Safety Plan:

The entry to the facility will be cordoned off with crime scene tape. No weapons will be allowed into the training area.

Cpt./Lt./Sgt _____ or _____ will instruct students and role players to leave all prohibited items in their vehicles:

- Firearms
- Ammunition
- Chemical Agents
- Edged Weapons/Sharp Instruments
- Impact Weapons
- TASER

Cpt./Lt./Sgt will then inspect them for mandatory safety items before entering. Anyone leaving the training area will be re-searched before re-entry.

- Long sleeve uniforms
- Bullet Proof vests
- Boots
- Gloves

Cpt./Lt./Sgt _____ will search each student/role player upon entering, utilizing a metal detector.

Next, Cpt./Lt. / Sgt. _____ will conduct a second search of each student/role player, looking for the prohibited items. He may do a pat search.

Once students/role players are inside the crime scene tape barrier, the entry will be closed and no additional entries will be allowed. Anyone entering late must be subjected to the same security screening before entering.

A Volunteer will monitor the crime scene tape barrier to ensure that no one enters undetected.

Training Operation Plan:

Cpt/Lt/SGT _____ will issue training weapons to each student:

- Simunitions modified Firearms
- Inert OC
- Red or Blue TASERS

An Instructor will then issue training weapons to role players, outside the view of students, inside the training area.

Training Officer in Charge & OIC _____ will conduct the Safety Briefing, inside the crime scene tape barrier. He will read to all, the *General Safety Rules for Training Evolutions* document.

Training Safety Officer /Sgt. _____ will issue each student their Simunitions protective facemask, throat protector and groin protection equipment. He will also ensure that they put it on properly. He'll then give them the Student Information Cards and go over its contents with them.

While Sgt. _____ is equipping the students, Cpl. _____ will prep the Role Players for Scenario 1 from their Role Player Info cards. He will brief them on their roles, and confirm that they have their safety gear on properly. He will notify the OIC when the Role Players are ready.

The scenario will be started with the sounding of a whistle. Scenarios will be completed pursuant to the instructions in the General Safety Rules.

As students complete the scenario, they will return to the staging area and await the next scenario (repeat for scenarios 2-4).

At the conclusion of the four scenarios, the training is complete.

Students will systematically return their protective gear to Capt/ Lt / Sgt.

Next they will report to Cpt/Lt/SGT _____, and turn in all of their training weapons to him. At that time, they can leave the training area. Once the students from one session have entered; Lt. _____ and Sgt. _____ will survey the training areas and prepare them for the next session. After this inspection, the next session may begin.
