

*** Call for Artists ***

El Cerrito Creative ReUse

The **City of El Cerrito Arts and Culture Commission** invites artists to apply for the **El Cerrito Creative ReUse (ECCRU) Artist Residency**. The nine-month term will begin **April 1, 2022**. Applications are due **Friday, November 19, 2021**.

The program is intended to support local artists (in Contra Costa & Alameda Counties) who work with recycled materials, and to encourage environmental stewardship – specifically, ***resource conservation, recycling and upcycling*** – in the community through art that inspires people to think about sustainability and consumption.

The ECCRU Artist Residency provides the artist with access to certain materials at the City's Recycling + Environmental Resource Center for use in artistic projects, as well as the opportunity to host an exhibition at the end of the residency. A storage bin for salvaged materials will be provided; however, the artist should have their own workspace.
