successfully completing the required training, the VIPS will be tested in a scenario training that incorporates these learning domains. VIPS must attend and pass the Low Speed driving training prior to being authorized to operate a city vehicle.

If a VIPS misses training, make-up training will be offered when reasonable for both the department and the VIPS.

All VIPS are highly encouraged to attend the Citizens Police Academy and the Citizen Emergency Response Team (CERT) training through the EC Fire Department. All training completed shall be reported to the department for the VIPS training files.

#### **IV. CHAIN OF COMMAND**

The chain of command established for the efficient operation of the program is as follows:

1. Chief of Police
2. Police Captain
3. Police Lieutenants (Special Operations Division Lt. will be the VIPS Coordinator)
4. Police Sergeants / Civilian Police Supervisors
5. Police Department Staff (Sworn or Civilian)
6. VIPS

VIPS shall report to the person directly above them in the chain of command. If a VIPS is unable to contact the person directly above them (in a reasonable amount of time), the VIPS may proceed to the next person in the chain of command. The VIPS Coordinator has the final say on issues relating to the VIPS program. VIPS will not bypass the VIPS Coordinator at any time. The VIPS Coordinator is their last option in the chain of command.

When VIPS are assigned to a police officer or other employee (such as when on a special assignment or a ride-along) that officer or employee becomes an interim supervisor for the purposes of the chain of command.

VIPS will not be insubordinate. Insubordination is defined as the act of defiant and/or being disobedient to a superior in accordance to the chain of command. Any such instances of insubordination may result in disciplinary action up to and including termination.

#### **V. UNIFORM AND EQUIPMENT**

##### **A. Equipment**

VIPS shall bring all necessary uniform items and equipment to all activities. The VIPS Coordinator or a designee will complete an equipment check out form when issuing equipment to VIPS. VIPS will be responsible for ensuring that all equipment is returned to its proper place.

Portable radios will be issued to VIPS on an “as needed” basis. Prior to carrying portable radios, VIPS are required to complete Police Radio Operation training and pass a written radio codes test given by the VIPS Coordinator. VIPS will be professional, courteous, and brief on the radio at all times and will identify themselves using their assigned call sign (i.e. 5V1, 5V2, etc.).

VIPS **will not carry or transport any firearms or other weapons at any time during their ECPD service unless directed by a police department supervisor or manager.** Weapons are described as follows but are not limited to the following: handguns, shotguns, pepper spray, batons, Tasers, rifles, etc.

Any damage to a piece of equipment or vehicle must be immediately reported to the supervisor on duty or to the Volunteer Coordinator in accordance with ECPD Policy.

## **B. Uniforms**

VIPS shall wear their uniform during all events and volunteer hours, unless directed otherwise by the VIPS Coordinator. The police department will provide uniforms. Uniforms will always appear clean and pressed. VIPS shirts will be tucked in neatly at the waistline of their pants. They will wear a black or white under shirt underneath their uniform shirt. An approved black basket weave belt will be worn with their uniform pants. VIPS will also wear black socks and shoes. VIPS should be prepared for a uniform inspection anytime the uniform is required to be worn.

VIPS must follow the VIPS dress code at all times when they are at the police station. When VIPS are at the station in civilian attire, their VIPS identification cards must be worn visibly around the neck on the issued lanyard. VIPS may not wear any badge, insignia, clothing items, or hats that identify them as being affiliated with the El Cerrito Police Department while off duty.

VIPS Uniform:

1. The Class D uniform as specified in the ECPD Uniform Manual
2. Distinctive markings for Volunteers will be worn on the shirt
3. ECPD ID card shall be carried at all times while in the Public Safety Building or while on-duty

In the event a VIPS reports for an activity and is not properly dressed according to the uniform designated for that activity, the VIPS will not be allowed to participate and will be dismissed for that activity. Dismissal from an activity will be considered an unexcused absence.

Grooming standards will be consistent with ECPD Policy 1044 for Personal Appearance.

## **VI. RIDE-A-LONGS**

1. VIPS may participate in a maximum of (2) 8 hour ride-along per month so long as all VIPS requirements and expectations have been met. Hours spent on a ride-along are applicable towards the minimum volunteer hour requirement.
2. VIPS participating in a ride-along may not ride past midnight without permission from the on duty supervisor or VIPS Coordinator.
3. All ride-alongs must be approved by the VIPS Coordinator at least one week prior to the requested date. VIPS must pass their written radio codes test with a minimum score of 80% before being approved for a ride-along.

4. VIPS will follow the instructions of the assigned police officer. VIPS will treat officers with respect and be mindful of the officer's obligations during the period of the ride-along. VIPS will not touch any of the equipment in the police vehicle unless specifically directed to do so by the officer.
5. VIPS may, at the direction of the officer, accompany the officer on non-hazardous calls.
6. During hazardous calls and traffic stops, VIPS will remain in the police vehicle unless directed by a police officer. VIPS will not take any action in the field unless directed to do so by the police officer.
7. VIPS will only handle property or evidence in the presence of and at the direction of a police officer or police assistant.
8. VIPS will at no time follow police officers to calls in their personal vehicles.

