FISCAL YEAR 2018-2019 WORK PLAN

AND

2017-2018 ACCOMPLISHMENTS

Members: David Zuckermann – Chair, Tara McIntire – Vice Chair, Ben Chuaqui, Norman La Force, Art Machado, Robin Mitchell, and Jun Sunseri

Approved 11/28/18
ENABLING LEGISLATION:

El Cerrito Municipal Code Section 2.04.240

There shall be a park and recreation commission. It shall have the powers and duties stated below, and such others as the council may decide:

A. To act in an advisory capacity to the council and the city manager on all matters pertaining to public recreation, including parks, playgrounds, landscaping within the boundaries of parks, playgrounds and recreation facilities, child care, educational courses, and entertainment;
B. To make recommendations regarding the annual budget, within its scope of concern, to the city manager and the council;
C. To make recommendations to the council, annually, concerning fees for city sponsored programs;
D. To assist in planning recreation programs for the residents of the city, to promote public interest therein, and to solicit the cooperation of other public and private agencies;
E. To make recommendations to the council regarding present and future needs for park and recreation facilities.

HISTORICAL BACKGROUND:

El Cerrito’s Parks Commission was created in 1946 by the City Council. In 1949 a combined Park and Recreation Commission was created. The commission has been active ever since in all major park and recreation facility projects and plans. They were instrumental in the public process that ultimately saw the approval of Measure A in 2000 for the reconstruction of the El Cerrito Swim Center. Several plans were reviewed by the Commission including the Ohlone Greenway Master Plan, Urban Forest Plan, Urban Greening Plan, and others. They have reviewed and recommended all playground renovations over the past 15 years at nearly every City park. Upon the Park and Recreation Commission’s recommendation, the City Council authorized the creation of the El Cerrito Parks and Recreation Facilities Master Plan to assess the needs of the Parks and Recreation system as well as plan for its future. The Master Plan was recommended for approval, with conditions, by the Park and Recreation Commission in September of 2018 and will be presented to the City Council in early 2019.

**Park Recreation Capital Improvement Projects, FY 2021**  
City of El Cerrito Park and Recreation Commission - 6/23/21

Implement recommendations in the Parks & Recreation Facilities Master Plan (2019) and other needed repairs. Repair of fire access roads at five sites in the HNA has been undertaken in the last few years. The project is largely funded by a FEMA Public Assistance Program grant and a California Governor’s Office Disaster Assistance Act of Emergency Services Program grant. The final site to be repaired is above Roger Ct and required additional design. This final project includes City matching funds from Measure H. Other Plan recommendations, including development of a Master Plan for trail maintenance & development and native plant and forest restoration, are currently unfunded.

Install gateway trailhead signs, trail entry signs, and trail directional markers within the Hillside Natural Area. The design and location of sign are guided by the El Cerrito Trails Signage Plan, a collaborative effort between the El Cerrito Trail Trekkers, the National Park Service, and the City of El Cerrito. These have been updated to conform with current guidelines for accessibility and best practices.

Improve the Ohlone Greenway consistent with the Greenway Master Plan (2009) includes path, landscaping, street crossing improvements and other amenities on the Ohlone and cross streets between Hill and Blake Streets. The street crossing improvements at Hill Street were implemented in 2019 as part of the Ohlone BART Station Area Access, Safety and Placemaking Improvement Project. The next phase is installation of side path and enhanced landscaping between Hill Street and Safeway entrance.

The Program will implement the recommendations in the Parks & Recreation Facilities Master Plan adopted by City Council in April 2019. The Master Plan identifies nearly 200 projects that are categorized as either Immediate Work Priorities, Policy/Programs, Early Wins, Deficiencies, and Enhancements/New Projects. Funding from Measure H is identified in this project for the Immediate Work Priorities in FY2020-21 and FY2021-22 and the renovation of the Cerrito Vista Picnic site in FY2024-25. Implementation of some Master Plan recommendations are listed separately on this sheet.

The project includes various capital upgrades or enhancements to the original construction of the Swim Center. After completion of the Swim Center in 2004 and warranty work in 2005, there remained some modifications and enhancements needed to bring the Swim Center up to its highest effectiveness. After 16 years of operation, future capital needs are anticipated to include pool plaster replacement, ADA improvements to pool stairs, ADA improvements to the parking lot, deck replacement and new pool components such as filters, pool lights, pool covers, etc.
