Greg Lyman – Mayor

Mayor Pro Tem Janet Abelson         Councilmember Rebecca Benassini  
Councilmember Jan Bridges           Councilmember Mark Friedman

ROLL CALL  
Councilmembers Abelson, Benassini, Bridges, Friedman and Mayor Lyman all present.

7:00 p.m.  CONVENE REGULAR CITY COUNCIL MEETING  
Mayor Lyman convened the regular City Council meeting at 7:02 p.m.

1. **PLEDGE OF ALLEGIANCE TO THE FLAG OR OBSERVATION OF MOMENT OF SILENCE** was led by Mayor Lyman

2. **COUNCIL / STAFF COMMUNICATIONS**

Scott Hanin, City Manager, stated that he was proud to announce the City’s receipt of the Government Finance Officer Association (GFOA) award for distinguished budget presentation for the third year in a row. City Manager Hanin also introduced the City’s new Finance Director, Lisa Malek-Zadeh, who previously worked for the City of Berkeley.

Mayor Lyman reported that the City sent a letter to First Selectman Patricia Llodra of New Town, Connecticut to express sympathy and condolences.

Mayor Lyman also reported that the City Council met on December 18, 2012 in closed session to consider a proposed judgment in City of El Cerrito v. Robert R. Campbell, et al., Sacramento Superior Court, Case No. 34-2012-80001200 to resolve existing litigation with the State Department of Finance and the Contra Costa County Auditor/Controller. The City had filed this litigation to challenge a demand made by the Department of Finance and the Auditor/Controller that the City’s former redevelopment agency remit $1.76 million as part of the process of
dissolving the redevelopment agency statewide. This was also referred to as the “True-Up Payment.” The City believed the true up payment had not been properly calculated. The City also challenged the constitutionality of the authority of the Department of Finance and the Auditor/Controller to withhold sales, use and property tax from the City to impose fines for refusing to remit the funds that were demanded. Under the terms of the stipulated judgment, the city is not required to make the true up payment and no fines or penalties were imposed on the City.

The West Contra Costa County Integrated Waste Management Authority (IWMA) has published its Environmental Impact Report (EIR) for the proposed regulated single use carryout bag ban in West County. The EIR is available for review. The proposed draft ordinance preventing the free distribution of single-use carry out paper and plastic bags at the point of sale is also available for review. Copies of the EIR are available at the Recyclemore office, El Cerrito City Hall and other locations. The document can also be downloaded from the Recyclemore website, www.recyclemore.com. The public comment period for this document will conclude on March 4, 2013. After the California Environmental Quality Act (CEQA) process, the City will have an opportunity to adopt the ordinance based on regional environmental analysis. Staff will perform extensive outreach to both residents and businesses in El Cerrito prior to the Council’s consideration of the ordinance. Additionally, Recyclemore is sponsoring an Elementary School three-hundred word essay contest on the subject of why littering is bad for the environment – or why reusable shopping bags are better for the environment than shopping bags? The essay deadline is March 15, 2013.

Mayor Lyman also announced that a photo of San Pablo Avenue in El Cerrito is featured on the cover of Western Cities magazine. The article covers the vast improvements the City has made along the Avenue. The City’s work along San Pablo Avenue was also featured in the most recent East Bay Municipal Utility District (EBMUD) water report.

3. **ORAL COMMUNICATIONS FROM THE PUBLIC** – No speakers.

4. **PRESENTATIONS**

   A. **Introduction of Bay Area Rapid Transit (BART) Director Zakhary Mallet** – Director Mallet has requested ten minutes of the City Council’s time to introduce himself to the City Council and Public and share his vision for the future of BART.

   B. **Annual El Cerrito Streets Oversight Committee Report** – Presentation by Al Miller, former Committee Chair.
   
   **Action:** Received presentation.

   C. **Sustainability Tools for Assessing and Rating Communities (STAR) Overview** – Presentation by Melanie Mintz, Environmental Services Division Manager.
   
   The City has been selected as one of approximately thirty communities across the United States to test the STAR Community Rating System. STAR is the nation’s first, voluntary self-reporting framework for evaluating, quantifying, and improving the livability and sustainability of communities. Staff will discuss the STAR framework and what to expect from the pilot project.
   
