INTRODUCTION

About City Government

The City of El Cerrito was incorporated on August 23, 1917 and is governed by a City Council – City Manager form of government. The City Council consists of five elected members who each serve a four-year term. Elections are staggered and held in even number years, with two council seats up for election on **November 8, 2022**, and three on **November 5, 2024**. Annually, the City Council votes to appoint a Mayor and a Mayor Pro Tem from among its members.

The City Council determines the policies of the city government and appoints the City Manager. In determining policy, the City Council comes to a decision, authorizes its implementation, and bears full responsibility for the results. The City Council, therefore, holds the City Manager responsible for proper execution of policy decisions. The City Council has general responsibility for effective administrative actions through the City Manager.

Although the City Council is primarily a legislative and administrative body, it often sits in a quasi-judicial capacity. Such matters as hearings on variances, use permits, civil service disciplinary hearings and hearings on the issuance or revocation of regulatory licenses are quasi-judicial in character. The council may also choose to appoint boards or commissions to conduct studies in specialized areas and to act for the City Council in overseeing those areas.

Meetings

The City Council holds regular public meetings on the first and third Tuesday of the month at 7:00 p.m. virtually (as authorized by law) or in the City Council Chambers at City Hall, located at 10890 San Pablo Ave. Council Members are asked to hold these dates available as early as 5:00 p.m. for the frequent need to hold special city council meetings. These meeting typically are held for closed session discussion(s), and/or interviews for appointment to city advisory bodies. For the summer months, the City Council typically votes to reduce their regular meeting schedule to once a month.

Regional and Local Liaison Appointments

Annually, the Mayor brings forward a list of local and regional appointments for the upcoming year. Appointees serve and represent the city on a variety of government agencies. This includes representation on Association of Bay Area Governments, League of California Cities, Marin Clean Energy Board, West Contra Costa Transportation Advisory Committee, Contra Costa Transportation Authority, the Tom Bates Regional Sports Field Joint Powers Authority, and West Contra Costa Integrated Waste Management Authority. In addition, a council liaison is assigned to each of the 13 city advisory bodies, at which quarterly attendance is required.
Meeting Materials

Materials for city council meetings are produced and published by the City Clerk’s Office the Thursday prior to the regular Tuesday meetings. Members are encouraged to read and receive materials electronically. Supplemental or amended materials may be presented for consideration before or during the meeting. Materials for regional and local liaison appointments will be provided by the respective agency in relation to their meeting schedules.

Compensation

Each member of the council shall receive, as salary, the sum of four hundred and forty-one dollars ($441) per month, which shall be payable at the same time and in the same manner as the salaries are paid for other officers and employees of the city. Such salary is prescribed exclusive of any reimbursement for expenses incurred in the performance of official duties for the city, or for any amounts contributed by the city for retirement, health and welfare and federal social security benefits.

Support Staff

Council Members serve in a part-time capacity, and therefore do not have full-time dedicated staff. The City Clerk’s Office, consisting of the City Clerk and one Management Assistant, provide limited support to the members, and serve as the primary conduit between members of the public and the Council Members.

Terms of Office

Members serve four-year terms and are sworn in after certification of the election results, typically the first meeting in December of each election year. Terms are staggered in alternating even years, and there are no term limits.

Taking Elective Office

City Council certifies the election results upon receipt of the Registrar of Voter’s official certification, which must be completed no later than 30 days following the election. This typically takes place at the first meeting in December. During this meeting, outgoing Council Members are provided an opportunity to be recognized and thanked for their dedicated service to the City and new members are sworn-in and seated at the Council Dais for the first time.

Records and Disclosure

The California Public Records Act allows for public inspection of most government records. As a candidate for elective office, all documentation provided to the City of El Cerrito, including email and written correspondence, may be subject to public disclosure unless otherwise exempt under applicable law.
INTRODUCTION

Council Members are provided with a city email account and are strongly encouraged to avoid using personal email accounts for conducting city business.

