PUBLIC FINANCING AUTHORITY AND EMPLOYEE PENSION BOARD
MEETING

Mayor Cheng convened the Concurrent City Council/Redevelopment Agency/Public Financing Authority and Employee Pension Board Meeting at 7:35 p.m.

1. PLEDGE OF ALLEGIANCE TO THE FLAG was led by Councilmember Abelson.

2. COUNCIL / STAFF COMMUNICATIONS

Mayor Cheng announced that the City Council had just met in closed session and provided direction to staff regarding labor negotiations.

City Manager Hanin stated that the current fiscal year budget the Council adopted at its last meeting contained a caveat that the budget depended on the outcome of the State’s actions regarding redevelopment. City Manager Hanin informed the Council and public that the state budget approved by the legislature and signed by the Governor eliminates redevelopment in California. However, another piece of legislation which accompanied the elimination of redevelopment provides for the Redevelopment Agency or the City to pay a certain amount of money to the state, in El Cerrito’s case, $1.5-1.8 million. Additionally, annual payments for El Cerrito are estimated at $400,000-500,000 every year thereafter. Staff will return to Council in August to discuss redevelopment. The California Redevelopment Association, the League of California Cities, and the cities of Union City and San Jose filed suit asking the Supreme Court to step in with an injunction against the legislation. The legislation has very aggressive timelines which require wrapping up the cities decisions before the end of September. Most notably, under the proposed legislation and the elimination of the Redevelopment Agency, the City would be required to dispose of agency properties expeditiously, including the Cerrito Theater, although all cities are still attempting to analyze and interpret the legislation.

Councilmember Lyman reminded all that August 2 is National Night Out and announced that it is not too late to sign up as a host of a neighborhood party. Anyone interested in being a host can sign up on the City’s website. At the Community Center last Saturday the City hosted an event for those interested in hosting a National Night Out party. There was live music and a bounce house. Little Caesar provided food for the event.

Councilmember Lyman also reported that the East Bay Municipal Utility District (EBMUD) is preparing a revision to its programmatic environmental impact report and will be holding a public meeting on July 21 from 6:30-8:30 p.m at 375 11th Street, Oakland. The workplan and other information is available from the EBMUD website – ebmud.com. On August 16, from 7:30-8:30 at City Hall, the Cities of Richmond, Albany, San Pablo and El Cerrito in conjunction with Energy Upgrade California and Contra Costa County will offer an opportunity for the public to learn how it can get stimulus funding and PG&E rebates for home energy upgrades. RSVP by calling 215-4361. On September 24 the second Annual Fall Prevention Walk and Fundraiser will take place. More information can be found at www.fallpreventionwalk.org.

Mayor Pro Tem Jones reported that coming up in Pleasant Hill on August 4, the Contra Costa Mayors Conference has invited state and county legislative representatives to engage in a discussion of recent legislative and budget actions that have affected cities adversely. Many
cities in Contra Costa County are not happy with how the state has attacked funding for cities. The discussion involves state budget issues, intrusion on home rule and the relationship between the State and local and county governments. Mayor Pro Tem Jones stated that many cities are unhappy with the State legislature however the Mayors Conference is trying to promote conversation about what is going on. Additionally, Mayor Pro Tem Jones requested that the West Contra Costa School District’s notice regarding its intent to terminate the School Resource Officer contract in 2012 be placed on an upcoming City Council agenda

Councilmember Abelson invited all to participate in a Baxter Creek clean up on July 30 from 10:00 a.m. to 12:00 p.m. at Baxter Creek. More information is available at www.elcerrito.org/ESD. Additionally, Friends of Five Creeks is sponsoring a walk on August 21 at 4:00 p.m at Cerrito Creek on wild edibles. More information is available from www.fivecreeks.org. On August 25, from 6:30-8:00 p.m., the City will be accepting input on solid waste collection services in El Cerrito. The City is undertaking a comprehensive review of the city’s garbage, green waste and recycling collection operations

Councilmember Benassini announced the recent birth of her new baby on July 3rd and thanked everyone for their well wishes.

Rose Lernberg has been a tireless advocate of animal rights and health care reform. Roy Mespelt offered lifelong community leadership and volunteerism with a variety of community organizations. Al Miller is a public service advocate and volunteers with a number of institutions and community causes. What is reflected in the Wall of Fame recognition can also be found in many individuals, businesses and organizations throughout the community that volunteer. Individuals, upon their own initiative, have given of themselves and their own free time over many years to serve and benefit the community. The four individuals honored tonight represent the honor and value of volunteerism. Mayor Pro Tem Jones thanked the nominees for the many years and many efforts that have been put out on behalf of the community.
