

Fall 2020 School-Year Youth Programs Session 1: August 24th – October 29th

Reflecting the 2020-21 WCCUSD school year model, the El Cerrito Recreation Department has adapted our School-Year Youth Programs to help meet the care needs of our community. Following guidance from the state and county health offices, these new options center around the best practices for providing childcare during the COVID-19 pandemic. Though the look and feel of our new program may be different, we remain dedicated to providing services that focus on the health and safety of students and staff, as well as allows our community to receive essential childcare-- all while still providing plenty of FUN: Friends, Unity, and New Experiences! Our first fall session will run for 10 weeks, and all fees presented here cover the entire session. Families will make two partial payments: one at the time of registration, and an automatically charged second payment on September 15, 2020 (with the exception of Gymnastics and Art & Creativity, which are due in full at the time of enrollment). Programs open to all students regardless of residency status or school.

Afternoon Recreation

August 24 – October 29, Monday-Thursday (10 weeks)

After a day of at-home learning, Afternoon Recreation provides the opportunity to build relationships and social connections while participating in a wide variety of activities. Children will enjoy group games and sports, playground time, arts & crafts, STEM activities, nature walks, and more.

Learning Labs

August 24 – October 29, Monday-Thursday (10 weeks)

Learning Labs are a brand-new way for the Recreation Department to assist working parents during the day while your student is in (virtual) school. Continuing with our safer, well-received 'outside' structure as much as possible, care will be offered for 5.5 hours per day. Learning Labs provide a supervised environment where students can spend time with peers and focus on distance learning. While there will be some physical education and recess, most time is designed for completing virtual schoolwork with the support of your own teacher and school. Staff are trained in safety and supervision but are not trained tutors; they will provide support when possible.

Learning Lab + Goal Getters Soccer Mondays & Wednesdays

Casa Cerrito: 6927 Portola Dr.

After their learning lab on Mondays and Wednesdays, students will get to stay for soccer practice. Players will focus on soccer fundamentals through high energy, non-competitive drills and activities. Our experienced coach Jenya (Sharkie!), a former collegiate player and current competitive coach, will help players new to the game grow, as well as help players who want to keep their existing skills sharp while game play is on pause. In addition to strengthening soccer knowledge and abilities, this enrichment program will also focus on health and fitness, teamwork, and good sportsmanship.

Learning Lab + Crazy Funky STEAM Tuesdays & Thursdays

Casa Cerrito: 6927 Portola Dr.

Let the learning continue into the afternoons on Tuesdays and Thursdays in a way that is creative and interactive. Screen time will be replaced with in-person, hands-on experiments, games and activities that focus on science, technology, engineering, art, math and more. Your junior scientist will explore new topics throughout the session to keep the learning fresh and exciting. The group will also participate in ice breakers and team builders that help them build their scientific community into one of friendship and teamwork!

All Day Childcare Programs

August 24 – October 29, Monday-Thursday (10 weeks)

Licensed Childcare has a very different look and feel this fall! Continuing with our safer, well-received 'outside' structure as much as possible, care will be offered for 9 hours each day. These childcare programs will support children with distance learning during daytime hours and will include recess and physical education. A ratio of 1 staff for every 6 children will enable learning assistance. During the afternoons, staff will conduct art, science, nature, and outdoor activities.

Harding Clubhouse: 7115 C Street

Grades	Time	Res	Non-Res	Activity #
K-2	8:15am-5:15pm	\$3,500	\$4,250	600000-02

Important Information: All programs are run in pods of 12 or less students. Pods do not intermix at any time. Participants are required to undergo daily health screenings and temperature checks, as well as wear a face covering while in program. Cancellations, transfers refunds and/or drop-ins cannot be accommodated during this session so please carefully consider if this is the right program for you before registering. By registering for our programs, you are committing to this being your child's only "social bubble" (*per the county health order, children may not attend more than one group activity of any kind*). Pod locations are subject to change, and pods may be combined or cancelled if enrollment minimum is not met. More detail can be found in the Parent Handbook, which families are required to read before registering. Payment of program fees will be due at the time of registration. Families will make two partial payments: one at the time of registration, and an automatically charged second payment on Tuesday, 9/15. No programs Monday, 9/7 (Labor Day).

Please note those attending a pod at our licensed sites **Madera, Harding or Fairmont** are required to complete state licensing forms. Forms are available at www.el-cerrito.org/childcare and are due within one business day of online registration. Completed forms can be emailed to recreation@ci.el-cerrito.ca.us or dropped in the mail slot at 7007 Moeser Lane (near the Community Center Hall front entrance).

What You Need: 2 Face coverings, 1 Tablet or Chromebook (with hotspot if possible; *WCCUSD may provide*), 1 pair of headphones, 1 hat, 1 sweater or jacket, 3 full water bottles, sunscreen (for re-application by the student after initial application occurs at home), 2-3 nut-free snacks, 1 large nut-free lunch, 1 well-labeled hard, non-cloth material box (such as a rolling suitcase) that contains markers, crayons, pen, pencils, paper, glue stick, children's scissors and books to read.

Additional Afternoon Programs

El Cerrito Community Center: 7007 Moeser Lane

New! Afternoon Art & Creativity with Lisa diPrima (5 weeks)

After a day of at-home learning, students will explore the expressive world of drawing, painting, sculpting, and creative writing using a variety of fine art materials. They will work with colored pencils, markers, acrylic paint, clay and more to develop their personal creative potential and awareness. Students should bring a supply box with scissors, crayons, markers and glue sticks and wear clothes that can get messy.