The *Nomination Paper* is the only document that requires the home address of the candidate. Pursuant to Elections Code (E.C.) section 17100(c), public access to this document is limited to viewing only. The *Nomination Paper* may not be copied, distributed or posted online.

All campaign reporting forms are public documents under the Political Reform Act and are subject to disclosure. Campaign reporting is required to provide receipts and expenditures in election campaigns and disclose assets and income of public officials that may affect their official actions. Full unreacted versions shall be provided to the public upon request.
RUNNING FOR OFFICE

Who Can Run for Office?

A candidate for City Council shall be at least 18 years of age, a citizen of the United States, and a resident and registered voter in the City of El Cerrito at the time of issuing nomination documents.

Candidates can verify their voter registration status by visiting the Contra Costa County Elections website at https://www.cocovote.us/registration-and-voting-options/my-voting-information or by calling 925-335-7800. Verify all information is accurate including name, birthdate, address and city.

Employment Restrictions for Elected Officials

Government Code section 53227(a) prohibits an elected official from being an employee of the local agency they represent. It states: An employee of a local agency may not be sworn into office as an elected or appointed member of the legislative body of that local agency unless they resign as an employee. If the employee does not resign, the employment shall automatically terminate upon their being sworn into office.

Filing for More than One Office

Candidates should consider the common law doctrine of “incompatibility of offices”. This doctrine prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties. Candidates should refer to Government Code section 1099 for more information.

For additional information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission's website at www.fppc.ca.gov, or phone toll free 866-275-3772.

Nomination Process

In order to qualify as a candidate on the ballot, a candidate shall successfully complete the nomination process. This includes the submission of all required nomination documents, as well as a Nomination Paper (issued by the City Clerk) with not less than 20 and no more than 30 signatures of registered voters residing in the city. This guide will provide detailed information regarding each form included in the nomination documents.

There is no filing fee for submission of nomination documents. If a candidate elects to submit a candidate statement, there is a fee associated with printing the candidate statement that is due at the time of filing. All documents shall be submitted at one time. Candidates are encouraged to make an appointment with the City Clerk in order to obtain, review or file nomination documents. Once the nomination documents have been submitted to the City Clerk no changes shall be made, nor shall any additional information be provided.
Nomination Period

Pursuant to California Elections Code, the nomination period shall begin on Monday, July 18, 2022 and end on Friday, August 12, 2022. During the nomination period, the City Clerk shall issue and accept nomination documents during regular business hours of Monday, Wednesday, Friday from 8:00 a.m. to 4:00 p.m. and Tuesday, Thursday from 8:00 a.m. to 6:00 p.m.

The deadline for filing nomination documents is Friday, August 12, 2022 at 4:00 p.m. Candidates arriving after the deadline will be turned away. NO EXCEPTIONS ARE PERMITTED. Please note City Hall will be closed on Friday, July 22 and Friday, August 5, 2022.

Extended Nomination Period

If all incumbents for elective office have not filed nomination documents by the close of the nomination period, the nomination period shall be extended to 4:00 p.m. Wednesday, August 17, 2022. Candidates arriving after the deadline will be turned away. NO EXCEPTIONS ARE PERMITTED. During the extended period, no incumbent may file nomination documents.

Submission of Nomination Documents

All nomination documents shall be submitted at one time. In order to ensure that nomination documents are complete and aligned with all regulatory requirements, candidates are encouraged to schedule a submission appointment prior to the filing deadline. This provides time to review documentation with the City Clerk and ensure that documentation is complete and acceptable. Depending on the state of public health conditions, the City Clerk may require appointments.

Appointments may be made by contacting the City Clerk at 510-215-4305 or via email to hcharlety@ci.el-cerrito.ca.us.

Withdrawal of Candidacy

Withdrawal of candidacy is permitted up to the close of the nomination period of Friday, August 12, 2022 at 4:00 p.m. If the nomination period is extended, withdrawal is permitted up to the close of the extended nomination period of Wednesday, August 17, 2022 at 4:00 p.m.

