Help El Cerrito improve our Recycling Center

Be involved in discussions about expanding the range of materials and reusables collected at the Recycling Center

Saturday, July 31, 10:00 a.m. to 12 p.m.

Thursday, August 26, 7 p.m. to 9 p.m.

Tuesday, September 14, 5 p.m. to 7 p.m.

Each meeting will have a different topic and build upon the previous meeting while accommodating first-time attendees. Attend one or all three as your summer schedule allows.

Details:

El Cerrito needs your help in crafting principles, goals, and guidelines for community use of the Recycling Center, which will soon be rebuilt. Help us preserve the Center's value as a community asset while finding ways to make it an even more welcoming and useful place. Stakeholder input at these meetings will help inform City policy about programs and uses at the Recycling Center and will help guide the design of the new facility.

All meetings held at El Cerrito City Hall – Council Chambers @ 10890 San Pablo Avenue.