   **Action:** Received presentation.
5. ADOPTION OF THE CONSENT CALENDAR – Item Nos. 5A through 5F

Moved, seconded (Abelson/Friedman) and carried unanimously to adopt Consent Calendar Item Nos. 5(A) and 5(C) through 5(F) in one motion as indicated below. Item No. 5(B) was withdrawn from the consent calendar by Mayor Lyman.

A. Minutes for Approval

Approve the February 5, 2013 Regular City Council meeting minutes.

Action: Approved minutes as submitted.

B. Proclamation in Recognition of Officer Sid Hubbs

Approve a proclamation congratulating Officer Sid Hubbs for his recognition by the Richmond Elks Lodge No. 1251 as the El Cerrito Police Department honoree for Police Officer Appreciation Night to be held on February 20, 2013. The City Council extends sincere appreciation to Officer Hubbs for his devotion to the mission, vision and values of the Police Department. Officer Hubbs truly epitomizes community-based policing in the City of El Cerrito.

Presenter: Robert De La Campa, Police Lieutenant.

Action: Removed from the Consent Calendar by Mayor Lyman for the purpose of acknowledging Officer Hubbs at the City Council meeting. Moved, seconded (Friedman/Benassini) and carried unanimously to approve the proclamation recognizing Officer Hubbs.

C. Support for Assembly Bill 39 – Upgrading our Schools and Creating Clean Energy Jobs

At the request of Mayor Pro Tem Abelson, authorize Mayor Lyman to sign a letter expressing the City Council’s support for Assembly Bill 39 to implement Proposition 39. Proposition 39 provided up to $550 million per year for clean energy programs at schools and other public buildings. Assembly Bill 39 (Assemblymember Skinner and Speaker Perez) establishes guidelines for clean energy expenditures at schools, colleges and other public facilities and for job training.

Action: Approved recommendation.

D. Support for Assembly Bill 48 – Bulletproofing Communities

At the request of Mayor Pro Tem Abelson, authorize Mayor Lyman to sign a letter expressing the City Council’s support for Assembly Bill 48 (Skinner) which will require ammunition vendors to report all ammunition purchases to the Department of Justice and ban possession of magazine conversion kits.

Action: Approved recommendation.

E. Support for Assembly Bill 127 – Safer Building Insulation

At the request of Mayor Pro Tem Abelson, authorize Mayor Lyman to sign a letter expressing the City Council’s support for Assembly Bill 127 which intends to reduce chemical flame retardants in plastic foam building insulation without reducing fire safety.

Action: Approved recommendation.
F. **Tree Committee Appointment**

Approve a Tree Committee recommendation to appoint Cathy Bleier to the Tree Committee effective March 11, 2013.

Action: Approved recommendation.

6. **PUBLIC HEARING** – None

7. **POLICY MATTERS**

**CITY COUNCIL ITEM**

A. **Release of Draft Climate Action Plan**

The City has released the draft Climate Action Plan (CAP) for public comment. Staff will present an overview of the content in the CAP and the public review timeline.

Presenter: Maria Sanders, Environmental Analyst.

Action: Received presentation.

**CITY COUNCIL ITEM AND CITY COUNCIL ACTING AS EL CERRITO REDEVELOPMENT AGENCY SUCCESSOR AGENCY ITEMS**

B. **Redevelopment Agency Successor Agency’s Fiscal Year 2013-14 Administrative Budget, its Draft Recognized Obligations Payment Schedule 13-14A (July-December 2013), and a Cash Flow Loan Agreement Between the City and Successor Agency**

Staff requests approval of the following actions:

1. Adopt a Successor Agency resolution approving its Fiscal Year 2013-14 administrative budget;

2. Adopt a Successor Agency resolution reviewing and authorizing submittal of the draft Recognized Obligation Payment Schedule 13-14A, covering the period July to December 2013;

3. Adopt separate City Council and Successor Agency resolutions approving a cash flow loan agreement for consideration by the Oversight Board to the Successor Agency.

