7:00 p.m.  ROLL CALL
Councilmembers Fadelli, Lyman, Pardue-Okimoto, Quinto and Mayor Abelson all present.

CONVENE REGULAR CITY COUNCIL MEETING
Mayor Abelson convened the regular City Council meeting at 7:00 p.m.

1.  PLEDGE OF ALLEGIANCE TO THE FLAG OR OBSERVATION OF
MOMENT OF SILENCE  was led by Councilmember Rochelle Pardue-Okimoto.

2.  COUNCIL / STAFF COMMUNICATIONS
Councilmember Pardue-Okimoto reminded all that October is Arts Month in El Cerrito and announced all of the cultural programs and celebrations that will occur during the month. Councilmember Pardue-Okimoto also provided an update regarding the “Keep Alta Bates Open Subcommittee” that she serves on. Senate Bill 687 (Skinner) passed both the House and Senate and is awaiting Governor Brown’s signature. The legislation would make it more difficult for an emergency room in an acute care hospital to be closed by requiring the California Attorney General to approve the closure. The Subcommittee is also looking at a health impact assessment which is looking at how the closure of Alta Bates would affect Berkeley and the surrounding areas, including West Contra Costa County. The Berkeley Fire Department (BFD) reported that Summit Hospital is the second busiest hospital in Alameda County and has estimated that it would take an additional twelve minutes to get to or from Summit Hospital and that there would be longer wait times at the hospital. This would cost the City of Berkeley a lot of extra money due to extended wait periods for BFD staff. Councilmember Pardue-Okimoto stated that it is likely
that this would also translate into longer wait periods and impacts transporting patients for El Cerrito Fire Department staff and that she is hoping to have a community forum in West Contra Costa County to ascertain how the community feels about closure of Alta Bates Hospital.

**Mayor Pro Tem Quinto** reported on his attendance with Mayor Abelson, the City Council and Bay Area Rapid Transit (BART) Directors Saltzman and Simon at the groundbreaking for the El Cerrito Del Norte BART Station Modernization project and said he is looking forward to a better, safer and more modern BART station in 2019. Mayor Pro Tem Quinto also stated that he attended the September League of California Cities East Bay Division meeting with Mayor Abelson on implicit bias training and thanked the 500 block Norvell Street neighbors for inviting him to their block party. Mayor Pro Tem Quinto said that unfortunately a senior was injured after the block party and expressed sincere wishes for a speedy recovery. He also expressed pride in the City’s public safety team who arrived on scene in less than five minutes.

**Councilmember Lyman** stated that he attended the Rotary Club’s Sip N Savor event with other Councilmembers. It was a great event which raised funds for great causes. Councilmember Lyman called special attention to the proper disposal of household hazardous waste which will occur on Tuesdays at the El Cerrito Recycling Center. More information is contained in the City’s News and Views Newsletter.

Councilmember Fadelli said he was pleased to join members of the Council at the BART groundbreaking and at the West Contra Costa Unified School District Superintendent’s annual report and breakfast. As Council Liaison to the Economic Development Committee, Councilmember Fadelli reminded all that October 16th begins Restaurant Week in El Cerrito and encouraged all to participate. Councilmember Fadelli also attended a recent Stege Sanitary District Board Meeting regarding sewer expansion needs along San Pablo Avenue which are critical for future economic growth in the City.

**Mayor Abelson** reported that she attended the first weekend of the Contra Costa Theatre’s production, “Cabaret.” It is nice to live in a city with a diversity of theatrical and film offerings. Mayor Abelson also attended senior programs at the Senior Center on fall prevention which includes exercises on how to prepare one’s body for a fall to lessen injuries. Mayor Abelson also attended the Institute for Local Government’s training workshop, “Building Trust in Local Governments: Community Engagement, Implicit Bias and Procedural Justice.” The training would be of benefit to all elected officials and staff. At the last West Contra Costa Transportation Advisory Committee meeting, the Board authorized funds for the Del Norte BART Station modernization project. It takes many funding sources and a lot of work to put together a project. The modernization project will improve lives. For example, the elevators and elevator access will be improved and will be safer. Crowding will also be reduced. It is a fantastic project. Mayor Abelson also attended the September West County Mayors Association meeting and received a presentation from the Pacific Gas and Electric (PG&E) Public Affairs team on services and resources for local government, including public works coordination.

3. **ORAL COMMUNICATIONS FROM THE PUBLIC**

Melanie Proctor, El Cerrito, stated that she was happy to hear that Mayor Abelson and Mayor Pro Tem Quinto attended implicit bias training, noted its importance, and
suggested that it be incorporated into annual training for government employees. Ms. Proctor said she was concerned about the 6500 Stockton Avenue item on the City Council’s closed session agenda, expressed concerns about the overcrowding of Fairmont School and stated that she hopes the city will work to find alternative space for senior programs.

Al Miller, El Cerrito, thanked the Centennial Planning Committee for their work on the outstanding Centennial Parade. Friends and staff of the Library walked together during the parade. The Centennial Parade differed from the Martin Luther King, Jr. parade in that it marched through the community which was great. Mr. Miller also reminded all that the El Cerrito Senior Resources Fair is tomorrow from 9 a.m. to 1 p.m. at the Community Center.

Mike Cunningham, El Cerrito, stated in regard to the 6500 Stockton Avenue item on the closed session agenda, that there is no known negotiation that the West Contra Costa Unified School District is aware of. Mr. Cunningham said severe overcrowding at Fairmount School is directly impacting students in a negative way. The School District has no intention of selling the property. Mr. Cunningham also expressed concerns that there have been no community conversations about how to prepare for a move and accommodate senior programs.

4. **ADOPTION OF THE CONSENT CALENDAR – Item No. 4(A) through 4(F)**

Moved, seconded (Lyman/Quinto) and carried unanimously to approve Consent Calendar Item Nos. 4(B) through 4(F) as indicated below. Item No. 4(A) was removed from the Consent Calendar at the request of Councilmember Pardue-Okimoto for the purpose of making a typographical correction to the minutes.

Presenter: Sean Moss, Senior Planner and Margaret Kavanaugh-Lynch, Development Services Manager.

Speakers: Delfina Lin-Sau Fung, El Cerrito, emphasized that under federal law, marijuana is still illegal to sell, cultivate and use marijuana. Ms. Fung referenced a petition submitted by individuals opposed to marijuana in the city and stated that under California Proposition 64 the City Council has the power to authorize deliveries rather than allowing dispensary storefronts and outlined suggested clarifications and changes to the ordinance.

Chris Jasinski, Oakland, identified himself as a privacy advocate, expressed concerns about the video surveillance provision in the proposed ordinance and encouraged drafters of the ordinance to think about the broader implications of the constant surveillance requirements and invasiveness across the industry and other municipalities.

Jeff Ghidella, Zenia, advocated for the addition of licensed delivery services along with brick and mortar cannabis businesses in El Cerrito.

Chris Gray, Fremont, commended staff on their work and suggested improvements such as altering business hours to close at 10:00 p.m.; allow the City Council to select the location; and allow for a cash transaction.

Karl Mulligan, El Cerrito, expressed concerns about staff responsiveness, and stated the ordinance is dystopian. Mr. Mulligan stated that it is his belief that staff has ignored public input.

Howdy Goudey, El Cerrito, stated that the City needs to be clear about its expectations with the ordinance and that it should not be left to a closed administrative process. Expanding delivery in a responsible way may minimize impacts.
Arya Campbell, El Sobrante, Secretary of National Organization for the Reform of Marijuana Laws (NORML) expressed support for the proposed ordinance with a small amount of tweaking and noted that some additional suggestions may be submitted from other supporters by email. Ms. Campbell urged onsite consumption and said the people of El Cerrito are ready to move forward and reap the benefits of legal, regulated cannabis.

Skyler Turtle, Kensington, asked the City Council to think about providing opportunities for the people that live in the community but don’t have investors and advocated for small-time operators will be more likely to listen and be responsive to the community.