If a VIPS violates any of the rules in this section, he/she will not be permitted to participate in the ride-along program and could be subject to disciplinary action.

## **VII. CODES TEST**

All VIPS must successfully pass the codes test to participate in any field operation functions. VIPS must receive and maintain a score of 80% or higher in order to perform field operations functions.

## **VIII. RESPONSE TO AN EMERGENCY**

If a VIPS working in the field comes across an emergency situation, the VIPS should get to a safe location. Once safe, the VIPS should notify Dispatch the nature of the emergency by radio. VIPS shall not intervene in any emergency call that could place that VIPS in a perilous position (i.e. physical altercation, theft or robbery, domestic dispute, etc.).

VIPS may also be called to the scene of an incident in order to assist with an emergency. VIPS are not allowed to respond to an emergency in a "code 3" manner and will follow all rules of the road while driving a city owned vehicle.

If a VIPS is called to an emergency while they are off duty, the VIPS should respond to the police department in uniform in order to procure the necessary equipment for their anticipated assignment. After obtaining any necessary equipment, the VIPS should respond to the scene of the emergency. Once on scene, the VIPS will check in at the designated area, or with dispatch, before assisting with the incident. It is the responsibility of the VIPS to notify the department if they are unable to assist in the incident due to any impairment before responding to the scene (i.e. recent consumption of alcoholic beverages, ingesting prescribed medication, etc.)

In the event of a significant disaster or other large scale event, VIPS shall report to the ECPD and remain ready to support city staff and the community.

## **IX. PERFORMANCE IMPROVEMENT**

Performance improvement may be suggested whenever the VIPS Coordinator believes a VIPS' performance is less than satisfactory and can be resolved through counseling and/or training. Counseling and/or training is completely at the discretion of the VIPS Coordinator. The VIPS program desires to protect its investment in the time and expense devoted to VIPS' orientation and training. It is the goal of the program to improve the performance of a VIPS if their performance is substandard. The VIPS program reserves the right to terminate VIPS at any time and for any reason.

The VIPS Coordinator will determine the course of action best suited for the circumstance. The steps in performance improvement are as follows:

1. **Counseling Session:**

A counseling session is a step in correcting unacceptable performance and/or behavior. The VIPS Coordinator will review pertinent position requirements and/or expectations with the VIPS to ensure his/her understanding of them. The VIPS Coordinator will consider the severity of the problem, the VIPS' previous conduct, performance reviews, if any, and all of the circumstances surrounding the particular case. The incident will be documented to improve performance.

2. **Suspension:**

A suspension may be justified when circumstances reasonably require an investigation of an incident in which the VIPS was allegedly involved or as part of punishment.

3. **Involuntary Termination:**

Involuntary termination is reserved for those cases that cannot be resolved by counseling or suspension and in these cases a violation has occurred which cannot be tolerated. In this circumstance the VIPS Coordinator will notify the VIPS of their termination. The VIPS will be directed to turn in all El Cerrito Police Department VIPS property. VIPS do not have the right to appeal termination beyond the Chief of Police.

## **X. STANDARDS OF CONDUCT**

Whenever people gather together to achieve goals, some rules are needed to help everyone function together efficiently, effectively, and harmoniously. VIPS hold themselves to a high standard of quality where rules and authority figures simply assure the quality is maintained.

By accepting to be a volunteer with us, you have a responsibility to the El Cerrito Police Department VIPS Program and to your fellow volunteers to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that you understand what conduct in your personal life and in your volunteer position is expected and necessary.

In the event a complaint from a citizen, or another member of the department, is made about your conduct, the El Cerrito Police Department will investigate the situation. The ECPD reserves the right to review your suitability for the VIPS Program. At any time the El Cerrito Police Department may dismiss any volunteer at will. Volunteers are not part of the Civil Service system (ECMC 3.10.020).

VIPS may appeal a suspension or termination in writing through their Chain of Command to the

Chief of Police. The Chief of Police shall review the appeal and convene a hearing board consisting of the VIPS Coordinator, Captain, and the Chief to hear the appeal of the VIPS.

The Chief of Police shall make the final determination regarding the disciplinary action which shall be considered binding and final.

The following definitions and classification of violations for which a counseling session, performance improvement, or other disciplinary action may be taken, are merely examples and not limited to these specific violations. 1. **Resignation:** A voluntary termination
2. **Dismissal:** An involuntary termination for substandard performance or misconduct
3. **Substandard Performance:** A VIPS may be discharged if his/her performance is below standard
4. **Misconduct:** VIPS found to be engaged in activities such as, but not limited to, theft of City of El Cerrito or El Cerrito Police Department property, insubordination, conflict of interest, major violation, or any other activities showing willful disregard for the interests of the City of El Cerrito or El Cerrito Police Department, will be terminated and notified of the termination.