Actions: Moved, seconded (Friedman/Abelson) and carried unanimously to adopt City Council Resolution No. 2013–07 approving a cash flow loan agreement with the El Cerrito Redevelopment Agency Successor Agency.

Moved, seconded (Benassini/Friedman) and carried unanimously to adopt Successor Agency Resolution No. 2013–01 approving its Fiscal Year 2013-14 administrative budget.

Moved, seconded (Abelson/Benassini) and carried unanimously to adopt Successor Agency Resolution No. 2013–02 approving a cash flow loan agreement with the City of El Cerrito.

Moved, seconded (Benassini/Bridges) and carried unanimously to adopt Successor Agency Resolution No. 2013–03 authorizing submittal of the draft recognized obligation payment schedule 13-14A, as required under the dissolution act.

8. **COUNCIL ASSIGNMENTS/LIAISON REPORTS**

A. **Mayor Lyman** reported that the Municipal Services Corporation met in closed session on February 5, 2013 and provided direction to staff. At this month’s meeting, the IWMA extended its existing post collection contract for six months. El Cerrito has six more months for household hazardous waste and garbage disposal at the landfill beyond the January 1, 2014 deadline if an agreement is reached beforehand. The Authority also received a report on the term
sheet for post collection services which mostly affects the four other cities in the JPA. El Cerrito is still negotiating with Republic Sanitary Services for disposal independent of the other four cities. Mayor Lyman stated that he hopes to see the final term sheet at the IWMA’s meeting next month. Mayor Lyman and Mayor Pro Tem Abelson received a presentation from CCTA and CalTrans staff on the fourth bore of the Caldecott Tunnel and Bay Bridge Construction at the Contra Costa Mayors Conference. Both projects are expected to go into service later this year. At the meeting, the City of San Pablo reported that it had received an American Planning Association award for the health element of its general plan. The Contra Costa Board of Supervisors provided an annual report of the Board’s activities and recently completed a goal setting session. Additionally, the Contra Costa Library system is celebrating its 100th anniversary which includes an event in El Cerrito on October 31, 2013.

The Crime Prevention Committee met and discussed activities for 2013 and began planning the National Night Out event. The Tree Committee met and discussed the City’s tree selection process, the tree list and also formed an outreach subcommittee.

B. Mayor Pro Tem Abelson reported that as Vice Chair of the Contra Costa Transit Authority (CCTA) she was invited to attend a tour of the transfer platform of eBART in eastern Contra Costa County. The platform enables one to transfer from the BART we know today to eBart which uses a different technology. Diesel Multiple Unit (DMU) technology is less costly than the traditional BART. There is no station associated with the transfer platform. This project is a Measure J project. It will help relieve extreme congestion in east Contra Costa County.

The Environmental Quality Committee received a presentation on the climate action plan last week and heard comments from the public. The meeting was well attended. Councilmember Benassini also attended.

C. Councilmember Benassini – No report.

D. Councilmember Bridges – No report.

E. Councilmember Friedman – No report.

9. ADJOURNED REGULAR CITY COUNCIL MEETING at 9:07 p.m.
Date: March 5, 2013

To: El Cerrito City Council

From: Karen Pinkos, Assistant City Manager

Subject: Agreement with 4Leaf, Inc for Building Official Services

ACTION REQUESTED
Adopt a resolution authorizing the City Manager to amend the consultant services agreement between the City of El Cerrito and 4Leaf, Inc. in an amount not to exceed $125,000 for Building Official staffing services.

BACKGROUND
The position of Building Official has been vacant since October 2011. Gordon Stevenson served as Acting Building Official until his retirement in November 2012. At that time, the City entered into an agreement under the City Manager’s Authority, with 4Leaf, Inc. for interim building official staffing services. Fred Cullum, CBO was assigned to the City and began work in November 2012. Mr. Cullum is an International Code Council (ICC) Certified Building Official with more than 45 years of Northern California building department experience. Mr. Cullum has maintained day-to-day operations and activities of the Building Division and has shown excellent capacity for the work.

