PROGRAM FEE INFORMATION

Fees are based on an average over 174 days of the 180-day school year and do not correspond to the number of hours or days your child will participate in the program each month. Our billing is not “monthly” as it incorporates all of the days in the school year into 10 equal payments. No holidays or closed school days are charged in your coverage. Ten equal payments will be automatically charged on the 15th of each month from August through May. June program dates are included in the 10 charges. No cancelations will be accepted after the April billing.
