*Seeking re-appointment to a board or commission.

BACKGROUND

Staff began publicizing vacancies on all the Boards, Commissions and Committees in September 2016. Vacancies were published on the City’s website and in the West County Times, posted at City Hall, the Community Center and Library and appeared as a lead article on the City newsletter News and Views. Although the City conducts a continuous recruitment, the deadline for submitting applications for the first round of interviews was set at December 5 however additional applications continued to be submitted throughout December 2016. At the conclusion of the recruitment 39 applications for boards, commissions and committees had been received. In accordance with new rules adopted by the City Council on December 3, 2013, some board and commission members termed out on January 1, 2017 but were agreeable to serving in an interim capacity through March 1, 2017. The City Council approved these interim appointments at its December 20, 2016 meeting. New appointments resulting from the interviews conducted throughout February will either fill existing vacant unexpired terms or become effective March 1, 2017. Candidates who have listed a committee as a preferred choice on their application are contacted by the City Clerk and the staff liaison to discuss the committee appointment process.

4. This provision requires reporting to the Community Development Director even if the massage business believes that the Community Development Director has or will receive the information from another source.

8.10.050 - Operating Requirements.

A. No person shall engage in, conduct, carry on, or permit any massage business within the City of El Cerrito unless all of the following requirements are met:

1. CAMTC certification shall be in the possession of the massage practitioner during working hours and at all times when the massage practitioner is inside a massage business, providing outcall massage or working as a home occupation.

2. All massage business operators and their employees, including massage practitioners, shall be fully clothed at all times. Clothing shall be fully opaque, nontransparent material and provide complete coverage from mid-thigh to three inches below the collar bone.

3. No massage shall be given unless the client’s specified anatomical areas are, at all times, fully covered. A massage practitioner shall not, in the course of administering any massage, make physical contact with the specified anatomical areas of any other person regardless whether the contact is over or under the persons clothing.

4. A massage practitioner shall operate only under the name specified in his or her CAMTC certificate.
5. Massage shall be provided or given only between the hours of seven a.m. and ten p.m. No massage business shall be open and no massage shall be provided between ten p.m. and seven a.m. A massage commenced prior to ten p.m. shall nevertheless terminate at ten p.m., and, in the case of a massage business, all clients shall exit the premises at that time. It is the obligation of the massage business to inform clients of the requirement that services must cease at ten p.m.

6. A copy of the CAMTC certificate of each and every massage practitioner employed in the business shall be displayed in the reception area or similar open public place on the premises. CAMTC certificates of former employees and/or contractors shall be removed as soon as those massage practitioners are no longer employed by or offering services through the massage business.

7. A list of the services available and the cost of such services shall be posted in the reception area within the massage business premises, and shall be described in readily understandable language. Off-premise massage practitioner providers shall provide such a list to clients in advance of performing any service. No owner, manager, or operator shall permit, and no massage practitioner shall offer or perform, any service other than those posted or listed as required herein, nor shall an operator or a massage practitioner request or charge a fee for any service other than those on the list of services available and posted in the reception area or provided to the client in advance of any off-premise massage services.

8. No massage business shall place, publish or distribute, or cause to be placed, published or distributed, any advertising matter that depicts any portion of the human body that would reasonably suggest to prospective clients that any service is available other than those services listed as an available service pursuant to Section 8.10.050.A.7 nor shall any massage business employ language in the text of such advertising that would reasonably suggest to a prospective client that any service is available other than those services as described in compliance with the provisions of this chapter.

9. For each massage service provided, every massage business shall keep a complete and legible written record of the following information: the date and hour that service was provided; the service received; the name or initials of the employee entering the information; and the name of the massage practitioner administering the service. Such records shall be open to inspection and copying by the Police Chief, or other city officials charged with enforcement of this chapter. These records may not be used by any massage practitioner or operator for any purpose other than as records of service provided and may not be provided to other parties by the massage practitioner or operator unless otherwise required by law. Such records shall be retained on the premises of the massage business for a period of two years and be immediately available for inspection during business hours.