RESOLUTION 2017-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO SUPPORTING THE PROHIBITION OF INDUSTRIAL CLEARCUTTING IN CALIFORNIA FORESTS

WHEREAS, our forests provide 75% of California's clean water supply by capturing snow, rain and fog and then storing, filtering, and gradually releasing water throughout the year; and this process increases humidity and rainfall, cools temperatures, and helps protect us from extreme weather; and

WHEREAS, our forests continuously remove carbon dioxide from the air and store it in trees, roots, and forest soil, and this natural process is significant in the fight to reverse the climate crisis; with intact forests absorbing up to 30% \(^1\) of human caused carbon dioxide releases; and, conversely deforestation causing 15% \(^2\) of all greenhouse gas emissions, and

WHEREAS, our forests provide other essential environmental services as they release oxygen, prevent flooding and siltation, and support a wide diversity of plant and wildlife; and

WHEREAS The forests of California generate tremendous social, cultural and economic value from recreation, tourism, sport and commercial fishing, and wood products; and

WHEREAS, the widespread industrial logging method called clearcutting commonly involves the removal of virtually all trees and vegetation on large tracts, that are then cultivated with crop-like plantations of even-aged trees of limited species (usually only one species), with the repeated broad application of toxic herbicides used to prevent other tree and plant species from growing; and

WHEREAS, clearcutting destroys many benefits of forests as it contaminates our water supply with herbicides and sediment, greatly increases greenhouse gas emissions for many decades, and promotes drought, catastrophic wildfires, soil erosion, landslides, pest invasion, and other tree diseases; and

WHEREAS, within the counties of Santa Clara, Santa Cruz, San Mateo, San Francisco, and Marin, and in most public forests, the outmoded practice of clearcutting is prohibited; and

WHEREAS, selective logging and modern forest management methods that promote fire-resilient, productive forests with trees of multiple ages and species can produce a sustainable supply of wood and forest products, and stable long term jobs.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that it hereby calls on the state legislature and Governor of California to prohibit the

practice of industrial clearcutting in the forests of California and require forest management methods that maximize carbon sequestration and forest health.

BE IT FURTHER RESOLVED that copies of the resolution are sent to Governor Jerry Brown, State Senator Jerry Hill, and Assemblymember Kevin Mullin.

To improve water security, reduce forest fire risk and fight climate change, California must ban clearcutting on state and private lands.

CALIFORNIA’S FORESTS ARE IN CRISIS

Catastrophic drought and bark beetle infestations are decimating California forests. Industrial logging harms forests further by clearcutting instead of using selective harvesting.

Since 1999 more than 1 million acres of private forests have been clearcut in California.

What is clearcutting?

Clearcut logging removes profitable trees and bulldozes remaining small trees and plants. Debris is usually piled and burned. Herbicides are applied to prevent native plants from returning. Conifer seedlings are planted to create even-aged plantations.

Clearcutting makes it harder to fight drought and climate change. Clearcut sites capture and retain less water and increase erosion. Most of the carbon stored in forest trees and soil is released through clearcutting. Even after replanting clearcut forestlands, decades pass before the site stores more than carbon than it emits.

For more information, see StopClearcuttingCA.org, Sierraclub.org/clearcutting, Facebook.com/StopClearcuttingCA or contact forests@lomaprieta.sierraclub.org.
IT'S TIME TO BAN CLEARCUTTING IN CALIFORNIA.

CLEARCUTTING THREATENS CALIFORNIA'S WATER AND CLIMATE SECURITY

HEALTHY RESILIENT FORESTS:
- Include a diverse mix of trees and native vegetation of various ages and sizes.
- Are better able to survive a disturbance such as fire and changes in climate and rainfall.
- Build soils that retain moisture, carbon, and nutrients.
- Guarantee that watersheds capture, filter, and slowly release water and snowmelt.
- Remove carbon dioxide from the air and store it in trees as well as soil.

CLEARCUT PLANTATIONS:
- Feature trees of the same age with generally only one or two species of trees.
- Face increased vulnerability to fire and insect infestation.
- Have degraded soils that contain less water, carbon, and nutrients.
- Emit carbon for 20-40 years after a clearcutting operation.
- Impair water quality through erosion and heavy herbicide use.
- Capture and retain less water than do healthy forests.

Can forests be logged without destroying them?
Selective logging provides for the removal of a portion of the trees with minimum of disruption to the soil and the forest, and is already used in some California forests where profits are balanced with environmental protection.

4.3 Definitions
A. Part-time Employees. Part-time Employees are defined as any employees who are regularly scheduled to work less 37.5 hours per week. These classifications shall be paid an hourly wage for hours worked.

Part-time employees shall receive benefits as specified in Article XIX of this Memorandum of Understanding.

B. Temporary/Seasonal Employees. Temporary/Seasonal Employees are not part of the bargaining unit represented by SEIU Local 1021.

If a Temporary/Seasonal Employee works for the City for 365 consecutive days without a break in service they will be eligible to become part-time employees and will receive all the benefits associated with being a part-time employee.

C. Probationary Period. The probationary period for original and promotional appointments shall be twelve (12) months for full and part-time employees. The probationary period for promotional appointments for all bargaining unit classifications shall be six (6) months.
The probationary period is regarded as part of the testing process and is utilized to evaluate closely the employee's work performance. An employee may be rejected without cause during this period. Upon satisfactory completion of the 12-month probationary period, the department manager shall recommend that eligible employees advance to regular permanent status.

4.4 Union Representatives
The Union may appoint a steward from each work area, as follows: recreation & childcare, senior services, integrated waste management, corporation yard, City Hall and a steward from the custodian class series. In addition, an alternate steward in each division may be designated. The Union shall provide to the City a current list of stewards, regularly updated.

If an aggrieved employee desires the assistance of a steward as provided in the grievance procedure, the City shall afford said steward reasonable time off during working hours without loss of compensation or other benefits to investigate and take up such grievance. The grievant or the grievant's steward shall obtain specific approval of the division manager or, in the division manager's absence, another authorized City management official before the steward leaves his or her duties, work situation or assignment for the purpose of investigating and processing a grievance.

4.5 Union Access to Work Locations
Union representatives may visit work locations where bargaining unit members are performing work; provided, however, they shall not interfere with the normal conduct of work or duties of the employees. The Union representative shall contact the Human Resource Manager or his/her designee prior to visiting the employees work location or contacting any represented employees to ensure the visit will not impact the operations of the City. If the visit will impact operations, the City and the Union shall mutually agree to an alternative acceptable date and time.

4.65 Union and Management Meeting
Stewards shall be allowed one hour a month without loss of compensation or other benefits for the express purpose of meeting together to conduct the business of the Union in relationship to its responsibilities for effective labor relations with the City. The Stewards will notify the City prior to the monthly meeting if they need to meet with City management representatives to discuss items of mutual concern. The City will schedule a meeting within one week of the Union’s request.

4.76 Dues Deductions
The City shall deduct regular monthly Union membership dues bi-weekly for Union members who have signed an authorization card furnished by Local 1021 and approved by the City. Said deductions shall be forwarded promptly to the Union office. The employees' earnings must be regularly sufficient to cover the amount of the appropriate Union dues after other legal and required deductions are made. When a member in good standing with the Union is in a non-pay status for an entire pay period, no withholding
will be made to cover that pay period from future earnings, nor will the member deposit the amount with the employer which would have been withheld if the member had been in a pay status during that period. In the case of an employee who is in a non-pay status during only part of a pay period and the salary is not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Union dues. The Union shall indemnify, defend and hold harmless the City against any claims made against and any suit instituted against the City on account of said deductions. Dues deductions shall be made only for Service Employees International Union Local 1021 so long as Service Employees International Union Local 1021 is the sole and exclusive bargaining representative.

4.87 Revocation of Union Membership
It is understood that an employee may not revoke his or her authorization for regular monthly Union membership dues deductions except during a period no less than 60 days nor more than 90 days preceding the expiration date of this agreement.

It is understood further that, if an employee does not revoke his or her authorization for membership dues deductions during the time period specified above, said dues shall be deducted from the employee's earnings for the remaining portion of the year without right of further revocation, except in the event of employee's death or termination from the City service, as long as Service Employees International Union Local 1021 is the sole and exclusive bargaining representative.

4.98 Union Security – Agency Shop
A. Positions subject to Agency Shop
The provisions contained herein shall apply to all employees subject to this Memorandum of Understanding.

