SAFETY IMPROVEMENTS UNDERWAY ON OHLONE GREENWAY

The City of El Cerrito is hosting an informational community meeting regarding the lighting and surveillance camera system currently being installed on part of the Ohlone Greenway.

Ohlone Greenway Safety Improvements Community Meeting

Monday December 14, 2009

6:30 p.m. to 7:30 p.m.

El Cerrito City Hall

10890 San Pablo Avenue, El Cerrito CA 94530

Staff from the Public Works and Police Departments will be available to answer questions about the safety improvements currently being installed on the Greenway between Conlon and Potrero Avenues.

The basic goals of this safety project are to:

- Assist users of the Ohlone Greenway to feel safe and more confident in using the Greenway
- Deter crime along the Greenway and aid the Police Department if a crime does occur in this area
- Upgrade the visibility of the path for current and potential users of the Ohlone Greenway by making the path more “user friendly”
- Encourage commuters to make more trips to the BART stations by bicycle or walking in place of driving their car.

Comments or Questions?

If you have questions but cannot attend the Community Meeting on November 17, 2009 please to contact Tony Gokoffski, Capital Projects Manager at (510) 215-4322 or agokoffski@ci.el-cerrito.ca.us (mailing address and fax are listed above).