10. No person shall enter, be, or remain in any part of a massage business while in possession of an open container containing alcohol, or illegal drugs. The massage
business owner, operator, responsible managing employee, or manager shall not permit any such person to enter or remain upon such premises.

11. Where the massage business has staff available to ensure security for clients and massage staff are behind closed doors, the entry to the reception area of the massage business shall remain unlocked during business hours when the massage business is open for business or when clients are present, except as part of a home occupation or Live/Work Unit.

12. No massage business located in a building or structure with exterior windows fronting a public street, highway, walkway, or parking area shall, during business hours, block visibility into the interior reception and waiting area through the use of curtains, closed blinds, tints, or any other material that obstructs, blurs, or unreasonably darkens the view into the premises. For the purpose of this subsection, there is an irrefutable presumption that the visibility is impermissibly blocked if more than ten percent of the interior reception and waiting area is not visible from the exterior window.

13. Minimum lighting consisting of at least one artificial light of not less than forty watts (or equivalent) shall be provided and shall be operating in each room or enclosure where massage services are being performed on clients, and in all areas where clients are present.

14. Hot and cold running water shall be provided at all times.

15. No massage business shall allow any person to reside within the massage business or in attached structures owned, leased or controlled by the massage business, except as part of a home occupation or Live/Work Unit.

16. Other than custodial or maintenance staff, no persons shall be permitted within the premises of a massage business between the hours of eleven p.m. and six a.m., except as part of a home occupation or Live/Work Unit.

17. A minimum of one wash basin for employees shall be provided at all times. The basin shall be located within or as close as practicable to the area devoted to performing of massage services. Sanitary towels shall also be provided at each basin.

18. Massage businesses shall at all times be equipped with an adequate supply of clean sanitary towels, coverings, and linens. Clean towels, coverings, and linens shall be stored in enclosed cabinets. Towels and linens shall not be used on more than one client, unless they have first been laundered and disinfected. Disposable towels and coverings shall not be used on more than one client. Soiled linens and paper towels shall be deposited in separate receptacles approved by the health department.
19. Wet and dry heat rooms, steam or vapor rooms or cabinets, toilet rooms, shower and bath rooms, tanning booths, whirlpool baths and pools shall be thoroughly cleaned and disinfected as needed, and at least once each day the premises are open, with a disinfectant. Bathtubs shall also be thoroughly cleaned after each use with a disinfectant. All walls, ceilings, floors, and other physical facilities for the business must be in good repair, and maintained in a clean and sanitary condition.

20. Instruments utilized in performing massage shall not be used on more than one client unless they have been sterilized, using approved sterilization methods.

8.10.060 - Inspection and Verification.

The massage business operator or manager consents to the inspection of the massage business by City officials, including but not limited to officials from the Community Development, Fire, and Police departments, for the purpose of determining that the provisions of this chapter or other applicable laws or regulations are being met at any time the massage business is occupied by a person or open for business.

8.10.070 - Fees.

The City Council shall establish by resolution, and from time to time may amend, the fees for the administration of this chapter. Fees required by this chapter shall be in addition to any required under any other chapter of the municipal code.

8.10.080 - Exceptions.

The provisions of this chapter shall not apply to the following classes of individuals while engaged in the performance of the duties of their respective professions:

3. The massage services are provided at the site of the event and either during, immediately preceding or immediately following the event;

4. The sponsors of the event have been advised of and have approved the provision of massage services;

5. The persons providing the massage services are not the primary sponsors of the event.

8.10.090 - Non Renew, Suspension, Revocation, or Appeal.

A. Violation and Noncompliance.
The Community Development Director may refuse to renew a Massage Operator's Permit or may revoke or suspend an existing permit on the grounds that the applicant has failed to comply with the permit conditions or other requirements of this chapter. If a suspended permit lapses during the suspension period, a new application must be made at the end of the suspension period. In any such case, the applicant shall have the right to appeal to a city hearing officer in the time and manner set forth in this section.

B. Revocation and Suspension of Massage Operator's Permit.

1. The Community Development Director may revoke or refuse to renew a Massage Operator's Permit if he/she makes any of the findings for denial of a permit under Section 8.10.030, or upon demonstrated inability to operate or manage the massage establishment in a law abiding manner, thus necessitating action by law enforcement officers.

