

City of El Cerrito Committee on Aging

presents

Lecture Series **CLIMATE CHANGE**

Showing of movie documentary **An Inconvenient Truth**. Former vice president Al Gore shares his concerns on the pressing issue of global warming in this documentary. An Inconvenient Truth records a multi-media presentation hosted by Gore in which he discusses the scientific facts behind global warming, explains how it has already begun to affect our environment, talks about the disastrous consequences if the world's governments and citizens do not act, and shares what each individual can do to help protect the Earth for this and future generations. (Directed by Davis Guggenheim)
