

Welcome to Medicare – second Tuesdays at 3 PM

Do you have questions about Medicare? HICAP has the answers. Welcome to Medicare is a free class presented by the Health Insurance Counseling and Advocacy Program (HICAP) of Contra Costa County on the second Tuesday of every month at 3pm. The class is intended for people who are new to Medicare and covers when and how to enroll, the different parts of Medicare and their costs, and related insurance plans.

The next classes will be February 9, March 9, 2021.

This class will be presented online through Zoom and will be about 90 minutes long. There will be an opportunity to ask questions during the class and you will be shown how to access helpful materials. Register through the HICAP website at www.cchicap.org/welcome-to-medicare-class
