Korematsu Safe Routes to School Improvements, Phase 1 Project Meeting

You are invited to review and share your comments on the design of safety improvements along walking and bicycling routes to Korematsu Middle School:

Wednesday, October 10, 2018

6:30 p.m. to 8:00 p.m.

El Cerrito City Hall – Council Chambers

10890 San Pablo Avenue

City staff and consultants will discuss the project background and previous community input, and present the proposed design.

Project Description

The Public Works Department is currently developing the design for improvements at various locations along walking and bicycling routes to Korematsu Middle School as shown on the back of this notice. The project is intended to improve safety for pedestrians and bicyclists, including students and neighborhood residents, and encourage walking and biking to school.

The project implements an initial set of improvements for enhanced school area safety including crosswalk enhancements and a portion of the East Side Bicycle Boulevard as identified in the City's Active Transportation Plan (adopted in 2016). The project is funded by a Transportation Development Act Article 3 Pedestrian and Bicycle Project grant and SB 1 - Road Maintenance and Rehabilitation Account funds.

City staff anticipates completing the design by the end of this year and beginning construction in early 2019.

Questions or Comments

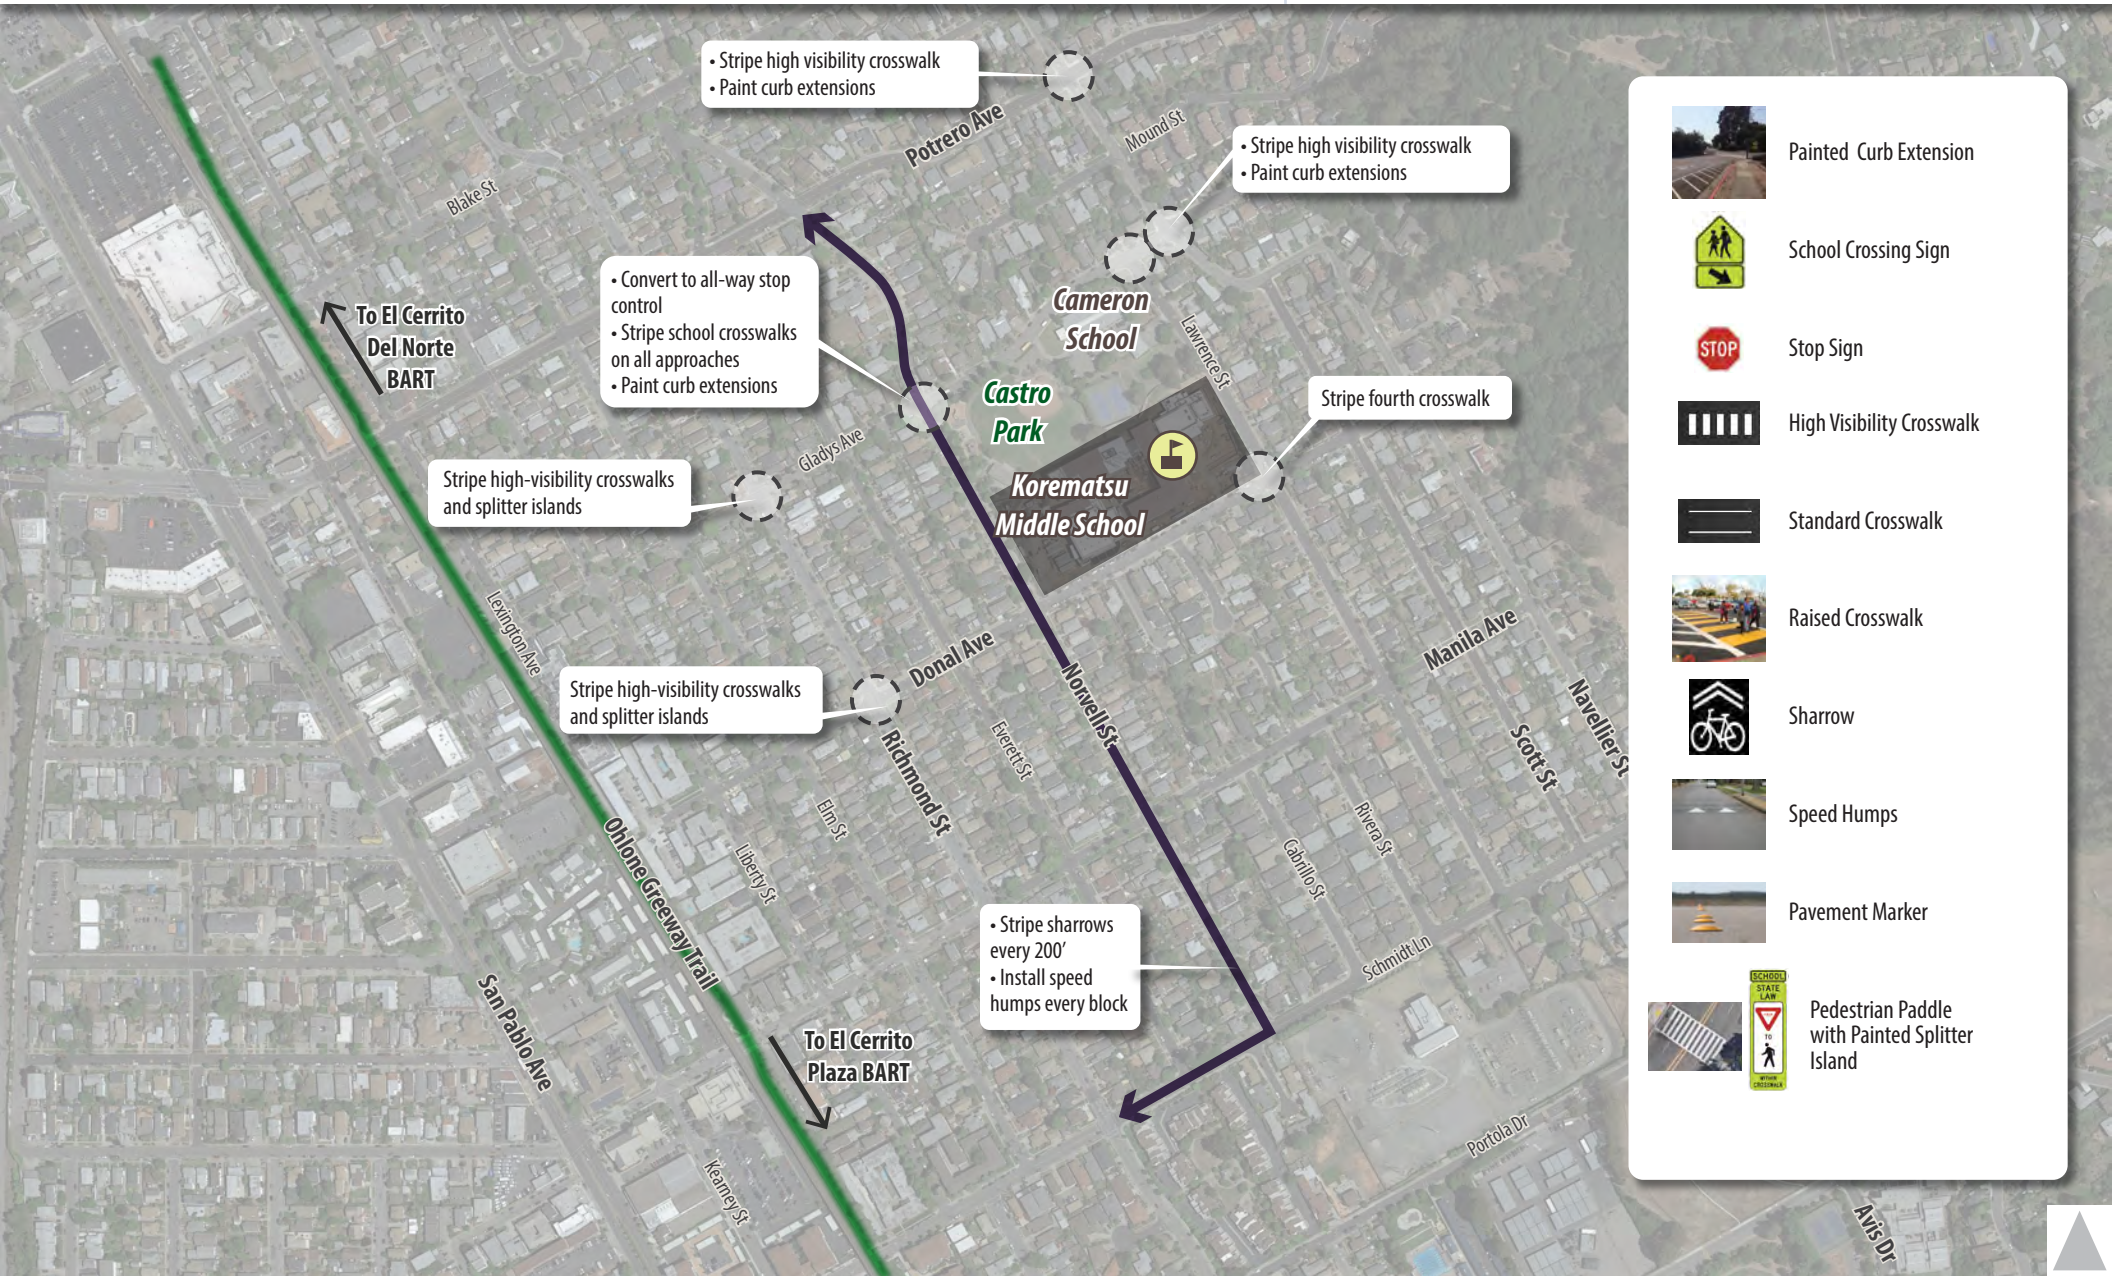

If you have any questions prior to the project meeting, please contact Gerardo Avila, Consultant Project Manager, at (510) 215-4322 or at gavila@ci.el-cerrito.ca.us.
