

El Cerrito Camp Ravencliff

Teen Programs Application

This year we will again offer two teen programs at El Cerrito Camp Ravencliff: the Teens-In-Leadership-Training (TILT) Program and the Counselors-In-Training Program. The TILT Program will focus on the “behind the scenes” aspects of Camp. The TILTs will work on various projects, assist counselors during activity times, and rock out in the kitchen while washing the pots and pans! The TILTs will live as a group in their own cabin and will have an overnigher away from camp as well. CITs live in each cabin assisting the counselor and campers in their daily and weekly activities. The TILTs and CITs each have their own directors who facilitates each program and provides support to the participants.

All applicants for the Teen Programs must be entering their Sophomore, Junior or Senior years in high school. The ideal CIT Program is comprised of five males and five females. The TILT Program is comprised of four females and four males. Please email cjones@ci.el-cerrito.ca.us or call (510) 559-7005.