Write-in Candidates

A candidate who does not file during the nomination period may file for office as a write-in candidate. This allows votes cast for the candidate to be counted. The nomination period for write-in candidates begins on Monday September 12, 2022 and ends on Tuesday, October 25, 2022 at 6:00 p.m. Please note City Hall will be closed on Friday, September 16, 2022; Friday, September 30, 2022; and Friday October 14, 2022.
Write-in candidates are subject to the same requirements and follow the same process as other candidates, with the following exceptions:

- Write-in Candidates do not have the option to submit a Candidate Statement.
- Write-in Candidates will not have their name, or a ballot designation printed on the ballot.

**Order of Names on the Ballot**

The Secretary of State shall conduct a randomized alphabetical drawing on **Thursday, August 18, 2022** to be used in determining the order of names on the ballot. Each candidate will be placed on the ballot in the order that each of the letters of the surname was drawn. For example, the placement of candidates with the surname of Campbell and Carlson will depend on the order in which the letters M and R were drawn.

Candidates will be notified by the City Clerk of the order via email within 48 hours of the drawing.

In order to qualify as a candidate, the following nomination documents shall be submitted during the nomination period:

- Candidate’s Submission Checklist
- Nomination Paper
- Ballot Designation Worksheet
- Candidate’s Statement Form (optional)
  - Payment for Candidate Statement
- Statement of Economic Interests Form 700
- Code of Fair Campaign Practices (optional)
- Candidate Authorization and Acknowledgement Form
- Candidate Intention Statement Form 501
- Candidate Campaign Statement Short Form 470 (if applicable)

The following pages will provide detailed information regarding each form included in the nomination documents.

**Nomination Paper**

The *Nomination Paper* can only be issued by, and subsequently filed with the City Clerk during regular business hours during the statutory nomination period. The document shall remain intact as one document. Separating the pages will invalidate the *Nomination Paper*. The information contained on the first page of the *Nomination Paper* shall be pre-populated and signed by the City Clerk.

Each candidate shall be nominated by not less than 20 but no more than 30 registered voters residing within the city. This is accomplished by obtaining signatures of registered voters on the *Nomination Paper*.

The Affidavit of Nominee section of the *Nomination Paper* is completed by the candidate for City Council declaring that if nominated, they will accept the nomination and not withdraw; and indicating how they want their name and ballot designation to appear on the ballot.

Candidates must use their full legal name; nicknames may be used but must be listed in quotes; common shortened versions of first names do not require quotes. No title or degree may be used.

If the candidate has changed their name within one year prior to the election, the new name will not appear on the ballot unless the change was made by marriage or by Decree or Court.

The Oath of Allegiance section of the *Nomination Paper* is administered by the City Clerk (or designee) and will be signed by the candidate in the presence of the City Clerk or their designee at the time the filing of nomination documents.
If a candidate elects to authorize an individual to submit nomination documents on their behalf, the oath may be administered and signed by a notary public.

**Signing a Nomination Paper**

Any registered voter in the city, including the candidate, may sign a *Nomination Paper*. Signers may only sign as many *Nomination Papers* for candidates as there are seats to be filled. If the same registered voter signs the *Nomination Paper* for example, for four candidates, but only three seats are to be filled, their signature will only be considered valid for the first three *Nomination Papers* filed with the City Clerk. The signatures on the *Nomination Paper* shall be written in the same manner as their voter registration.

**Circulating the Nomination Paper**

The *Nomination Paper* may be circulated by the candidate or by any other person 18 years of age. Only one person may circulate the *Nomination Paper*. Whoever circulates the *Nomination Paper* shall personally witness each signature and complete and sign the Affidavit of Circulator. This includes name, address, circulation dates; and is signed under penalty of perjury.

