Members of Boards, Commissions and Committees provide an invaluable service to our community. The detailed study and considered recommendations or our local advisory bodies are often catalysts for innovative programs and improved services. Serving as a commissioner or committee member can be a rewarding experience for community service minded residents. It is an excellent way to participate in the functioning of local government and to make a personal contribution to the improvement of our community. Commissioners and Committee Members are appointed by the City Council for terms of four years. Commission and committee meetings are generally held once a month during evening hours. Although the City conducts its recruitment on continuous ongoing basis, **please consider submitting an application now!
