

Submitted #18R

A SIGN OF PROGRESS SINCE 1957

A CALIFORNIA CORPORATION

CONTRACTORS LICENSE NO. 171402

**Dear Resident,**

We will be working under contract with the City of El Cerrito to install storm drain facilities, including inlets and piping.

From \_\_\_\_\_, To \_\_\_\_\_ we will be working on the storm drain near your residence and expect the work to last 1-3 days. Please look for additional notices posted on barricades. "No Parking" notices will be posted 72 hours in advance of work commencing. While we proceed with the work, flagmen will control the traffic using roadways partially blocked for the pipe installation. Every attempt will be made to provide property access. As the streets are narrow and parking is limited, driveways may be blocked by crew trucks. If this is the case, please contact a crew person and access will be provided.

During construction, please use caution and obey all no parking and traffic signs. Information concerning "NO PARKING" will be placed on barricades 72 hours in advance of the work and will be confined to only the areas of work. Work hours will be Monday through Friday, 7:30 a.m. until 5:00 p.m. While working on your block, it will be required that ALL vehicles be removed from in front of "No Parking" signs by 7:30 a.m.

We are sorry for the inconvenience and thank you for your patience.

Please note that there are no disruptions planned for garbage collection or mail delivery.

For further questions, please contact Argonaut Constructor's onsite representative, Tim Ottzman, or by calling our office at 707-542-4862.

Sincerely,  
**Argonaut Constructors**