2. The Community Development Director may suspend any Massage Operator's Permit for a period of thirty days for each violation of Section 8.10.050.

3. Notice. When the Community Development Director concludes that grounds for denial, suspension, revocation or refusal to renew a permit exist, he/she shall serve the permit holder, either personally, by certified U.S. mail or overnight delivery service, addressed to the business or residence address of the permit holder, with a notice of denial or notice of intent to suspend, revoke or refuse to renew permit. This notice shall state the reasons for the proposed action, the effective date of the decision, the right of the applicant or permit holder to appeal the decision and that the decision will be final if no appeal is filed within the time permitted.
C. Appeal.

1. The right to appeal to a City hearing officer shall terminate upon the expiration of fifteen business days from deposit of the notice with the U.S. Mail, certified and return receipt requested or deposit with an overnight delivery service that provides tracking of the envelope. All requests for appeals shall be sent to the Community Development Director.

2. In the event an appeal is timely filed, the suspension, revocation or refusal to renew shall not be effective until a final decision has been rendered by a City hearing officer. If no appeal is filed, the suspension, revocation or refusal to renew shall become effective upon expiration of the period for filing appeals. A denial of a new permit shall be effective upon deposit of the notice in the U.S. mail or overnight delivery service.

3. The hearing officer shall schedule an appeal hearing within thirty (30) days of receipt by the City of a request for an appeal hearing. The hearing officer shall receive relevant evidence, make written findings and render his or her decision within thirty (30) days from the date of the hearing. The decision of the city hearing officer shall be final. The applicant shall be entitled to notice of the basis for the proposed action, a copy of the documents upon which the decision was based and the opportunity to present contrary evidence at the hearing.

4. Notice of the date, time and place of the hearing shall be mailed at least ten (10) days prior to the date of the hearing, by certified U.S. mail or overnight delivery service, addressed to the address listed on the address given in the notice of appeal.

5. The following rules of evidence shall apply:
   a. Oral evidence shall be taken only under oath or affirmation. The hearing officer shall have authority to administer oaths, and to receive and rule on admissibility of evidence.
   b. Each party shall have the right to call and examine witnesses, to introduce exhibits, and to cross-examine opposing witnesses who have testified under direct examination. The hearing officer may call and examine any witness.
   c. Technical rules relating to evidence and witnesses shall not apply to hearings provided for in this chapter. Any relevant evidence may be admitted if it is material and is evidence customarily relied upon by responsible persons in the conduct of their affairs regardless of the existence of any common law or statutory rule which might make admission of such evidence improper over objection in civil actions. Hearsay testimony may be admissible and used for the purpose of supplementing or explaining any evidence given in direct examination, but shall not be sufficient in itself to support a finding unless such testimony would be admissible over objection in civil actions. The rules of privilege shall be applicable to the
extent they are now, or are hereafter permitted in civil actions. Irrelevant, collateral, undue, and repetitious testimony shall be excluded.

8.10.100 - Violation and Penalty.

A. Violations of this chapter may be enforced pursuant to the provisions of this code. Violations may also be enforced in judicial proceedings, by suspending or revoking permits, or in any other manner authorized by law.

B. Any massage business operated, conducted or maintained contrary to the provisions of this chapter shall be, and the same is declared to be, unlawful and a public nuisance. The city may, in addition to or in lieu of prosecuting a criminal action hereunder, commence an action or actions, proceeding or proceedings, for the abatement, removal and enjoinment thereof, in any manner provided by law, and may take such other steps and may apply to such court or courts as may have jurisdiction to grant such relief as will abate or remove such massage business and restrain and enjoin any person from operating, conducting or maintaining a massage business contrary to the provisions of this chapter.

C. The remedies described in this section are cumulative and in addition to any other remedies available that may be pursued to address a violation of this chapter.

3. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this chapter is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this chapter. The city council hereby declares that it would have passed the ordinance codified in this chapter, and each and every section, subsection, sentence, clause or phrase not declared invalid or unconstitutional without regard to whether any portion of this chapter would be subsequently declared invalid or unconstitutional.