B Union Dues Deduction
Except as provided otherwise in this Section, all bargaining unit members shall become and remain members of Local 1021 (hereinafter referred to as “Union”) or shall pay to the Union a service fee in lieu thereof. The City shall deduct union dues bi-weekly from the salary or wages of bargaining unit member who has executed a written authorization for the deduction of union dues. For those bargaining unit members who have not executed a written authorization for the deduction of union dues, the City shall deduct a service fee bi-weekly from the salary of those bargaining unit members.

C. Service Fee
The Union understands and acknowledges that the mandatory payment of a service fee is subject to certain State and Federal constitutional requirements. The Union shall maintain a plan, which satisfies these constitutional requirements. The Union shall update and modify this plan as required by subsequent court decisions and legislative enactments. The plan will include the following elements:

1. Before a fee is deducted from a City employee’s paycheck, each bargaining unit member shall be provided information showing the major categories of Union
expenses, those expenses related to its duty as the exclusive recognized employee organization, the amount of the “fair share” service fee, the method by which the service fee was calculated and verification by an independent auditor on an annual basis.

2. The Union will use its best efforts to insure that a hearing to challenge the service fee filed by any bargaining unit member who is subject to the payment of that fee will be conducted within four months after the date the bargaining unit member notifies the Union of a challenge.

3. Bargaining unit member challenges to the service fee shall be heard by an impartial decision maker selected by an independent third party such as the State Conciliation Service or the American Arbitration Association.

4. During the pendency of a challenge, the City shall continue to deduct the service fee but will retain the fee and will not submit it to the Union. Upon final adjudication of the challenge, the City shall distribute the retained service fee in accordance with the decision by the impartial decision maker.

25. The City shall not be a party to any dispute between the bargaining unit member and the Union regarding the amount of the service fee, nor shall the City participate in the resolution of the fee amount before the independent third party. The City’s sole role in any dispute concerning the amount of the service fee shall be to continue to deduct the service fee, retain the fee pending resolution of the dispute between the Union and the bargaining unit member, and distribute the fee in accordance with the decision of the impartial decision maker.

D. Religious Exemption

1. Any bargaining unit member of the City subject to this Agency Shop requirement, who is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting a public employee organization shall, upon presentation of verification of active membership in such religion, body or sect, be permitted to make a charitable contribution equal to the service fee in lieu of the payment of dues or a service fee to the Union. Pursuant to this provision, charitable contributions may be made to the American Cancer Society, the American Heart Association or Sickle Cell Anemia Research and Education, Inc. (SCARE).

2. The City shall submit to the Union declarations of religious exemption filed by bargaining unit members. The Union shall have fifteen (15) days from receipt of this information to challenge the claimed exemption. Such challenge shall be heard by an impartial decision maker selected by an independent third party such as the State Conciliation Service or the American Arbitration Association.

3. If the claim of religious exemption is challenged by the Union, the City shall commence deductions of the contribution from the bargaining unit member’s
salary. The City will retain the amounts deducted until final adjudication of the Union challenge.

4. The City shall not be a party to any challenge by the Union regarding the claim of religious exemption filed by the bargaining unit member, nor shall the City participate in the resolution of this issue before the independent third party. The City’s sole role in any dispute concerning a challenge to a claim of religious exemption shall be to deduct the service fee, retain the fee pending resolution of the dispute between the Union and the bargaining unit member, and distribute the fee in accordance with the decision of the impartial decision maker.

E. Implementation for New Hires

1. Any new employee hired by the City who is subject to the Agency Shop requirement shall be provided with a notice advising that employee that the City has entered into an Agency shop requirement with the Union and the employee must either join the Union, pay a service fee to the Union, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a copy of the plan concerning the service fee prepared by the Union in conformance with Paragraph C above. The notice also shall include a form for the employee’s signature authorizing a payroll deduction of union dues or a service fee or a charitable contribution equal to the service fee. Said employee shall have five (5) working days following the initial date of employment to fully execute the authorization form and return it to the Human Resources. If the authorization is not properly completed, or not returned to the Human Resources within five (5) days, the City shall commence and continue a payroll deduction of service fees from the salary or wages of such employee. The City shall commence the deduction of union dues, service fees or charitable contributions beginning with the employee’s second biweekly pay period on the month following the employee’s date of hire.

2. Payroll deductions for union dues, service fees and charitable contributions shall be done biweekly. Initiation fees shall be deducted in up to four equal installments once each month, from the second biweekly pay check.

3. The employee’s earnings must be sufficient after legal and required deductions are made to cover the amount of the dues or service fee. When an employee is in a non-pay status for an entire pay period, no withholding shall be made to cover such pay period from future earnings. If the employee is on non-pay status for only part of the pay period, and the employee’s salary is not sufficient to cover the full withholding, no deductions shall be made. For purposes of this paragraph, all legal and required deductions, including health care deductions, have priority over union dues and service fees.

4. The City shall provide notice to the Union of hiring a new bargaining unit employee subject to the agency shop provision within 30 days of hire.
5. New Employee Orientation
   • The City will provide the SEIU Steward with 10 days advance notice of any new employee orientation, as defined in AB 119.
   • The City will provide the Union with an electronic notification in malleable electronic format, the new employee(s) name, job title, department, work location, work number, home number, cellular number(s); personal email address and home address of any new employee on file with the employer within 30 days of hire or the first pay period of the month following hire.
   • The City will provide the SEIU Steward with up to 30 minutes of paid release time to meet with the new employee.
   • The new employee will be provided up to 30 minutes of paid time to meet with the SEIU Steward.
   • SEIU shall have the right to access and use the employer’s facilities to meet with the new employee in accordance with Section 4.5 of the MOU.

F. Payroll deductions and Payments to the Union
   1. The City shall not be required to modify the amounts deducted from employee paychecks for union dues or service fees more than once each calendar year. The Union shall provide the City with at least ninety (90) days’ notice of any change in the dues or service fee amount.

   2. The City shall promptly pay over to the Union all sums deducted from employee paychecks for union dues or service fees except for such funds retained by the City pending the resolution of challenges to the service fee. The City shall periodically provide the Union a list of all city employees subject to this Agency Shop requirement who are making charitable contributions pursuant to Paragraph D above.

G. Programming Costs
   The Union shall reimburse the City for all reasonable expenses incurred by the City in implementing changes to the amount of the union dues or service fees deducted by the City.

H. Hold Harmless
   The Union shall indemnify and hold the City and its officers, agents and employees harmless from any and all claims, suits, or any other action arising from the Agency Shop provisions contained herein. In no event shall the City be required to pay from its own funds Union dues, service fees or charitable contributions which the employee was obligated to pay but failed to pay, regardless of the reasons. In the event of a claim, demand, suit or other action against the City, the Union agrees that the City may retain the legal counsel of the City’s choice and that the Union shall pay all reasonable attorney fees, costs and expenses incurred by the City in the City’s defense of the claim, demand suit or action.
4.109 Bulletin Boards
The Union has purchased and installed bulletin boards at the following work areas:

- Recycling Center
- Corporation Yard
- City Hall
- Community Center
- Senior Center

The location of bulletin boards is subject to space limitations and placement at a non-public location approved by the Manager in charge of the location. The Union may use these bulletin boards under the following conditions:

1. All material must be dated and must identify the organization that published it.

2. The Union will do posting. Material shall be removed after the material is no longer relevant to the time or date of issue. Material shall be removed by Union personnel whenever practical.

3. The City, with notice to the Union, has the right to move and to determine where bulletin boards shall be placed.

4. Material, which the City considers objectionable, shall be brought to the attention of the Union representative. Material that is offensive, unprofessional, disrespectful or inappropriate to the mission or values of the City shall be removed from the bulletin board immediately. This requirement shall not infringe in any way upon the Union’s rights to organize or to conduct legitimate Union business.

4.1140 Benefits Included in Memorandum of Understanding
All benefits resultant from the meet and confer process are included in this Memorandum of Understanding.

4.1244 Procedure for Meet and Confer
The Union negotiation team may include a representative from recreation and child care, senior services, integrated waste management, corporation yard, city hall, and a representative from the custodian class series. Team members are entitled to a reasonable amount of paid work time to prepare for and participate in meet and confer sessions. They must be responsible to notify their supervisors in advance of meetings so that coverage may be arranged, if necessary.

Both the City and Union shall notify each other in writing in advance as to the members of their respective negotiation teams.