ANALYSIS
As the City reviews its overall organizational structure and funding with respect to the current vacancies that exist, staff will be examining the duties and functions of the positions within various divisions and departments. The Building Division currently has two additional vacancies in addition to the Building Official position. Staff believes that during this review it is desirable to continue to use contracted services until such time that the City determines whether to recruit for permanent full-time positions. It is expected that Mr. Cullum’s services will be needed at least through the end of calendar year 2013.

Additionally, staff believes that a review of the Building Division’s operations would benefit the City and the customers that the Division serves. Mr. Cullum has experience with reviewing and auditing building departments and will serve as a resource for determining best practices for the Division moving forward.

FINANCIAL CONSIDERATIONS
Staff is recommending a $100,000 increase to an amount not to exceed $125,000 in order to extend these staffing services through the end of calendar year 2013. Funding is available in the current approved FY 2012-13 Operating Budget via salary savings from vacancies within the Building Division. The current adopted budget anticipated backfilling this position, and likely

others with contract support until such time as the permanent desired structure is identified. Therefore, no budget amendment is necessary.

From: Lisa Malek-Zadeh, Finance Director/City Treasurer
Subject: Authorize the City Manager and Finance Director/City Treasurer To Sign And Act On All City Financial Accounts

ACTION REQUESTED
Adopt a resolution authorizing the City Manager and Finance Director/City Treasurer to sign and act on all financial accounts.

BACKGROUND
The City maintains accounts with several financial institutions and regularly conducts financial transactions including deposits, withdrawals, check issuances, wire and fund transfers. Only the City Manager and Finance Director/City Treasurer are bonded against financial loss resulting from these transactions. The City Manager and Finance Director/City Treasurer (by title) must remain at all times signatories to all of the City’s financial accounts. The City needs to maintain clear authority over the control of its accounts and ensure proper internal controls by designating specific positions that can authorize financial transactions on behalf of the City. However, maintaining the City Manager and Finance Director/City Treasurer as signatories does not preclude the assignment of responsibility over these accounts by other staff on a case by case basis as approved by both the City Manager and Finance Director/City Treasurer. The authority to open and close any financial account would remain the joint, exclusive responsibility of the City Manager and Finance Director/City Treasurer.

FINANCIAL CONSIDERATIONS
Maintaining proper signature authority enhances internal financial controls and minimizes the risk of loss of assets.

Subject: Co-Sponsorship Application – El Cerrito Community Garden Network

**ACTION REQUESTED**
Adopt a resolution authorizing the City Manager or designee to grant co-sponsorship status to the El Cerrito Community Garden Network for use of City Parks and Recreation facilities.

**BACKGROUND**
The El Cerrito Community Garden Network is an El Cerrito based organization that is a project of the Berkeley Partners for Parks, a non-profit, 501(c)3 corporation. The purpose of the network is:

1. To create and support a network of community gardens that grow food and native plants in El Cerrito that are open to everyone;

2. Support and maintain the Demonstration Community Garden currently at Fairmont Park; and

3. Identify space for a permanent Community Garden and to secure outside funding for its construction.

The El Cerrito Community Garden Network was formed in 2010 and currently has 10 key volunteers. They maintain a list of over 200 El Cerrito residents (and growing) who are interested in their efforts. They have worked closely with City Staff and the Berkeley Partners for Parks to position them for outside funding and to create a structure that can manage future gardens. Their goals are to create a network of community gardens throughout El Cerrito that are open to everyone that grows food and native plants. Co-Sponsorship by the City will formalize the growing relationship between the Network and City and provide access to City facilities for Network activities and meetings. Any proposal(s) for permanent garden locations will be brought to the Park and Recreation Commission for a recommendation to the City Council.

On February 7, 1977 the City Council established a co-sponsorship policy that would assist community non-profit organizations in providing leisure services to El Cerrito residents. The policy included provisions that would assist community organizations in making public facilities and other services available for the growth and continuation of
programs, and ensure that public facilities are being used for the best welfare of the community.

On October 6, 1980, the City Council amended the co-sponsorship policy upon recommendation of the Park and Recreation Commission. This policy governed the relationship between the City and non-profit organizations in the provision of recreation programs in the community. The policy was adopted to formalize a procedure in which groups would receive the use of public facilities at a reduced cost and provide priority usage of City facilities.