**Handling the Nomination Paper**

As provided in Elections Code section 18200-18205, no person shall submit a *Nomination Paper* knowing that any part of it has been made falsely. No person shall fraudulently deface or destroy, or willfully suppress all or part of any *Nomination Paper*; or deliberately fail to file at the proper time and in the proper place any *Nomination Paper* in their possession which is entitled to be filed. No person shall, directly or indirectly, pay, solicit, or receive anything of value in order to induce a person not to become, or to withdraw as, a candidate.

**Receiving or Filing Nomination Papers on Behalf of a Candidate**

If a candidate is unable to file in person, they may designate a person to act on their behalf. A written statement, signed and dated by the candidate, authorizing a person to receive the nomination document from the Elections Official is required.

Because an original signature is required, nomination documents may not be filed by fax. If the candidate will not be filing in person, the Oath of Allegiance section of the *Nomination Paper* must be notarized before filing. The candidate’s designee may only receive and deliver papers and may not make any changes on the nomination documents.

**Verification of Signatures**

The City Clerk shall cause all *Nomination Papers*, in the order received, to be validated by the Contra Costa County Elections Office. Signature verification typically takes 24-48 hours and candidates will be notified by the City Clerk immediately upon completion.
Supplemental Nomination Paper

If, after submitting nomination documents, the Nomination Paper is verified to have less than the minimum number of signatures needed to qualify, the candidate may be issued a Supplemental Nomination Paper. With this supplemental document, the candidate may gather additional qualifying signatures. A copy of the original Nomination Paper indicating which signatures are valid will be provided with the Supplemental Nomination Paper. The original Nomination Paper shall remain on file with the City Clerk.

A Supplemental Nomination Paper shall not be issued after the filing deadline. Therefore, if a candidate is unsure they have a sufficient number of qualified signatures it is recommended they submit nomination documents early. The issuance of a Supplemental Nomination Paper does not extend the filing deadline.

Ballot Designation and Worksheet

Candidates who qualify for the ballot have the option of a printed ballot designation directly below their name. This designation is used to describe the candidate’s elected or appointed office, or their principal profession, vocation or occupation. Elections Code requires the completion of a Ballot Designation Worksheet as part of the nomination documents, even if choosing no ballot designation.

Ballot designations shall strictly adhere to the provisions of Elections Code. After the filing of nomination documents, the City Clerk shall review and verify that each designation is in compliance. If a ballot designation does not adhere to the Elections Code, the candidate shall be notified that the designation must be changed. If the candidate does not respond within three days of the notification (E.C. 13107(f)), the City Clerk shall withdraw the designation.

Ballot designations become public upon the close of the nomination period. Designations shall not be changed after the final filing date, except as specifically requested by the elections official due to determination of a violation of restrictions set forth by elections code.

Selecting a Ballot Designation

A candidate may submit a proposed ballot designation pursuant to one of four provisions outlined in section 13107 of the California Elections Code.

Option 1: Name of Candidate’s Elective Office

When a candidate holds elective office, or is a judicial officer, the designation may be the elective office the candidate holds at the time of filing nomination documents. There is no word limit for designations under this category.

A copy of the candidate’s official Certificate of Election shall be provided as proof of elective office.
For example: El Cerrito City Council Member; Contra Costa County Supervisor; or West Contra Costa Unified School District Board Member

Option 2: Term “Incumbent”

The term “incumbent” shall only be used by a candidate who is a candidate for the same office which they hold at the time of filing nomination documents and shall not be used in conjunction with any other words.

Option 3: Terms “Appointed Incumbent” or “Appointed”

A candidate may propose a ballot designation consisting of the phrase “appointed incumbent” if the candidate holds an office, other than a judicial office, by virtue of appointment, and is a candidate for election to the same office. This designation is not required of a candidate who seeks reelection to an office that they hold and to which they were appointed in-lieu of an election.

Under this option, a candidate may also propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. There is no word limit for designations under this category.