ARTICLE V
Management

5.1 Management Rights
The City management retains all traditional rights and responsibilities for the operation of the City, as defined in existing federal, state and El Cerrito Municipal Code laws.

5.2 Beneficial Practices
The City agrees that as a result of signing this agreement, rules and regulations or practices affecting employees beneficially will not be changed unless consistent with applicable public law.

ARTICLE VI
Union/Management Advisory Team (UMAT)

6.1 Formation
The parties agree to form a Union/Management Advisory Team (UMAT) to meet and develop policies and procedures concerning departmental matters, which may be referred to the team by the City or the Union.

6.2 Composition and Meeting Schedule
The work of the UMAT is to be carried out on a continuing schedule. Meetings will occur as agreed between the parties.

The team will be composed of a steward from each work location:

- Recreation & Childcare
- Senior Services
- Integrated Waste Management
- Corporation Yard
- City Hall
- A representative from the Custodian class series

Division managers and/or their delegates, if assigned, will represent management. The Department managers, the Human Resources – Employee Services Manager and Union Field Representatives also may attend as resources to the team.

Division representatives also may meet as a UMAT to discuss matters that are limited to that division; UMAT meetings need not be department-wide. Representation shall be by mutual agreement of the parties.

6.3 Utilization
The UMAT is not a decision-making body and its recommendations are not binding, nor does the UMAT replace other existing processes such as the grievance procedure or meet and confer.

A. The UMAT may advise management in matters of departmental operations and management.
B. The UMAT may develop processes to ensure involvement and participation of appropriate departmental personnel.

C. The UMAT may be utilized to coordinate and refine agreements reached by both the City and the Union during the meet and confer process.

D. The UMAT may review grievances if specifically requested by the Department Manager or Union representatives.

6.4 Reporting
Only issues that are mutually agreed to shall be reported out of the UMAT.

ARTICLE VII
Benefits Plan

7.1 Flexible Benefits Plan
A. The City has a Flexible Benefits Plan. With the exception of those employees who choose the "no medical plan" option (See C), the City will contribute an amount equivalent to the lesser cost (Kaiser HMO) medical plan rate, according to dependent status, regardless of which medical plan is chosen. "According to dependent status" means that if an employee is single he or she shall receive the equivalent to the single premium in his or her flexible spending account. If an employee and a dependent are enrolled in a City medical plan, the employee shall receive the two-party premium in his or her flexible spending account. If an employee and more than one dependent are enrolled in a City medical plan, the employee shall receive the family premium in his or her flexible spending account.

B. Employees may select one of the following medical plans within their Flexible Benefits Plans:
   - Kaiser (S)
   - Alternative HMO
   - PPO

Those employees selecting an option whose premium exceeds the City’s contribution are responsible for the difference.

C. In the event that an employee has alternate comprehensive group medical coverage through a spouse’s medical plan or some other group medical plan, the employee may select a "no medical plan" option. (Proof of alternate coverage is required.) In this event, the City shall provide the employee only City contribution which may be received in cash, in which case the amount is treated as taxable income, or the employee may reallocate it toward the purchase of other benefits in the Plan, or a combination of both.

D. Employees may contribute salary of up to the maximum allowed by law on a pre-tax basis in order to purchase the following benefits:
• Medical premiums, co-payments, and deductibles
• Dental premiums, co-payments, and deductibles
• Unreimbursed medical and dental expenses
• Dependent care
• Voluntary Group Life Insurance (aggregate to $50,000 coverage)

Rules governing the allocation and distribution of such funds shall conform to applicable sections of State and Federal tax codes and the City of El Cerrito’s Flexible Benefits Plan.

The department head shall approve all higher classification pay.

Once an employee meets the above stipulated eligibility periods the employee compensation shall begin the first day of the assignment.

If an employee is temporarily working in a higher classification for a period exceeding twelve consecutive months, the City and the Union shall meet regarding the status of the employee assigned to work in a higher classification.

ARTICLE XX
Termination of Employment/Layoff Procedures

20.1 Resignation
An employee wishing to leave the service of the City in good standing by resignation shall file with the appointing authority a written resignation stating the effective date and reasons for leaving at least two weeks prior to leaving, unless such time limit is waived by the department manager. Failure to do so may be cause for denying future employment with the City.

20.2 Resignation Reappointment
A regular employee who has resigned from the City service in good standing may be considered, upon written request, for reappointment to a position in the same or similar class within one year of such resignation. Reappointment may be made without benefit of additional examination and may take precedence over eligible lists. Appointment otherwise shall be made in the manner as for original employment.

A reappointed employee shall be considered a new employee and shall have no vested interest in nor entitlement to any benefits accrued during any previous employment with the city, except those benefits expressly provided by the Public Employees Retirement System.
20.3 Layoff
Employees may be separated from employment for an indefinite period of time due to lack of work, lack of funds or abolition of position(s). Such action is designated as a layoff and shall entitle the laid off employee to be placed on a reemployment list for his or her position classification. Layoff shall be governed by seniority in classification; that is, an employee being laid off shall be that employee with the lowest seniority in the classification involved. Re-employment from layoffs shall be in the reverse order from which the layoffs occurred.

Any position may be abolished by the City Council. Should such an abolished position be reinstated or any position involving substantially the same duties be created within two years, the laid-off employee shall be entitled to reemployment.

If there is a class of positions of a lower rank and in the same promotional line as the class of positions from which the layoff is made, the City Manager shall demote the employee scheduled for layoff to a position in such lower ranking class. The employee with the lowest seniority occupying such lower ranking class may in turn be laid off. Questions concerning the promotional line for a particular job class will be reviewed and a final decision made by the Human Resources Manager.

If two or more employees in the same classification from which layoff is to be made have the same seniority date, such employees may be laid off on the basis of the last performance evaluation rating in that class, providing that evaluation is no more than twelve (12) months old.

At the direction of the City Manager, an employee subject to layoff may be transferred to an existing vacant position within the City if that position is at substantially the same level as the position from which the employee is being laid off. The employee's salary would be adjusted to the new classification, and the salary step would be the same as in the former classification.

20.4 Layoff - Exempt Personnel
Exempt personnel who were promoted from a nonexempt classification shall have the right to revert to the nonexempt classification held prior to promotion.

20.5 Layoff Procedure
In the event of layoff, departmental seniority shall be first controlling, in inverse order.

Thereafter, an employee may revert to any position or classification previously held by utilization of City service seniority. There shall be no barrier to reverting to a position previously held in another department under this section of the provisions.

If an employee has held no previous position with the City, the employee shall utilize City service seniority and demote to any position or classification within the employee's department for which he or she is qualified. The final decision as to whether an employee is qualified will be made by the Human Resources Manager.
No employee holding a permanent appointment in the class from which layoff is to be made shall be laid off unless all provisional, probationary, part-time or intermittent employees in that class have first been terminated.

Employees with permanent status and employees with probationary status who are laid off shall be placed on appropriate reemployment lists in the order of total cumulative time in City service. Such reemployment lists resultant from layoff shall take precedence over any other reemployment or reinstatement lists and shall be in effect for a period of two years from date of layoff.

20.6 Layoff Notice
Regular employees scheduled for layoff shall be notified in writing by the department manager with the approval of the City Manager at least thirty (30) days prior to the date of layoff.

20.7 Layoff - Sick Leave Benefits
In the event of a layoff, represented employees may elect to receive compensation for one-fourth of the accumulated sick leave on the books at the date of layoff, with a maximum payment equivalent to twenty-five days sick leave pay. Such payment shall result in a loss of all accumulated sick leave for employees reinstated after layoff.

20.8 Layoff Reinstatement
Regular employees who have been laid off shall be entitled to reinstatement to positions in the same classification when such positions are to be refilled during the period of their eligibility on the layoff list. Any employee so reinstated shall retain all benefits accrued in prior service with the City.

ARTICLE XXI
Grievance Procedure

21.1 Definitions
A. Grievance: A grievance may be filed regarding an alleged violation, misinterpretation or misapplication of a specific written provision of Title 3 (Personnel) of the El Cerrito Municipal Code, City personnel rules and regulations, or any written agreement or understanding between the city and an employee organization.

Complaints concerning disciplinary actions are processed through the disciplinary appeals procedures described in Chapter 13 of the City’s Personnel Rules and Regulations. An employee may not utilize both the grievance and disciplinary appeals procedure for a single action or event. The appropriate procedure should be employed.

