

City of El Cerrito: 2020 Residential Rent Registry

El Cerrito Municipal Code Chapter 10.100

On May 21, 2019, the City Council adopted the [Rent Registry Ordinance](#) requiring all residential rental property owners to submit rents and other relevant information into a City database during the annual business license renewal process. A report from year one will be available in the next couple of months.

Beginning **July 1** property owners/managers can access the rent registry portal online to complete by the **July 31** deadline and pay the annual fee of \$39/per unit. For additional program information, please visit www.el-cerrito.org/rentregistry.

STEP 1: GATHER DOCUMENTS

All rentals are **required** to register each unit/property by providing information for the last 12-months for the period **July 1, 2019 – June 30, 2020**. This includes tenant history, including move-in and move-out dates, rental rates, rent increases and any applicable capital improvements. Please make certain to gather your method of payment, i.e. credit card or bank account information, before you proceed.

STEP 2: VISIT THE WEBSITE

Registration must be completed online using the City's secure database by visiting <https://elcerrito.progressivecloud.net/webrenewals/>. **Paper applications will not be accepted.** To begin this process, you will first be prompted to renew your business license and make payment at which point you will be directed to the rent registry portal. To access your online account, you will need your account number and security access code which can be found on your Business License Renewal Notice. Step-by-step instructions are available at www.el-cerrito.org/rentregistry.

STEP 3: ENTER YOUR INFORMATION INTO THE RENT REGISTRY PORTAL

Once you reach this step, you will need to begin by entering your business license number which will pull up your *Business Information*. You will be then entering *Rental Property Information, Additional Questions, Rental Unit/Property Information, Tenant History* and *Rental Rates*. As a reminder, this information is for the reporting period of **July 1, 2019 – June 30, 2020**.

STEP 4: SUBMIT INFORMATION

Once you have entered all the information above, click *Complete Registry* and you will receive an email confirmation of your submission. Registration is deemed to be complete when all required information has been provided and all outstanding fees have been paid. A *Notice of Completion* will be provided upon review by City staff to property owners once all requirements are satisfied.
