stated that RCD is fully committed to the involvement of the Hatlen Center for the Blind in this
project, that he is highly confident that Hatlen Center will be in this project. The Hatlen Center
Units cannot be funded by the affordable housing units alone and the project presents a financing
challenge that cannot be ignored. Hatlen and RCD have a realistic agreement that allows the
project to proceed if Hatlen is unable to raise the needed funds however RCD is confident that
Hatlen will raise the funds and that it is RCD’s plan and expectation that Hatlen will move
forward. Mr. Sawislak stated that the project has a great site with transportation that will have
national significance. Mrs. Sawislak stated that it presents a good financial deal for the City. The
City’s investment of $3 million will leverage $20 million.

Peggy Jen, Local Initiative Support Corporation (LISC), stated that LISC has a long history of
working with RCD and has always met its commitments to LISC as a borrower. RCD is a very
competent organization and LISC expects that RCD will work closely with the Hatlen Center to
fulfill the vision of the city and meets its funding challenge however a contingency plan is in

place in this unpredictable environment.

Patricia Williams, Executive Director, Hatlen Center for the Blind, expressed the Center’s gratitude for the Agency’s $3 million commitment to the project and thanked the Agency/Council for its support. With the City’s commitment, investors will see the project as more than just a dream for the future. Ms. Williams described the donor plan and proposals and reported on progress made in submitting grants. A highly respected capital campaign consultant has told Ms. Williams that is entirely possible that Hatlen will meet its goals. Ms. Williams obtained $175,000 in pledges within two weeks which is close to 25% of the money due in October and noted the Center’s broad web of support. By the end of July, the Hatlen Center will have spent close to $100,000 on this project. She is confident that Hatlen can meet its commitment, thanked the Agency/Council and encouraged the Council’s continued support.

Robert Brower, El Sobrante, described the history of prior Council discussions in open session and encouraged the Council to take this evening’s discussion out of closed session.

Linda Moss, El Cerrito, expressed her sincere appreciation for the work performed by Council and staff on behalf of the Cerrito Theater and stated that the Cerrito Theater is a unique asset to the Community and encouraged the Council to support the Cerrito Theater.

Ken Berndt, El Cerrito, reported on the city’s response to a public records act request and stated that the City has not provided him with the financial information requested. He said and that he could not get the Cerrito Theater figures to balance and commented a second time on the payment of delinquent taxes.

See also, Item No. 3 above for public comments.

Redevelopment Agency Chair Jones reiterated the Agency’s April 8, 2009 report out of a Special Session, “Based on the notification received on April 7, 2009 from Downey Street Productions regarding their intent to close the Cerrito Speakeasy Theater, the Agency Board will not be going forward with consideration of proposed amendments to the lease and the DDLA for the Downey Street Productions on May 4, 2009 as previously reported. The Board has given direction to staff and Agency Counsel to work with Downey Street Productions on an orderly transition of the Cerrito Theater to a new operator as was suggested by the CEO of Downey Street Productions. In addition, the Agency Board gave direction to staff to begin the process of selecting a new operator. Staff was also given direction to begin work on the final determination of lease obligations for the Agency including the transfer of equipment and fixtures to Agency ownership. The Agency remains committed to the Cerrito Theater as a community asset.”

RECESSSED INTO SPECIAL REDEVELOPMENT AGENCY CLOSED SESSION at 10:55 p.m.

11. RECONVENE INTO OPEN SESSION WITH REPORT OUT OF CLOSED SESSION AND POSSIBLE ACTION at 10:32 p.m.
POLICY MATTERS

A. Consideration of Amendment to the Project Description of the Hatlen Center for the Blind & Family Housing Development on Portola Drive

Consider amending Agency Resolution No. 579 to revise the description of the Development making the participation of the Hatlen Center for the Blind in the project an optional condition of Agency approval of financial assistance for the Ohlone Gardens Mixed-Use Development.

Agency Chair Jones stated that no direction was given to staff in closed session.

Presenter: Hilde Myall, Senior Project Manager.

Speakers: David Sawislak, Resources for Community Development, addressed staff's concern that the entitlements are less assured if Hatlen's participation is not guaranteed and staff's statement that the Agency should hedge against this risk by not expending funds for the site until the entitlements are assured. This approach might make it difficult for the two non-profits to carry the project forward. If the Agency will not allow the site to be purchased now, Mr. Sawislak asked the Agency if it would work with RCD in helping to pay design and other costs by spending a small fraction of the $3.5 million already committed.

Robert Brower, El Sobrante, stated that if the Agency confirmed its March 2 action and offered the loan immediately then the property acquisition will take place. The risk of acquiring the properties first is that Hatlen Center will not be able to raise the $2.8 million and will be out of the project. Mr. Brower confirmed that it is possible for the Hatlen Center to raise the needed funds and told the Hatlen Center that he would be willing to offer a $1.4 million guarantee secured by sale proceeds of another property that he is a trustee of. If the Agency acquires the properties now the risk that Hatlen is out of the project is very small. If property acquisition is deferred after the planning approvals and the escrow close deadline of July 1 passes and the property is not acquired then the entire project is over.

Lisa Montoya, Resources for Community Development, stated that RCD is confident that by January 2011 Hatlen will raise the full amount, however, RCD does need a fallback position.

Patricia Williams, Hatlen Center for the Blind, said the City's commitment of $3.5 million and the Council's March 2 vote is crucial to raising funds.

Action: Moved and seconded (Potter/Abelson; Ayes – Abelson, Lyman, Potter and Jones; Noes – None; Absent – Cheng) and carried to deny the request to amend Agency Resolution 579 to revise the description of the Development making the participation of the Hatlen Center for the Blind in the project an optional condition of Agency approval of financial assistance for the Ohlone Gardens Mixed-Use Development.

The Redevelopment Agency Board (Absent – Cheng) directed staff to work with the Hatlen Center, RCD and Mr. Brower, including consideration of Mr. Brower's generous offer, and return to Council with options and terms of an agreement that facilitates moving the project forward and ensures that the Hatlen Center is a part of the project and that Hatlen is viable as a partner in the fund raising arrangements that RCD has with HUD. The Agency Board also directed staff to look at carrying cost options.

RECESS INTO REDEVELOPMENT AGENCY CLOSED SESSION TO DISCUSS AGENCY ITEM NO. 11(B) at 11:20 p.m.
B. Cerrito Theater