B. Grievant: A grievant is an employee or group of employees adversely affected by acts or omissions of the employer.

Step 1 - Informal Discussion. An employee who has a problem should try first to settle it through informal discussion with his or her immediate supervisor. The
employee or employee's representative must bring the complaint to the supervisor within ten (10) business days of the occurrence, or such time as the employee could have reasonably been aware of the occurrence. Failure to bring the matter to the supervisor's attention within ten (10) business days will be deemed a waiver by the employee of his or her right to submit a grievance.

The supervisor must respond to the employee (or representative) within ten (10) business days from the date the complaint was submitted.

If an action of the immediate supervisor is being grieved and it is inappropriate for that supervisor to hear the grievance, it may be brought to the appropriate supervisor at the next level.

**Step 2 - Department Head Review.** Within ten (10) business days or thirty (30) calendar days after the employee(s) could have reasonably been aware of the occurrence, whichever occurs earlier, the employee(s) or the Union may submit a written grievance to the department head. If the grievance is not filed within the time frames above the grievance shall be considered invalid. The written grievance will contain the following:

a. Name of the employee(s) impacted

b. A clear statement of the nature of the grievance

c. The specific MOU Section, written agreement between the City and SEIU, City Personnel Rule or Regulation or Title 3 of the City Municipal Code allegedly violated, misinterpreted or misapplied.

d. The specific act or omission which gave rise to this alleged violation, misinterpretation or misapplication.

e. The date or dates on which the violation, misinterpretation or misapplication occurred.

f. What documents, witnesses or other evidence support the employee's position.

g. The date the informal discussion was held on. Who submitted the response and the date of the response (if any).

h. The remedy requested.

i. The signature of the employee(s) or Union representative, if the Union is filing the grievance.

A copy of the grievance will be filed with the personnel officer. The department head may confer with the employee and must respond in writing to the employee
within fifteen (15) calendar days of receipt of the grievance, unless the employee filing the grievance agrees to extend this response period.

If the employee(s) or the Union does not receive a response to the grievance in the stipulate time frame, the employee(s) or Union has the right to advance the grievance to Human Resource Manager or his/her designee.

**Step 3 - Human Resource Manager Review.** If the grievance is not resolved to the satisfaction of the employee the grievance and the department head’s response to the grievance shall be submitted by the employee to the Human Resource Manager for review within ten (10) business days.

The Human Resources Manager or his/her designee may meet with any or all of the parties involved in the grievance and request any additional information or documentation required to render a fair and impartial decision. The Human Resources Manager's decision shall be communicated to the grievant and the department head within fifteen (15) business days of meeting with the employee(s)/Union or the receipt of the grievance and the department head’s response.

**Step 4 - Acceptance of Human Resources Manager Decision or Appeal to Civil Service Commission.** The grievant may accept the Human Resources Manager's decision or appeal it through the personnel officer to the Civil Service Commission within ten (10) business days of its issuance.

**Step 5 - Civil Service Commission Hearing.** In hearing a grievance, the Civil Service Commission will receive and investigate the evidence and will make written findings and a written decision. Hearings of the commission will be informal in nature and, so long as due process is observed, the judicial rules of evidence need not be applied. The Civil Service Commission may be advised by the city attorney or other counsel provided by the city. The chairman of the commission will have full authority at all times to maintain orderly procedure. Civil Service Commission hearings will be public unless appellant is otherwise entitled under law to a private hearing and makes a written request for a private hearing.

**Step 6 - City Council Decision.** The City Council will review the findings and decision of the Civil Service Commission within thirty (30) calendar days of issuance. The City Council will make the final decision regarding the grievance. The decision of the City Council will be final and binding on all parties. The City Council need not hear additional evidence. If, however, the City Council decides to reject or modify the decision of the Civil Service Commission, it will review the entire record of testimony and related evidence. The City Council also may seek whatever additional information it may need to reach a fair decision.

21.2 **General Provisions**
a. Time limits may be extended by mutual consent. The party initially requesting an extension must confirm the extension in writing.

b. An aggrieved employee may be represented by any person or organization of his choice at any stage of these proceedings. This representative is entitled to be present at all meetings and hearings at which the employee is entitled to be present.

c. Failure on the part of the city or grievant to appear in any case before the Civil Service Commission, without good cause, will result in forfeiture of the case and responsibility for payment of all direct costs incurred in providing for the hearing.

d. Notice of time and place set for hearing(s) will be mailed or otherwise promptly furnished to the appellant and his or her designated representative. Such notice shall be addressed to the appellant at his or her last known post office address and sent by registered mail at least five (5) calendar days prior to the hearing.

ARTICLE XXII
Disciplinary Guidelines and Appeal Procedure

The City’s "Disciplinary Guidelines and Appeal Procedure," as contained in Chapter 13 of the "Personnel Rules and Regulations," is incorporated by reference to be a part of this Agreement.

Appeal procedures for part-time employees are specified in Section 19.10.

ARTICLE XXIII
Separability

23.1 Separability
Should any section, clause or provision of this Memorandum of Understanding be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions thereof, and such remaining portions shall remain in full force and effect for the duration of this Memorandum of Understanding.

Upon such invalidation, the parties agree immediately to meet and confer on substitute provisions for such parts or provisions rendered or declared illegal or an unfair labor practice.

AGENDA BILL

Agenda Item No. 7(B)

Date: November 7, 2017
To: El Cerrito City Council
From: Scott Hanin, City Manager
       Sky Woodruff, City Attorney
Subject: Charter City Discussion and Possible Direction

ACTION REQUESTED
Adopt a resolution creating the El Cerrito Charter Committee to prepare a recommended charter for the City and directing the City Manager and City Attorney to work with the Charter Review Committee.

DISCUSSION
Recently, the issue of El Cerrito becoming a Charter City had been brought up both by Council Member Lyman during the Strategic Planning Session and in the City's adopted Affordable Housing Strategy as something that should be considered this fiscal year as part of a long-term funding strategy for the City's many services and facility's needs. The City Council received a presentation about becoming a Charter City in 2011 but decided not to proceed at that time.

Currently in California, there are 361 General Law and 121 Charter cities. In the area, local charter cities include Albany, Emeryville, Berkeley, Richmond, Oakland, Alameda, Piedmont, San Francisco, San Leandro and San Rafael. Common reasons cited for considering a charter include:

- Allows for more options for funding local operations or capital projects (e.g., emergency reserves, affordable housing, library, public safety building, senior center, CalPERS). General law cities split the "Documentary Transfer Tax" with the county (each receives 55¢ for each $500 of the purchase price of real property). Charter cities may adopt—with voter approval—a "Real Property Transfer Tax" at any rate. The revenue is not split with the county.
  - Neighboring charter cities maintain a Real Property Transfer Tax (RPTT) with a median rate of $12 per $1,000 of the purchase price.
  - EC had an RPTT, which was repealed as a general law city
  - RPTT would generate ~ $2-3 million annually
  - Traditionally split between buyer and seller
  - A portion could be rebated for seismic and conservation upgrades
• Providing more flexibility in elections if desired.
• It may provide more local control, particularly on land use issues.

A General Law City has the authority to act locally but its acts must be consistent with: the California Constitution, state statutes and state administrative regulations. A Charter City has the additional authority to adopt laws regarding "municipal affairs" that are inconsistent with state statutes, but the charter must still be consistent with US and California Constitutions and with the charter.

Ultimately, the issue most frequently cited in discussions of whether to become a Charter City is local control over municipal affairs pursuant to the concept of “home rule”:

• The home rule provision in the California Constitution allows cities to adopt a charter and ordinances that replace state laws in areas related to municipal affairs, subject only to the limitations within the charter, the U.S. Constitution, federal laws, the California Constitution, and state laws regarding matters of statewide concern.

• The decision to become a charter city therefore turns on the question of which legislative body should make decisions regarding municipal affairs: The State Legislature or the City Council.

There is no constitutional or statutory list of municipal affairs. The legislature may not determine what is a municipal affair nor transform a municipal affair into a matter of statewide concern. The Courts decide on a case-by-case basis, which results in a concept that is fluid and changes over time. Areas that the courts have said constitute municipal affairs include:

• The form of city government.
• Procedural aspects of resolution and ordinance adoption.
• Local elections, including qualifications for office and public funding of campaigns.
• Some aspects of zoning and land use.
• The process of contracting for public works.
• Scope of authority related to taxes and assessments.
Potentially, the biggest impact for the City would be the revenue associated with the implementation of a Real Property Transfer Tax.

