**Your Chance to Golf Mira Vista!** Mira Vista Golf & Country Club recently completed a \$2.5 million restoration of their golf course. The work included resurfaced putting greens, new bunker sand, and the leveling of several tee complexes. Hallmarks of the work include reclaiming 17 lost fairway bunkers, restoration of the famous risk-reward 17th Hole, and rebuilding a series of bunkers on the 18th Hole that had been removed during World War II. Panoramic views from Mira Vista's four prominent ridge tops have also been reopened.

**Play for a Great Cause!** In 2016, the David Hunter Memorial Scholarship Fund provided nearly \$12,000 in scholarship awards. This golf tournament is the largest contributor, by far, to the fund. Any level of support you can offer is greatly appreciated.