4. COMPLIANCE WITH THE CALIFORNIA ENVIRONMENTAL QUALITY ACT. The project is exempt from environmental review per CEQA Guidelines under the General Rule (Section 15061(b) (3)). The project involves updates and revisions to existing regulations. The proposed code amendments are consistent with California Law, specifically California Government Code Section 51034. It can be seen with certainty that the proposed Municipal Code text amendments will have no significant negative effect on the environment.

Subject: Related Parks Program Grant for Fairmont Park

**ACTION REQUESTED**
Adopt a resolution authorizing submission of an application for state funding through the Department of Housing and Community Development’s Housing Related Parks (HRP) Program Grant in an amount not to exceed $230,000 to provide additional funding for the Fairmont Park Improvements Project.

**BACKGROUND/ANALYSIS**
On November 16, 2016, the Department of Housing and Community Development announced the release of a Notice of Funding Availability (NOFA) for the 2016 funding round of the Housing-Related Parks (HRP) Program. The HRP Program is designed to reward local governments that approve housing for lower-income households and are in compliance with State housing element law with grant funds to create or rehabilitate parks and/or recreational facilities. Approximately $35 million is available for the 2016 funding round. It is anticipated that this will be the final HRP Program NOFA. The funding from the HRP Program is non-competitive and based upon availability, but the application for funds must be approved by the City Council.

The 2016 NOFA will award HRP Program funds to eligible jurisdictions on a per-bedroom basis for each residential unit affordable to very low-income and low-income households permitted, substantially rehabilitated, converted and/or preserved during the designated time period of January 1, 2010 to December 31, 2016. In the City of El Cerrito, Ohlone Gardens, located at 6431-6495 Portola Drive, and Creekside Apartments, located at the southeastern corner of El Cerrito Plaza, both have units that qualify under the Program. Ohlone Gardens is eligible based on the development’s 56 very low-income units and Creekside Walk is eligible based on the 6 low-income units.

The Fairmont Park Improvements Project is located at the intersection of Liberty Street and Eureka Avenue, just west of the Ohlone Greenway. The park was identified as an important community project and was advanced as one of four Pilot Projects in the City’s Urban Greening Plan (Adopted December 2015). The project is also located within the San Pablo Avenue Specific Plan’s Midtown district, which is envisioned as a civic and community-oriented zone with two neighborhood-scale commercial nodes at Stockton Avenue and Moezer Avenue and numerous planned and potential residential, commercial and mixed use projects and new investment.
The objective of the Project is to enhance and improve the existing Fairmont neighborhood park to maximize its use while meeting multiple Urban Greening Plan goals, which include: Environmental Stewardship, Community Identity, Active Living/Transportation, Economic Vitality and Urban Livability. The City’s Urban Greening Plan) provided a planning level estimate of approximately $630,000 for the Fairmont Park Improvements Project (Urban Greening Plan, Appendix E). Recently staff updated the cost estimate to $985,000 which includes soft costs, environmental reports, special inspections and contingency.

Due to funding availability, the Fairmont Park Improvements Project will be implemented in at least two phases. Phase I will upgrade approximately 16,000 square feet of park area at the south portion nearest Eureka Avenue. Improvements will be finalized during the design process, but are likely to include a new entry plaza – welcome kiosk, seating, gateway signage, and group exercise area; new path network – accessible paths with emergency and maintenance vehicle access; enhanced gathering spaces – passive and active recreational areas with new site amenities and future art opportunities; improved children’s play area; and improved landscaping and lighting. Proposed Phase II improvements will include a community garden, additional recreational areas, community art installations such as murals, and other park improvements that would enhance and compliment the development of Fairmont Park in accordance with the City’s Urban Greening Plan.