For example: Appointed Contra Costa County Supervisor

Option 4: Principal Profession, Vocation, or Occupation

If a candidate proposes a designation of this type, the designation shall be limited to three words and shall be the candidate’s current principal profession, vocation or occupation, or that of the candidate during the calendar year immediately preceding the filing of nomination documents.

If engaged in multiple principal professions, vocations or occupations, the candidate may designate multiple professions, vocations or occupations separated by a slash “/”. Each profession, vocation or occupation shall independently qualify.

For example: Legislator/Rancher; or Teacher/Construction Worker

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it as their principal profession, vocation or occupation if the candidate has a current, active license as of the date of filing nomination documents and has complied with all applicable requirements respective of the licensure, such as payment of licensing fees. A candidate may not use a ballot designation based on a license that is inactive, suspended or revoked by the issuing agency.
Retired

The use of “retired” as a ballot designation is generally limited to use by individuals who have permanently given up their chosen principal profession, vocation or occupation. The following shall be considered for any designation including the word retired:

- Prior to retiring from their principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;
- The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;
- The candidate has reached at least the age of 55 years;
- If the candidate is requesting a ballot designation indicating that they are a retired public official, the candidate shall have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office;
- The candidate voluntarily left their last principal professional, vocational or occupational position;
- The candidate has not had another more recent, intervening principal profession, vocation or occupation; and
- The candidate’s retirement benefits are providing them with a principal source of income.

The word “retired” shall only be used alone, or as a prefix to the retired principal profession, vocation or occupation. It shall not be abbreviated or placed following any word that it modified.

Acceptable: Retired or Retired Policeman
Not Acceptable: Ret. Policeman or Policeman Retired

Community Volunteer

“Community Volunteer” shall constitute a valid principal vocation or occupation subject to the following conditions:

1. A candidate’s community volunteer activities constitute their principal profession, vocation or occupation;
2. A candidate is not using the designation in combination with any other principal profession, vocation or occupation; and
3. A candidate is not engaged concurrently in another principal profession, vocation or occupation.
Unacceptable Ballot Designations

Any ballot designation that is prohibited by Elections Code, is misleading, or otherwise improper shall be rejected. This includes if the designation:

- Would mislead the voter
- Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent
- Contains the name of any political party, whether or not it has qualified for the ballot
- The use of any word(s) referring to a racial, religious or ethnic group
- Reference to any activity that is prohibited by law
- Uses a word or prefix, such as “former” or “ex-,” which means a prior status.

Candidate Statement (Optional)

The Candidate Statement is an optional statement that provides candidates the opportunity to share additional descriptive and qualitative information about themselves. The statement may include the name, age and occupation of the candidate. Candidate statements are limited to 250 words and are printed in the official voter information guide in English, Spanish and Chinese and mailed to all registered voters.

The Candidate Statement will remain confidential until 4:00 p.m. Friday, August 12, 2022, the close of the nomination period. If the nomination period is extended, statements shall remain confidential until 4:00 p.m. Thursday, August 18, 2022. For additional information regarding the extended nomination period, please refer to the Running for Office section of this guide.

The Candidate Statement Form shall be filed with the City Clerk at the same time as filing nomination documents. In addition to a signed paper original, the form shall be provided electronically in editable format via email to hcharlety@ci.el-cerrito.ca.us.

Deposit for Candidate Statement

If a candidate elects to submit a statement, there shall be a deposit of due at the time of filing nomination documents. The amount of the deposit will be set by Council resolution in June of each election year. Payment may be submitted in the form of cash, credit, check or money order payable to the City of El Cerrito.

This deposit represents the estimated cost of translating, printing, publishing and distributing the candidate statement as part of the voter’s information guide. As provided by the Contra Costa County Elections Department, the cost of the statement is estimated as it is prorated among those who submit statements, and the number of registered voters. Therefore, the exact amount cannot be determined until after the election.
If the final cost is less than the deposit, the candidate shall be refunded the difference within 30 days of the City receiving the final election services invoice from Contra Costa County. If the final cost is more than the deposit, the candidate shall be invoiced and required to pay the remaining balance within 30 days.

