Councilmember Benassini said that Assistant City Manager Pinkos will take the lead on coordinating meetings and new topics for discussion and that she and Councilmember Benassini will keep the City Council informed.

COUNCIL COMMENTS

Mayor Pro Tem Lyman reported on his attendance at a community meeting regarding the building of a future library. Mayor Pro Tem Lyman said he is sure there will be a presentation at some point in the future and informed all that everyone is working together on a future library.

Mayor Pro Tem also reported that the Council had received a number of emails regarding a project located at McDonald Avenue and San Pablo Avenue, the old Lucky Grocery Store site, and explained that the site is in Richmond however the driveway to the loading dock, which comprises ten percent of the lot, is in El Cerrito. The project has been put on hold because the Richmond Planning Commission, as lead agency on the project, indicated that they would like to conduct more environmental review on the project. The proposed use complies with the current use permits for the El Cerrito portion of the parcel. Unfortunately the owner of the property has passed away and the family has stated that the project and environmental analysis are no longer a priority. Mayor Pro Tem Lyman concluded by stating that staff will monitor the project and will be included in any environmental review as appropriate and will keep the community informed of any new developments.

Councilmember Abelson reported on a Environmental Quality Committee sponsored lecture that took place on August 20, 2012. Dr. Gordon Frankie, and entomologist and native bee expert from UC Berkeley delivered a presentation on native bees in California. The Council Chambers was packed to capacity. Most of those in attendance were from El Cerrito.

Mayor Jones announced that the City received its LEED certification for City Hall. The beautiful award plaque will be displayed in the lobby.

**JANE BARTKE PRESENTATION**

Marie Pike, Sponsor of Jane Bartke, said the Sundar Shadi holiday display has been a twelve year commitment of Ms. Bartke and described Ms. Bartke’s dedicated efforts in working with volunteers to secure, restore and store the Shadi folk art for the display. Jane knows everyone and everyone knows Jane.

Jane Bartke thanked Ms Pike, Ms. Mewha, the Soroptimists, her husband Rich and her family and friends. Ms. Bartke said she believes that it is important to support where you live and maintain it or make it better. Ms. Bartke explained that the holiday display is a part of El Cerrito and explained that it was going to be auctioned off piece by piece and she couldn’t see this happen. Community means working together and building things to try to make life better for everyone. It is important to care about others and make a difference in the lives of everyone. People should do what they can to support their city, county, schools, state and nation. Ms. Bartke concluded by quoting Ralph Waldo Emerson, “Make the most of yourself for that is all there is to you.”

**AMY SHINSAKO PRESENTATION**

Alva Tamura and Barbara McIntire described the special attributes and qualities of Ms. Shinsako’s leadership and dedication to children. Ms. Shinsako will move mountains to get what children need and inspires all the other teachers.

**CITY COUNCIL ITEMS**

**A. Two Years Public Employee Retirement System Service Credit**

Staff requests that the City Council take the following three actions: 1) Adopt a resolution designating a window period from August 22, 2012 through November 27, 2012 within which miscellaneous and public safety employees may receive two-years of service credit if they retire during the designated window period; 2) Authorize the Mayor to certify compliance with Government Code Section 20903; and 3) Direct the City Clerk to certify the Council’s action and compliance with Government Code Section 7507.

**Presenter:** Mary Dodge, Administrative Services Director and Sukari Beshears, Employee Services Manager.

**Speakers:** John Couger-Hansen, El Cerrito, stated that while working for another East Bay city four times the size of El Cerrito, he retired under the California Public Employees Retirement System (Cal PERS) system and was later re-hired by the same City for two days a week to run his old department. The City did not have to pay into PERS, provide medical benefits or anything else. This worked out well for the City and for Mr. Couger-Hansen.
Denise Sangster, El Cerrito, stated that she is concerned that the City is about to make a serious financial mistake and stated her opposition to offering a two-year service credit. Many El Cerrito residents are having a difficult time financially. Ms. Sangster said she believes that the City owes its public safety employees a reasonable retirement with medical benefits. Ms. Sangster asked whether it is appropriate to offer a two year service credit for the seventh time since 1972. The two-year service credit needs to be reviewed by the Financial Advisory Board (FAB) to evaluate the full cost of the proposal as well as costs for any potential retiree, evaluate the City’s reorganization plan to see what cost savings will be generated from the early retirement plan, and verify that costs savings were realized as forecasted in 2004 and 2009 before the City Council makes its determination on the appropriateness of adopting this early retirement incentive.

Elvira Orly, El Cerrito, spoke in opposition to the two-year service credit. Ms. Orly stated that she is concerned that the proposed savings are not really there and asked that the proposal be studied further.

Ken Berndt, El Cerrito, asked that the City Council hold the item over for an additional month for further study.

**Action:** Moved, seconded (Abelson/Cheng; Ayes – Councilmembers Abelson, Cheng and Jones; Noes – Benassini; Abstain – Mayor Pro Tem Lyman) and carried to adopt Resolution No. 2012–66.

**B. November 6, 2012 Municipal Election – Consideration of Facts with Option to Appoint Council Members In Lieu of Election**

Staff requests that the City Council review the Certification of Facts and consider taking action to either: 1) Adopt a resolution appointing nominees Jan Bridges, Mark Friedman and Greg Lyman to elected offices effective the first City Council meeting in December 2012; or 2) Elect to hold the November 6, 2012 General Municipal Election.

**Presenter:** Cheryl Morse, City Clerk.

Mayor Pro Tem Lyman recused himself from voting on the matter given his status as a candidate who has qualified for the ballot. Mayor Pro Tem Lyman removed himself from the dais and exited the room.

**Action:** Councilmember Benassini moved to appoint Jan Bridges, Mark Friedman and Greg Lyman to the office of City Council in lieu of an election. The motion died for lack of a second.

It was the consensus of the City Council (Councilmember Lyman absent) that the November 6, 2012 election should proceed as planned to increase transparency, promote interaction between residents and the candidates and provide an opportunity for residents to exercise their right to vote in the election.