On March 31, 2016, upon recommendation of the Park and Recreation Commission, the City submitted a project application to the East Bay Regional Park District (EBRPD) Measure WW Local Grant Program; $360,000 for Fairmont Park Improvements, Phase I. A request for proposals for the Design of the Fairmont Park Improvements Project, Phase I was released on January 6, 2017 and interviews are currently being conducted. During the regular meeting of the Park and Recreation Commission on January 25, 2017, the Commission made a recommendation to the City Council that the City apply for eligible funds from the California Department of Housing and Community Development’s HRP Program and dedicate the entire award to the Fairmont Park Improvements Project. City staff will work with the selected design consultant to expand the scope of Phase 1 improvements to reflect this additional funding. The design of the Project is expected to be complete by summer 2017. Bidding is scheduled for fall 2017 and construction is anticipated to begin by spring, 2018.

**Strategic Plan Considerations**

The Project will meet several Strategic Plan Goals including: Goal A: To deliver exemplary government services, by working with the community through the design process and develop and strengthen relationships with public partners, residents and community groups; Goal B: To achieve long-term financial sustainability by pursuing opportunities for new funding, including outside grants; Goal C: To deepen a sense of place and community identity Goal E: To rehabilitate public facilities by addressing long deferred maintenance.
FINANCIAL CONSIDERATIONS
The state funds from the California Department of Housing and Community Development's HRP Program will be in the amount not to exceed $230,000.00 and will augment funds already identified for the project through Measure WW. There are no matching funds or City funds required as a part of the action requested.

LEGAL CONSIDERATIONS
The City Attorney has reviewed the proposed action and there are no legal issues.

From:        Mark Soltes, Building Official
              Margaret Kavanaugh-Lynch, Development Services Manager
Subject:     Amend West Coast Code Consultants Agreement

ACTION REQUESTED
Adopt a resolution authorizing the City Manager to amend the Professional Services Agreement between the City of El Cerrito and West Coast Code Consultants (WC-3) in an amount not to exceed $75,000 bringing the total contract to an amount not to exceed $100,000 and to extend the term of the Agreement through December 31, 2017.

BACKGROUND
WC-3 is currently providing building related services, including plan review and supplementary inspection services to the Community Development Department, under a not to exceed $25,000 contract. Pursuant to Administrative Policy/Procedure IIIA, (Procurement including Professional Services Contracts) contracts up to $25,000 may be authorized by the City Manager. The same Policy/Procedure stipulates that purchases made from a single vendor (either individually or collectively within one fiscal year) over $25,000 require City Council approval.

ANALYSIS
There is an unanticipated overlap in mid-rise construction projects currently underway in the City. The original construction schedule estimated for Creekside Walk, the 128-unit residential complex at El Cerrito Plaza noted that the project was to be completed by December of 2016. Due to a number of factors common in the construction industry, the revised estimates are now setting a late spring completion date. Hana Gardens, the 63-unit affordable housing project, is now also underway with an estimated construction duration of approximately sixteen months. In addition to the active construction projects, a number of complex plan reviews are anticipated in the next twelve months as new projects within the Specific Plan area complete their entitlement processes. In order to continue to deliver an exemplary level of government services, temporary assistance of a Building Program staff is needed. City staff has had a positive experience working with West Coast Code Consultants (WC-3) and has verified that they have an experienced temporary staff ready to assist the City. The purpose of this Agenda Bill is to move swiftly to bring the needed staff in as soon as possible. Additionally, looking ahead, as the San Pablo Avenue Specific Plan continues to generate new development projects in the Plan Area of the City, staff has foreseen the need to establish an on-call list for Building Program services, similar to the list already established for Planning Program services and Engineering services. The purpose of this list will be to ensure that Building Program is adequately staffed for the anticipated
near-term increase in building activity. The Requests for Proposals for Building Program services (RFP) is currently circulating. A recommendation for awarding on-call contracts will be brought to City Council in mid spring for consideration.

**STRATEGIC PLAN CONSIDERATIONS**
The proposed action supports the City’s Goal A to deliver exemplary government services by assuring effective and efficient delivery of services and excellent customer service.

**ENVIRONMENTAL CONSIDERATIONS**
None

**FINANCIAL CONSIDERATIONS**
Funding for the $75,000 agreement will be partially covered by the $68,398 inspection fees provided by Eden Housing, Inc. and the remainder by other miscellaneous inspection fees. No new budget adjustments are required.

**LEGAL CONSIDERATIONS**
The City Attorney has reviewed the proposed action and there are no legal issues.