- El Cerrito had a RPTT until 2003 when repealed because of changes in law.
- Rate was set at $7.00 per $1,000 of sale price.
- In FY2003, RPPT generated $1.2m in revenue.
- In FY 2016, RPPT would have brought in approximately $1.7 million.
- If set at $12.00 per $1,000 of sale price, approximately $2.7 million generated.

- General Tax that could be used for operations, reserves or debt service.

Charter Committee

The California Constitution authorizes the voters of a city to adopt a charter. The California Government Code sets forth the procedures for the preparation and adoption of a charter. A city council may, on its own motion, propose a charter to its voters. Pursuant to that authority, the City Council may create a committee to prepare a draft charter to be considered by the City Council. The council may use the draft prepared by the committee as the basis for a charter to be proposed to the City’s voters. In creating a committee to prepare a charter to propose to City voters, the City Council should provide some direction to the committee regarding components that the charter should include. Staff recommends that the Council direct the Charter Committee to draft a charter that generally provides that the City will follow California law in all areas except those stated in the charter; that the City will in particular follow California law regarding the payment of prevailing wages for public works project and collective bargaining with represented employee groups; and that the charter should authorize the City to consider the use of all available tools for generating revenue, including but not limited to a real property transfer tax.

Staff also suggests that the Charter Committee consist of two members of the City Council (Lyman and Fadelli), a member of the Financial Advisory Board, an active participant in the El Cerrito real estate community, a representative of local labor groups, and two members of the public. The members of the public could be residents or owners of businesses in El Cerrito or a combination of the two.

Strategic Plan Considerations

Implementing a City Charter could ultimately provide for more Financial Stability which is one of the primary Strategic Plan goals.
ENVIRONMENTAL CONSIDERATIONS
This proposed action will not result in a project as defined by the California Environmental Quality Act, (CEQA). No further environmental review is needed.

FINANCIAL CONSIDERATIONS
Should the City Council ultimately decide to go forward with a Charter City process, staff estimates that the cost will range between $90,000-$110,000 to cover the cost of data collection surveys, public information and the election itself. The election is the largest unknown as costs will depend on the overall election day ballot costs.

LEGAL CONSIDERATIONS
The City Attorney has reviewed the attached resolution and will participate throughout the proposed process and lead in the development of any documents necessary for the process.

Should El Cerrito Become a Charter City?

El Cerrito City Council
November 7, 2017
Overview

• Authority in General Law City vs. Charter City
• Understanding Home Rule
• Municipal Affairs
• Statewide Concerns
• Benefits and Detriments of Becoming a Charter City
• Real Property Transfer Tax
• Questions and Discussion
• Direction
Authority in General Law vs. Charter City

A General Law City has the authority to act locally but its acts must be consistent with: the California Constitution, state statutes, state administrative regulations.

A Charter City has the additional authority to adopt laws regarding "municipal affairs" that are inconsistent with state statutes. Must still be consistent with US and California Constitutions and with the charter.
Understanding Home Rule

• The home rule provision in the California Constitution allows cities to adopt a charter and ordinances that replace state laws in areas related to municipal affairs, subject only to the limitations within the charter.

• At all times, the City is subject to the U.S. Constitution, federal laws, the California Constitution, and state laws regarding matters of statewide concern.

• The decision to become a charter city relates to what legislative body makes decisions regarding municipal affairs: the State Legislature or the City Council.
What is a “Municipal Affair”?

• Term is undefined
• Legislature may not determine what is a municipal affair nor transform a municipal affair into a matter of statewide concern
• Courts decide on a case-by-case basis
• This concept is fluid and changes over time
Municipal Affairs Regarding Elections

- Conduct of city elections and election procedures
- City council member qualifications
- Criteria for vacating and terminating city offices
- City funding of public officers and candidates’ campaigns
- However, restricted by constitutional reservations of power, such as the right to vote and powers of initiative/referendum
Municipal Affairs Regarding Finance

- Taxes for municipal purposes, e.g. payroll tax on local businesses and occupations, a property transfer tax
- All new taxes (including in charter cities) must be subjected to voter approval, pursuant to the California Constitution
Municipal Affairs: Planning and Land Use

• Some aspects of planning and land use are municipal affairs, so:
  • Zoning need not be consistent with General Plan (allows for faster changes)
  • State limits on the number of annual General Plan amendments don’t apply
  • State rules for specific plans don’t apply

• However, many State laws apply, and the State continues to look at ways to control local land use
Planning & Land Use: Matters of Statewide Concern—Charter Cities Must Comply

- General Plan’s mandatory elements
- Zoning hearing procedures
- Requirements for low and moderate income housing within special zones
- Time limitations
- Standards for approving housing developments
- Density bonuses/zoning restrictions (e.g., parking)
- Permit Streamlining Act
- Interim zoning ordinance limits and procedures
- Subdivision Map Act
- CEQA
Municipal Affair: Public Contracts/Prevailing Wages

- Design-build construction contracts
- Public Contract Code, including bidding:
  - City must expressly exempt itself by ordinance or charter provision
  - Prevailing Wages
- City must pay prevailing wages on federal and state funded-contracts
Municipal Affairs regarding Employment and Compensation

- Appointment, qualifications, compensation and removal of city employees
- Council members’ salaries, expense reimbursements, and benefits
How long is a charter?

• Historically, a charter granted authority (the details of which needed to be listed in the charter) whereas now, a charter grants all authority unless it limits the city’s powers (thus, there is a recent trend towards brevity)

• Similar to the U.S. Constitution, a charter is not a document that is designed to address every issue

• Allows the Council and residents to focus on each particular issue at a time

• Municipal Code would be maintained
Advantages to Chartering

- Could allow additional revenue measure for operations or capital projects (e.g., affordable housing, library, public safety building, senior center, CalPERS)
  - Neighboring charter cities maintain a Real Property Transfer Tax (RPTT)
  - EC had an RPTT until recently - repealed as a general law city
  - RPTT would generate ~ $2-3 million annually
  - Traditionally split between buyer and seller
  - A portion could be rebated for seismic and conservation upgrades

- More flexibility in elections
- May provide more local control
Disadvantages to Chartering

- Transition period
- Legal challenges
- Limited case law
- Charter amendments require vote
- May be divisive in community
- Municipal affairs may erode over time due to state legislation and subsequent judicial review
- Charter cities have not been spared State revenue takeaways
Currently 121 Charter Cities

361 General Law Cities

Local Charter cities include Albany, Emeryville, Berkeley, Richmond, Oakland, Alameda, Piedmont, San Francisco, San Leandro and San Rafael
Real Property Transfer Taxes

- El Cerrito had a RPTT until 2003 when repealed
- Rate was set at $7.00 per $1,000
- In FY2003, RPPT generated $1.2m in revenue
- In FY 2016, would have brought in ~$1.7m
- $12.00 per $1,000 brings in ~$2.7m
- General Tax that could be used for operations, reserves or debt service
- No noticeable impact on home prices

What is a charter?

A city charter is a unique document that, in many ways, acts like a constitution for the city adopting it. It can only be adopted, amended or repealed by a majority vote of a city's voters. The primary advantage of a charter is that it allows greater authority for a city's governance than that provided by state law. For example, a city may tailor its organization and elective offices, taking into account the unique local conditions and needs of the community.

A charter transfers the power to adopt legislation affecting municipal affairs from the state legislature to the city adopting it. A city operating under a charter can acquire full control over its municipal affairs. These affairs are unaffected by the general laws passed by the state legislature on the same subject matters. This, in effect, gives the local voters more control over their local government and the affairs of the city. However, a city operating under a charter is still subject to the general laws, as passed by the state legislature, on affairs that are not municipal in nature, and are of statewide concern (e.g., California Vehicle Code).

It is the scope of the term "municipal affairs" that provides the opportunity for uncertainty. No easy analytical test exists. The threshold issue is whether there is a conflict between state law and a charter city enactment. The next issue is whether the state regulation addressed an issue of "state wide concern." Courts analyze these conflicts on a case-by-case basis.

