

MAINTENANCE WORKER/MAINTENANCE WORKER – ENTRY LEVEL

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

To perform a variety of semi-skilled and skilled tasks in the construction, maintenance, and repair of public works and parks facilities.

DISTINGUISHING CHARACTERISTICS

This is the journey or experienced level. Positions in this class are flexibly staffed and are normally filled by advancement from the Maintenance Worker -- Entry or when filled from the outside, require prior experience in the construction and maintenance of public works or parks facilities. Appointment to the higher class requires that the employee be performing the full range of duties for the class and meet the qualification standards for the class. All positions assigned to this class require the ability to work independently exercising judgment and initiative. Duties will normally require the ability to operate the full range of mechanical and vehicular equipment with the appropriate licenses or certificates.

SUPERVISION RECEIVED AND EXERCISED

Maintenance Worker - Receives general supervision from the Maintenance Services Supervisor, and functional or technical direction from Maintenance Services Leadworker. May exercise functional or technical supervision over less experience maintenance staff.

Maintenance Worker - Entry Level - Receives general supervision from Maintenance Services Supervisor, and immediate functional or technical direction from the Maintenance Services Leadworker or journey-level Maintenance Workers depending on the work assignment.

ESSENTIAL FUNCTION STATEMENTS

Essential responsibilities and duties may include, but are not limited to, the following:

Essential Functions:

Operate construction and maintenance equipment for a variety of construction and maintenance operations involving streets, sidewalks and gutters, and storm drains.

Install traffic cones and barricades around work areas to insure safety of workers and public.

Spread asphalt in patching and repairing streets.

Use concrete cutting and breaking equipment; operate jackhammer; pour and finish concrete; construct concrete forms and perform rough carpentry work.

Maintain landscaped areas, recreation and play areas, street islands and medians including water, weed, trim, renovate, fertilize shrubs, trees and flower beds; rake leaves, clean walks, fields, courts and other facilities; and pick up rubbish and paper, and perform general grounds cleaning.

Essential Functions: (continued)

Plant and maintain trees, flowers, and shrub; prepare ground around plants and shrubs, including mixing and applying fertilizers, insecticides, and herbicides.

Assist in the maintenance of sprinklers and irrigation equipment.

Operate a variety of power construction and maintenance equipment used in the street and park maintenance and repair; operate light and medium-sized construction and power equipment, such as mechanized broom, backhoe/loader; operate motorized vehicles and equipment, including dump truck, pickup truck, utility truck, bucket lift, tamper, plate compactor, saws, pumps, compressors, sanders, generators, common hand and power tools, shovels, wrenches, detection devices, mobile radio, phone.

Trim and remove trees from City property.
