

CERTIFICATE OF SUSTAINABILITY

presented to

City of El Cerrito Recycling & Environmental Resource Center, El Cerrito, California

for recycling 99,656 pounds of textiles in 2016 with the following positive environmental impacts:

Water

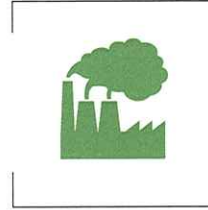

Saved enough water to supply 1,638 homes for a year

Landfill Space

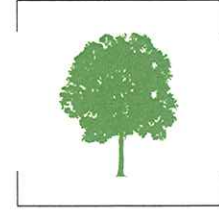

Avoided 569 cubic yards of landfill waste

CO₂ Emissions

Prevented CO₂ emissions equivalent of 144 cars taken off the road for a year

Trees Planted

Helped plant 249 trees

Mattias Wallander, CEO

Printed on 100% recycled paper.