Foundational aspects of charter cities

What is the Constitutional Framework for Charter Cities?
Article XI, section 3(a) of the California Constitution authorizes the adoption of a city charter and provides such a charter has the force and effect of state law. Article XI, section 5(a), the "home rule" provision, affirmatively grants to charter cities supremacy over "municipal affairs." However, the California Constitution does not define the term "municipal affair."

What are "Municipal Affairs?"
The home rule provision of the California Constitution authorizes a charter city to exercise plenary authority over municipal affairs, free from any constraint imposed by the general law and subject only to constitutional limitations. See Cal. Const. art. XI § 5(a); Ex Parte Braun, 141 Cal. 204, 209 (1903); Bishop v. City of San Jose, 1 Cal. 3d 56, 61 (1969); Comm. of Seven Thousand v. Super. Ct. (City of Irvine), 45 Cal.3d 491 (1988).

How Do the Courts Distinguish Between Municipal and Statewide Concerns?
Whether a given activity is a municipal affair over which a city has sovereignty, or a statewide concern, over which the legislature has authority, is a legal determination for the courts to resolve. Thus, the determination of whether a given activity is a municipal affair or statewide concern is done on a case-by-case basis. The court's determination will depend on the particular facts and circumstances of each case. See In Re Hubbard, 62 Cal. 2d 119, 128 (1964). Keep in mind that the concept of "municipal affairs" is a fluid
one that changes over time as local issues become statewide concerns. See Issac v. City of Los Angeles, 66 Cal. App. 4th 586 (1998).

What Activities Have the Courts Classified As Municipal Affairs?
There are some areas that the courts have consistently classified as municipal affairs. Examples include the following:

- Procedures for Adopting Ordinances. See Brougher v. Board of Public Works, 205 Cal. 426 (1928).
- Compensation of City Officers and Employees. Cal. Const. art. XI, § 5(b); See Sonoma County Organization of Public Employees v. County of Sonoma, 23 Cal. 3d 296 (1979); but see San Leandro Police Officers Association v. City of San Leandro, 55 Cal. App. 3d 553 (1976) (labor relations is not a municipal affair; Charter cities are subject to the Meyers-Milias Brown Act. Cal. Gov’t Code § 3500.
- Term Limits for Council Members. See Cawdrey v. City of Redondo Beach, 15 Cal. App. 4th 1212 (1993); but see Cal. Gov’t Code § 36502(b) (regulating term limits).

What Activities Have the Courts Classified as Statewide Concerns?
The following have consistently been classified by the courts as matters of statewide concern:

Agenda Item No. 7(B)  
Attachment 3 – Charter Overview

**Process used to adopt a charter**

There are two ways to draft and adopt a city charter. The first is to elect a charter commission. The commission then has the responsibility of debating over the provisions and the drafting of the charter. The other alternative allows the governing board of the city, on its own motion, to draft the charter. In either case, the charter is not adopted by the city until it is ratified by a majority vote of the city's voters.

When using the charter commission approach, the first step is to elect the commission. The vote to elect a charter commission is called for by either a majority vote of the city's governing body or by a petition signed by not less than fifteen percent of the registered voters within the city. If the formation of a charter commission is requested by a petition, the authority in charge of the city's registration records must verify the signatures on the petition. The expense of this verification must be paid for by the city's governing board. If the petition is verified, the city's governing board must call for an election in accordance with sections 1000 and 10403 of the California Elections Code. See Cal. Gov't Code section 34452.

Once it has been decided that a charter commission election will take place, candidates for commissioners must be nominated. Candidates for the office of charter commissioner are nominated either in the same manner as officers of the city or by petition. A candidate for charter commissioner must be a registered voter of the city. After the election of commissioners, any vacancy on the commission will be filled by a mayoral appointment. See Cal. Gov't Code section 34452.

At an election for charter commission members, the voters will vote first on the following question: "Shall a charter commission be elected to propose a new charter?" After voting on this question, the voters will then vote for the charter commission candidates. If a majority of the voters vote for the formation of a charter commission, then the top fifteen candidates for the office of charter commissioner will be organized as the city's charter commission. No commission will be formed if a majority of voters vote against the election of a charter commission. See Cal. Gov't Code section 34453.

Once formed, the charter commission will have the responsibility of developing the city's charter. After a simple majority of commissioners have decided that the proposed charter is appropriate, they file the charter with the city's clerk in preparation for a vote by

Source: League of California Cities
the city's electorate. See Cal. Gov't Code section 34455. However, instead of sending the whole charter at once, periodically the commission may send portions of the charter to the city's electorate for a vote. See Cal. Gov't Code section 34462.

After the charter (or portions of it) has been filed, it must be copied in type greater than 10 point and either mailed to all the voters of the city or made available to those citizens who wish to review it before the election. The city may show the difference between existing provisions of law and the new charter through the use of distinguished type styles, but this is not required. See Cal. Gov't Code section 34456.

After the charter has been filed with the city clerk, the city's governing board must decide whether to call a special election or to wait until the next established municipal election to submit the charter to the voters. If the city's governing board determines that a special election should be held, then they must call for that special election within 14 days of the charter being filed. The special election must be set at least 95 days after the date from which the special election was called. See Cal. Gov't Code section 34457. In any case, the charter commission must send the charter to the voters within two years of the vote that formed the commission. Upon the expiration of the two-year time period, the commission is abolished. See Cal. Gov't Code section 34462.

The alternative to electing a charter commission is to have the city's governing board develop and draft the charter. An election to decide on the adoption of a charter may be called by initiative or the city council. See Cal. Const. art. XI, § 3. On its own motion, the city's governing board may propose a charter and submit it to the voters for adoption. See Cal. Gov't Code section 34458. With this option, the governing board can call a special election or allow the charter to be voted on at any established election date, as long as that election date is at least 88 days after the proposed charter was filed with the city clerk. See Cal. Gov't Code section 34458. As a practical matter, an election may have to be called sooner than 88 days before the election in order to meet certain notice and ballot printing deadlines.

In either case, the majority of voters must vote in favor of the proposed charter for it to be ratified. The charter will not go into effect until it has been filed and accepted by the Secretary of State. See Cal. Gov't Code section 34459. After a charter is approved by a majority vote of the voters, the mayor and city clerk shall certify that the charter was submitted to the voters of the city and that it was approved by a majority vote. See Cal. Gov't Code section 34460. One copy of the approved charter shall be filed with the County Recorder's office and one shall be kept in the City's archive. See Cal. Gov't Code section 34460. A third copy of the charter must be submitted to the Secretary of State with (1) copies of all publications and notices in connection with the calling of the election; (2) certified copies of any arguments for or against the charter proposal which were mailed to the voters; (3) a certified abstract of the vote at the election on the charter. See Cal. Gov't Code section 34460.

RESOLUTION NO. 2017-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EL CERRITO CREATING THE EL CERRITO CHARTER COMMITTEE TO PREPARE A RECOMMENDED CHARTER FOR THE CITY

WHEREAS, in 2011, the City Council received a presentation regarding the differences between general law and charter cities in California, the powers and limitations of charter cities, the process for becoming a charter city, and options and related schedules for submitting a charter to El Cerrito voters. At that time, the City Council decided not to proceed; and

WHEREAS, during a Strategic Planning session earlier in 2017, the City Council requested that they receive another presentation regarding becoming a charter city, in particular to exercise the additional home rule powers of a charter city over local affairs, including the revenue generating powers of a charter city to fund high priority service and facility needs identified by the community; and

WHEREAS, on November 7, 2017, the City Council received a presentation regarding the powers of and process for becoming a charter city. After reviewing options for the process for drafting a proposed charter, it decided to create a committee with the membership and direction described in this resolution; and

WHEREAS, the California Constitution, Article 11, Section 3, authorizes the voters of a city to adopt a charter. The California Government Code, Title 4, Division 2, Part 1, Chapter 2, sets for the procedures for the preparation and adoption of a charter. A city council may, on its own motion, propose a charter to its voters. (Gov. Code § 34458.) Pursuant to that authority, the City Council may create a committee to prepare a draft charter to be considered by the City Council and proposed to the City’s voters on the Council’s own motion; and

WHEREAS, in creating a committee to prepare a charter to propose to City voters, the City Council expressed as necessary components of a draft charter that the charter generally provide that the City will follow California law in all areas except those stated in the charter; that the City will in particular follow California law regarding the payment of prevailing wages for public works project and collective bargaining with represented employee groups; and that the charter should authorize the City to consider the use of all available tools for generating revenue, including but not limited to a real property transfer tax.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of El Cerrito that it hereby establishes a Charter Committee, with necessary staff liaison assigned by the City Manager.