On March 19, 2001, the City Council approved a process to review all requests from community based organizations for co-sponsored facility use and funding. The process separated out co-sponsorship from asking for funds.

**ANALYSIS**
The El Cerrito Community Garden Network’s mission and practices conform to Administrative Policy/Procedure I(A)(5) by increasing community involvement and service in El Cerrito as well as being a project of a 501(c)3, tax exempt organization (Berkeley Partners for Parks).

**FINANCIAL CONSIDERATIONS**
Use of City Facilities for meetings would be subject to the co-sponsorship rates in the Master Fee Schedule.

Gregory B. Lyman, Mayor
PURPOSE: To formalize the process by which groups are permitted use of public facilities at a reduced cost and/or receive priority use or apply for special support through the community service grant funding program.

POLICY: It is the policy of the City of El Cerrito to recognize the community's co-sponsored organizations that provide valuable community service; to assist these organizations by providing special fee rates for use of City facilities; to insure that public facilities are used to benefit the El Cerrito community; to encourage and assist co-sponsored community organizations to complete projects and interact socially to the benefit of the whole community; to make available community service grants for the enhancement of the community.

APPLICATION: This policy applies to all groups meeting the following co-sponsorship criteria:

A. Membership Practice - Groups must be an El Cerrito based organization as verified by their 501(c)(3) (non-profit number) or as determined by the Council. The organizations' membership practices must promote understanding among the diverse segments of the community.

B. Political Advocacy - Groups established primarily for advocating a political position will be ineligible for community based, non-profit facility use or community service grants.

C. Community Involvement - Groups are eligible if they by their existence improve and support the community's quality of life. Organizations which practice discrimination or which may be divisive in the community will not be approved.
D. Community Service - Groups seeking co-sponsorship must demonstrate through a range of programs or projects that their membership is providing an improvement to the community at large. Examples of community service projects and programs provided by community organizations are: graffiti removal; beautification, such as landscaping, litter removal and donation of equipment to enhance City facilities and programs; volunteer service in City-sponsored programs; improvements to City facilities.

PROCEDURE:  
A. Community organizations desirous of co-sponsorship shall complete and submit the attached application (Co-Sponsorship & Community Based, Co-Sponsored Facility Use and Grant Application) to the Community Center, 7007 Moeser Lane, El Cerrito. The initial application must include a copy of the organization’s constitution or by-laws, a copy of the non-profit tax I.D. number, a current list of officers, the name of the person and one alternate authorized to apply for recognition, an annual activity report and a list of community services provided to the residents of El Cerrito. If financial assistance from the City is requested, the application should be submitted in conjunction with the City’s budget process. If no financial assistance is requested, then the application may be submitted at any time during the year.

B. Community organizations seeking renewal of co-sponsorship status and/or financial assistance shall submit the attached application and include the following: an annual activity report, revisions of constitution or by-laws, an updated officers’ list, the name of the person and one alternate authorized to apply for recognition and projects completed which benefited the community of El Cerrito. If financial assistance from the City is requested, the application should be submitted in conjunction with the City’s budget process and include an estimate of expenses. If no financial assistance is requested, then the application may be submitted at any time during the year.

C. Recreation Department staff shall review all submitted applications and documentation provided. The Department Head shall cause an agenda item to be prepared for City Council consideration at any time during the year for those community groups that have not requested financial assistance from the City. It is within the Recreation Director’s
discretion to grant approval for an event or activity for a limited period of time pending Council action. If the City Council should reject the request, the organization that had received temporary approval shall reimburse the City any relevant costs or fee. The Recreation Director shall submit an agenda item listing the community groups requiring financial assistance accompanied by applications and accompanying documentation, including expense estimates, in conjunction with the City’s budget process.

D. The City Clerk shall place the agenda item for those groups recommended by the Recreation Department on the consent calendar under the heading “Co-sponsored Groups.”

E. Community groups seeking co-sponsorship and/or community service grant funding shall have a representative from the organization in attendance at the Council meeting in which their request is scheduled for consideration. The representative should be prepared to respond to any questions that may arise regarding the organization and its request.