Withdrawal of Statement

The statement may be withdrawn, but not altered, up until 5:00 p.m. on Monday, August 15, 2022, the first working day following the close of the nomination period. If the nomination period is extended, the deadline to withdraw is extended to 5:00 p.m. on Wednesday, August 17, 2022. For additional information regarding the extended nomination period, please refer to the Running for Office section of this guide. Any request to withdraw shall be made by the candidate in writing to the City Clerk.

Word Count, Format and Content of Statement

Candidate Statements are limited to **250 words** and must be of uniform size and font. Each word shall be counted as one word except as follows:

<table>
<thead>
<tr>
<th>Acronyms (UCLA, ABAG, U.S.M.C.)</th>
<th>one word</th>

CAMPAIGN REPORTING REQUIREMENTS

The information provided below is an overview of requirements. Individuals participating in related election activities are responsible for ensuring they meet the requirements of California Government Code, California Elections Code, and any other applicable statutory requirement. The City Clerk cannot render legal, accounting or other professional election advice or services.

Campaign reporting requirements are statutory requirements set by the Political Reform Act (Act), contained in Government Code sections 81000-91015, and enforced by the California Fair Political Practices Commission (FPPC).

The Act is intended to provide the public with details on who contributes money or items to a candidate’s campaign, and how the candidate spends that money. All candidates are required to file some level of campaign disclosure documents and/or reports. It is important to adhere to the state mandated deadlines for filing of campaign disclosure forms. Forms that are not filed or are filed after the deadline are subject to enforcement, fines and other penalties as allowed by law.

Getting Started

Prepared by the FPPC, Campaign Disclosure Manual 2 – Information for Local Candidates is the best resource for candidates regarding how to complete campaign reporting forms, establish a campaign committee, manage a campaign account, and what Government Code requires of a candidate and committee treasurer. The manual is available on FPPC’s website at www.fppc.ca.gov.

The FPPC is available by phone at 1-866-ASK-FPPC to provide assistance to anyone who has a reporting requirement under the Political Reform Act. Advice hours are Monday through Thursday from 9:00 a.m. – 11:30 a.m.

Establishing a Bank Account

Candidates who anticipate soliciting or receiving contributions from others, or who anticipate spending over $2,000 of personal funds in connection with the election shall open a campaign bank account. A candidate’s personal funds used to pay for the candidate’s statement does not count toward the $2,000 threshold.

Campaign contributions may not be commingled with any individual’s personal funds. All contributions shall be deposited in, and expenditures made from, the campaign bank account. Additional details can be found in chapter two of Campaign Disclosure Manual 2.
Candidate & Treasurer Workshops

The FPPC offers workshops for candidates and treasurers throughout the election season at various locations throughout the State. The workshops are scheduled live with FPPC technical advisors, through webinars and through YouTube. Staff unravel the technical complexities involved in campaign disclosure law, discuss the importance of recordkeeping, provide instructions regarding how to complete campaign disclosure forms and allow for enough time for a question and answer period. More information is available on the FPPC’s website at http://www.fppc.ca.gov/learn/training-and-outreach/candidates-treasurers-committees.html.

Campaign Contribution Limits

Effective January 1, 2021, AB 571 amended the Political Reform Act to create a default campaign contribution limit for city and county candidates equal to the limit for State Assembly and Senate candidates from individual donors per calendar year. The limit is updated biennially for inflation and is currently set at $4,900.

Campaign Disclosure Reporting Forms

The following is a summary of commonly used campaign reporting forms. All forms can be completed using the FPPC’s PDF fillable documents and require a paper submission with an original signature to the appropriate filing officer, as indicated below. If a Form 470 is filed and later in the calendar year $2,000 or more is raised or spent, the candidate’s filing obligations and deadlines shall change. If this occurs, a Form 470S (supplemental) shall be filed with the City Clerk within 48 hours of reaching this