BE IT FURTHER RESOLVED that the Charter Committee shall consist of two members of the City Council, a member of the Financial Advisory Board, an active participant in the El Cerrito real estate market, a representative of local labor groups, and two members of the public. The members of the public shall be residents or owners of businesses in El Cerrito or a combination of the two.
BE IT FURTHER RESOLVED that the Charter Committee shall have the following duties, responsibilities, and direction:

- The Charter Committee shall prepare a draft charter for the City of El Cerrito to be submitted to the City Council for consideration and potential proposal to the City’s voters.

- The draft charter shall contain at least the following elements:
  - It shall reserve to the City Council the power to adopt local rules in all matters of municipal affairs.
  - It shall require the City to follow California law regarding the payment of prevailing wages for public works projects and collective bargaining with represented employee groups.
  - It shall authorize the City Council to consider the use of all available tools for generating revenue, including but not limited to a real property transfer tax.
  - The El Cerrito Municipal Code shall not be altered by the proposed charter.

- Meetings of the Charter Committee shall comply with the requirements of the Brown Act.

- The Charter Committee shall establish and publish a schedule of meetings

- The Charter Committee shall complete a draft of the charter and submit it to the City Council in sufficient time for the City Council to submit the charter to El Cerrito voters at the municipal election on November 6, 2018. The Charter Committee shall complete a draft charter and submit it to the City Council no later than April 30, 2018.

- Members of the Charter Committee shall serve until the City Council has decided whether or not to submit a charter proposal to El Cerrito voters, or until the election on the proposed charter occurs, whichever is later. The terms of the members of the Charter Committee shall end and the Committee shall be dissolved on November 30, 2018, unless extended by a resolution of the City Council.

- The Charter Committee shall support City efforts to inform and educate the El Cerrito community regarding the proposed charter submitted to voters.

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately upon passage and adoption.

I CERTIFY that at a regular meeting on November 7, 2017 the City Council of the City of El Cerrito passed this Resolution by the following vote:

Subject: Repeal of Local Campaign Literature Disclosure Ordinance to Achieve Consistency with State Law

ACTION REQUESTED
Introduce by title and waive any further reading, an ordinance repealing El Cerrito Municipal Code Chapter 2.32 – Campaign Literature Disclosure for Local Candidacies and Measures (Ordinance No. 92-2) to achieve consistency with State Law.

BACKGROUND
Ordinance No. 92-2, codified as El Cerrito Municipal Code Chapter (ECMC) 2.32, was adopted March 2, 1992. By enacting the ordinance, the City Council at that time, sought to ensure that there is disclosure of the identity of persons primarily responsible for the dissemination of campaign literature, thereby aiding the electorate in evaluating information contained in the literature. The Fair Political Practices Commission (FPPC) mass mailing regulations (codified in Government Code §§ 82041.5 and 84305) essentially achieve the same purpose. State mass mailing and political advertising disclaimers regulations have been amended several times since their initial adoption. The differences between the State mass mailing regulations and local campaign literature regulations have caused confusion among candidates and campaign committees during the past several elections. Regulations regarding political advertisement disclaimers have also been adopted by the FPPC. Since local campaign literature disclosure regulations have to incorporate the minimum requirements outlined in the various, complex governing state regulations, staff recommends eliminating the local campaign literature disclosure requirements as stated in ECMC 2.32 to achieve consistency with state law and enforcement requirements. This will also assist candidates and committee officers and treasurers in understanding and complying with applicable laws and will promote fair campaign practices in municipal elections.

In staff’s view, the state’s disclosure requirements are sufficient to provide El Cerrito voters with necessary information about who is funding mass mailings and other elections communications. The local regulations codified in ECMC Chapter 2.32 create confusion and additional work for candidates and committees while providing minimal additional information that is useful to El Cerrito voters. As a result, there are few benefits to offset the significant burdens that the local regulations impose on candidates and committees, as well as on staff attempting to assist the candidates and committees with compliance.

1 ECMC Section 2.32.010
ANALYSIS
Although ECMC Chapter 2.32 was enacted to further the intent of FPPC mass mailing requirements, state statutes and regulations require substantial disclosure of the funding of mass mailings and other communications, but state law and local campaign literature disclosure differ in several ways as indicated on Attachments 2 and 3, creating confusion about how to comply with both. As the agenda packet was going to print, staff became aware that the FPPC posted a new Advertising Disclaimer Chart this week that reflects new disclaimer rules that will go into effect January 1, 2018. Attachment 2e details these changes.

Government Code Section 81013 addresses generally the authority of local agencies to impose obligations beyond those set forth in the Political Reform Act, provided those regulations do not conflict with the requirements established by the Political Reform Act. Although ECMC Chapter 2.32 is well intentioned; researching, interpreting and explaining differences between state and local law to candidates, principal officers and treasurers of the many types of committees is extremely time consuming and has caused confusion in each election held in El Cerrito over the past ten years. Nuances in campaign literature disclosure and political advertisements for candidate controlled committees, ballot measure committees, general purpose committees and independent expenditure committees already exist within the framework of FPPC rules and regulations. In addition, relying solely on state laws governing campaign literature and political advertising eliminates the likelihood of local law from falling behind or becoming more confusing as new amendments pass in the state legislature.

STRATEGIC PLAN CONSIDERATIONS
Repealing ECMC 2.32 aligns with the City’s Strategic Goal of Delivering Exemplary Government Services and the City’s Organizational Values of Ethics and Integrity, Inclusiveness and Respect for Diversity, Professional Excellence, Responsiveness and Transparency and Open Communication.

ENVIRONMENTAL CONSIDERATIONS
There is no environmental impact associated with this action.

FINANCIAL CONSIDERATIONS
If repeal of the ordinance is approved, the cost to codify and update the municipal code is estimated at less than $300.00. Cost savings will be achieved by reducing time spent by the City Clerk and City Attorney researching and clarifying the differences between state regulations and ECMC 2.32. Providing clear instructions and consistency in campaign disclosure literature may also provide a public benefit by preventing candidates and committees from inadvertent violations of campaign literature distribution rules and the potential increased costs associated with printing and distributing campaign materials, including signs.

LEGAL CONSIDERATIONS
The City Attorney has reviewed the staff report and ordinance and concurs with staff’s recommendation.

Note: Two display rules exist for mass mailings. A mass mailing must have the committee name/address on the outside of an envelope in 6-point type, while the manner of display for the ad disclaimer requires the committee name in no less than 14-point, bold, sans serif type. A one-page mailer may combine the display rules with both the committee name and address in no less than 14-point, bold, sans serif type although the address may be at 6-point type.

2. Independent Expenditure Ads on Candidates

**General purpose committees** provide a disclaimer that must include, unless otherwise noted:

“Paid for by **committee name**” and “[t]his advertisement was not authorized or paid for by a candidate for this office or a committee controlled by a candidate for this office.”

Examples:

- “This call was paid for by ABC Trade Association and was not authorized by a candidate for this office or a committee controlled by candidate for this office.”
- “This ad was paid for by Susan Johnson and was not authorized by a candidate for this office or a committee controlled by candidate for this office.”

**Primarily formed committees** for or against a candidate must add an additional disclaimer that lists $50,000 donors, if any.

Example:

- “Paid for by Citizens Against Senator Smith, major funding by International Workers Association and California Insurance Committee. This advertisement was not authorized or paid for by a candidate for this office or a committee controlled by a candidate for this office.”

The following disclaimers apply to ads that expressly advocate support or opposition of a candidate

The names, addresses and cities shall be printed in no less than ten point type, in a color print which contrasts with the background so as to be easily legible. If the candidate or campaign committee is not responsible for the mass distribution, the name, address and city of those otherwise involved in the preparation and distribution shall be printed.

If the sender of a mass distribution is a controlled committee, the name of the person controlling the committee shall be included in addition to the disclosure above. (Ord. 92-2 Div. 2 (part), 1992.)