F. The City Council shall review the material submitted. With the goal of maximizing services to the community, the City Council shall generally make support services that do not require an additional burden of the City’s general fund reasonably available to eligible community groups. These support services typically consist of reduced rental fees for facilities in accordance with co-sponsorship, priority use of City facilities when not in use by City sponsored activities and reservations of special activities at the Community Center for up to one year. Further, the City Council may review the qualifications of an approved organization at any time to insure ongoing qualification under the guidelines.

G. Co-sponsored groups shall complete a facility application, if needed, at least one month prior to any scheduled event. All City facility reservation rules must be followed. Groups that are granted reduced fees are required to pay the deposit amount and the hourly rate for any use under this policy.

H. Co-sponsored groups that require ongoing use of City facilities or fields, such as youth baseball, soccer or independent
schools, shall be required to pay the appropriate maintenance enhancement fees.

I. Recreation staff shall insure that recognized co-sponsored community groups comply with all of the facility reservation rules. Abuse of the rules by the co-sponsored group shall be cause for revocation of the benefit granted.

J. At the conclusion of the event, Recreation staff will prepare an event summary form that represents the total costs of the program. These charges will be based on: 1) an estimate of the facility costs, based on the number of hours and the amount of rooms needed for the event; 2) an estimate of personnel costs, based on the number of staff required to assist in the planning, set-up, activity and clean up of the event and 3) variable costs, such as utility costs and additional supplies necessary to operate the event. The event summary form shall be forwarded to the City Council and the community group person listed as the event organizer.

K. The City, through the Recreation Department, reserves the right to cancel a co-sponsored group's activity. It is anticipated that this would be a rare occurrence and all efforts would be made to allow adequate time for the group to adjust their schedule.

El Cerrito Community Garden Network History
January 2013

The El Cerrito Community Garden Network (ECCGN) was founded in 2010 with the goal of establishing a community garden in El Cerrito. We have been working with the City of El Cerrito since our inception, and have mutually identified a city park, Fairmont Park, as a potential site for a community garden. In the fall of 2010, we held a community meeting at City Hall to present the idea of a community garden to the general public, which was received enthusiastically. In 2011 & 2012, we have been building support for the garden through community activities such as local fairs and events, where we have distributed brochures about plans for the garden, general gardening information, and hundreds of free vegetable seedlings grown by volunteers. In April 2012, as one of the El Cerrito Earth Day Projects, we built two “demonstration” garden boxes at Fairmont Park to give residents a sense of the possibilities for a community garden. The project was written up in the local El Cerrito Patch (http://elcerrito.patch.com/articles/community-garden-sprouts-during-earth-day). With the El Cerrito Garden Club, we sponsored a “Veg Mob” garden vegetable swap during the summer months of 2011 and 2012.

We have also established two projects to introduce California native plants to the landscape. The first is the Senior Center Circle, which is now in its third year of growth. There are several perennial native shrubs and a bright show of annuals each spring, in particular poppies. A more recent project is establishing California native plants on the city-owned path property between Shevlin Court and King Drive in the hills. After the rains started during the fall of 2012, several volunteers planted perennial and annual native plants along the bottom of the path area, in consultation with City staff.

We have recently become a project of Berkeley Partners for Parks, a local non-profit which provides us 501(c)3 status. We have established a Steering Committee which includes a representative from the Community Health for Asian Americans as well as the Executive Director of San Francisco’s Heart of the City Farmers Market who has experience organizing community gardens.

The following are the community events and activities we have participated in during 2011 and 2012:

**Presentation on Community Gardens to El Cerrito Co-Op Preschool**, November 2012
- Presentation to 30 children and 10 parents about the El Cerrito Community Garden Project

**American Cancer Society Relay For Life, Care Giver Corner, El Cerrito**, July 21-22
- Made 50 flowering potted plants to give to cancer patient care givers for the El Cerrito Relay for Life event

**El Cerrito 4th of July Celebration**, July 2012
- Shared a table with the Environmental Quality Committee, gave away 100+ vegetable seedlings, handed out information about gardening in general and the community garden in particular.

**El Cerrito Bike To Work Day**, May 10, 2012
- Made 300 seed packets (purple pod beans, salad mix, rainbow chard) and put them in the Bike To Work bags that were handed out. Our name and Website URL were on the seed packets.

**El Cerrito Street Play Day**, April 29, 2012
- We had a table at this event, and gave away our remaining seedlings and seeds, as well as handouts about growing fruits and veggies in El Cerrito

**El Cerrito Earth Day**, April 21, 2012
- We built two garden boxes at Fairmont Park
- We had a table at the noon-time celebration at the Community Center -- we gave out approx 100 veggie seedlings as well as seed packets

**El Cerrito 4th of July Celebration**, July 2011
• Shared a table with the El Cerrito City Environmental Quality Committee, handed out information about gardening in general and the community garden in particular.

**El Cerrito Earth Day**, April 2011

• We had a table at the noon-time celebration at the Community Center -- we gave out 100+ veggie seedlings as well as seeds

What Is a Community Garden?

A community garden is any piece of land that is gardened by a group of people – it’s a cooperative enterprise.

It can grow

- Flowers & herbs
- Vegetables & fruit
- Community

It can be

- One community plot
- Many individual plots

It can be run by

- Non-profit / volunteers
- Schools
- Cities / Counties
- Hybrid – City + Volunteers

Several cities in the Bay Area organize their community gardens as a hybrid structure, where the city’s parks department provides the land and maintenance, and the gardens are run by volunteer groups. This is the model we propose for El Cerrito.
Benefits of a Community Garden

- Provide gardening space for people to grow food and flowers
- Produce nutritious food and conserve resources by growing food locally
- Introduce children to the joys of gardening
- Provide recreation, relaxation, exercise, and therapy
- Meet other gardeners / learn new gardening skills
- Connect with nature
- Strengthen neighborhood relationships
- Beautify the neighborhood

What does it take to sustain a garden?

- Planning, design, public support
- Building the garden – knowledge, materials, labor
- Participation & stewardship
- Programming & associated resources
- Ongoing outreach & engagement

Fairmont Park

Fairmont Park, south of the El Cerrito Senior Center running along the Ohlone Path, has been identified as a potential city park that could accommodate a community garden. The City of El Cerrito is in general agreement that this park would be an appropriate site.

The next step is to begin raising funds to build the garden infrastructure and improve the non-garden area of the park.

Once funds for the garden are raised, a design effort can begin and the City will hold public meetings to get input from neighbors and other residents who use the park.

Other Network Possibilities

- Educational workshops
- Grow food for local food banks
- Glean fruit from back yards
- Share back yard garden space
- Help back yard gardeners
- Help with school gardens

Next Steps

The El Cerrito Community Garden Network is currently an informal group of residents. We are working on the next steps in the process of making a Community Garden a reality.

Our current work includes:

- Researching other local community gardens
- Obtaining a fiscal sponsor
- Forming a non-profit organization
- Exploring fund-raising activities including writing proposals for grants
- Designing the garden, determining the budget

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

AGENDA BILL

Agenda Item No. 5(E)

Date: March 5, 2013
To: El Cerrito City Council
From: Garth Schultz, Environmental Analyst
Subject: Environmental Quality Committee Appointment

ACTION REQUESTED
Approve an Environmental Quality Committee recommendation to appoint Anh-Vu Doan to the Committee, effective March 12, 2013.

BACKGROUND
The Environmental Quality Committee recently received and application from Anh-Vu Doan. This application was distributed to all Committee members in advance of a Special Ad Hoc Membership Subcommittee Meeting held on January 8, 2013. During the Special Meeting, three members of the Committee interviewed Mr. Doan and agreed that he should be considered for a membership recommendation. During the Regular Committee Meeting on January 8, which immediately followed the Special Meeting, the Committee voted unanimously to recommend to the City Council that Anh-Vu Doan be appointed to the Environmental Quality Committee.

Mr. Doan demonstrated through his application and interview that he is committed to environmental quality and the mission of the Committee; he has also attended three consecutive regular Committee meetings during the past few months.

If the Council approves this recommendation, the number of Committee members will be 10 out of a total possible membership of 15.
