A. With the exception of the employee who chooses the “no medical plan” option, the City will contribute an amount equivalent to the lowest cost (currently Kaiser) medical plan rate according to dependent status regardless of which medical plan is chosen. “According to dependent status" means that if an employee is single the employee shall receive the equivalent to the lowest cost (currently Kaiser) single premium in employee’s flexible spending account. If the employee and a dependent are enrolled in a City medical plan, the employee shall receive the equivalent to the lowest cost (currently Kaiser) two-party premium in employee’s flexible spending account. (Proof of alternate coverage is required.) In this event, the City shall contribute the equivalent to the single Kaiser medical premium to their Flexible Benefit Plan and the employee may receive this amount in cash, in which case the amount is treated as taxable income, or the employee may reallocate it toward the purchase of other benefits in the Plan, or a combination of both.

E. The employee may contribute salary up to the IRS limits on a pretax basis in order to purchase the following benefits:

A. The salary and benefits contained within this Memorandum of Understanding are granted only to the Fire Chief if he is in a current pay status. The City shall incur no cost, nor shall benefits accrue for retirees, survivors, or employees in a non-pay status, unless the employee is granted medical leave of absence or military leave of absence.

B. In the event the Fire Chief is in a non-pay status because of a disputed workers’ compensation claim, benefits under this article shall be continued upon written agreement of the affected employee to repay to the City the amount of any premiums paid by the City during the non-pay status period if the employee's claim is denied by the Workers Compensation Appeals Board or withdrawn by the employee prior to a decision by the Board.

2.11 **California Fire Service and Rescue Emergency Mutual Aid**
Consistent with the El Cerrito City Council Resolution 2015-28 for portal to portal overtime reimbursement for all personnel assigned to emergency incidents through the California Fire Assistance Agreement, the Fire Chief will be compensated portal to portal while in the course of their employment and away from their official duties and assigned to an emergency, in support of emergency incidents or prepositioned for emergency incidents. In no case will unearned sick leave be reported for the purpose of increasing the member’s retirement as prohibited by PERS.

The date of disability retirement for the employee may be established or determined to be effective prior to the expiration of sick leave benefits.

The value of accrued sick leave shall be paid (based upon the current hourly rate) to the surviving spouse or designated beneficiary upon the death of the Fire Chief.

4.7 **Family Sick Leave**
Under Labor Code Section 233, employees may utilize accrued sick leave to care for an ill or injured child, spouse or parent. The City has extended this provision to include domestic partners and their dependent children. There is no requirement that the illness or injury reach the level of seriousness provided for under the Family and Medical Leave Acts. However, if the illness or injury qualifies under the Family and Medical Leave Act, it also satisfies the “family sick leave” criteria. The maximum “family sick leave” allowed each calendar year that is subject to this provision is one-half (1/2) of the employee’s annual accrual of sick leave. Additional family sick leave may be taken subject to departmental regulations and approval of the City Manager.

4.8 **Bereavement Leave**
The Fire Chief is entitled to time off with pay when there is a death or anticipated death in the immediate family. Bereavement leave shall not exceed five (5) consecutive days when death is anticipated. Bereavement leave after death shall not exceed that period of time between death and the day of the funeral, providing the funeral is held within five days following death. Immediate family is defined as spouse, domestic partner, child, parent, parent-in-law, sister, brother, sister-in-law, brother-in-law, grandparent, spouse's grandparent, grandchild, son-in-law, daughter-in-law, or any other relative of the employee or employee’s spouse residing in the same household, or who has resided with the employee in the same household for three or more years. In cases where death has
occurred involving someone other than the immediate family, the City Manager shall make the decision as to qualification for bereavement leave.

4.9 Administrative Leave
The Fire Chief shall receive administrative leave in recognition of extraordinary working hours and conditions. The City Manager will annually approve the number of leave hours by the individual employee based on the amount of overtime performed and the quality of work produced. The annual amount of time assigned shall not exceed eighty (80) hours. Unused administrative leave cannot be carried over from year to year or cashed out at year-end or upon separation.

4.10 Family and Medical Leave
Pursuant to State and Federal law, the City will provide family and medical care leave for eligible employees. The City Family Care and Medical Leave policy sets forth employees’ rights and obligations with respect to such leave. Rights and obligations which may not be specifically set forth in the City's policy are set forth in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 ("FMLA") and the regulations of the California State Pregnancy Disability Act and the California Fair Employment and Housing Commission implementing the California Family Rights Act ("CFRA") (Government Code Section 12945.2). 5.3 Vacation at Termination
The Fire Chief, who leaves the municipal service with accrued vacation leave, shall be paid the amount of accrued vacation to the date of termination. Payment for accrued vacation shall be at the Fire Chief’s current rate of pay.

5.4 Effect of Extended Military Leave
A Fire Chief who interrupts his/her City service because of extended military leave shall be compensated for accrued vacation at the time the leave becomes effective.
5.5 **Sick Leave During Vacation**
Vacation leave may be converted to sick leave subject to the review and approval of the City Manager, if the Fire Chief is injured or sick during the vacation for a period in excess of 24 hours.

5.6 **Vacation Cap and Implementation**

A. **Vacation Cap**
The vacation cap shall be two (2) times the employee’s annual vacation accrual rate. Thereafter, at any time an employee reaches the maximum accrual, the employee will cease accruing vacation hours until such time as the balance falls below the cap. No employee will be allowed to accrue vacation hours above the cap, unless an employee has a worked related injury and is on 4850.

B. **Implementation**
Vacation hours in excess of two (2) times the annual accrual rate, the excess hours will be placed in a separate vacation bank.

5.7 **Separate Vacation Bank**
Any accrued vacation in excess of two (2) times the annual vacation accrual rate will be placed in a separate Vacation Bank. This will be a single, one time process. Employee shall be entitled to use or sell the hours in the Bank for vacation in the same manner as regular vacation hours. The hours shall be paid out at the employee’s current rate of pay.

5.8 **Vacation Cash-Out**
Employees may annually cash-out up to 16 days (128 hours) of vacation provided that they have taken a minimum of 16 vacation days (or administrative leave for management employees) in the previous fiscal year and maintain a vacation balance of 40.0 hours at the time of vacation cash out. Employees may elect to cash-out a maximum of two (2) times annually and each cash-out request must be a minimum of 8 days (64 hours). Employees must reduce their separate vacation bank first when cashing out vacation. All requests must be in writing to the Human Resources Manager for initial review with final approval by the City Manager.

If an employee wants to request an irrevocable vacation cash-out, they must provide written notice to the Human Resources Manager, or designee, no later than July 1 of the fiscal year before the fiscal year in which the employee wishes to cash-out vacation leave. The amount requested cannot exceed the amount stated above. An employee can cash-out during the months of May and December. The notice shall indicate how many vacation leave hours the employee wishes to cash-out the following year.

5.9 **Accrual**
Unless otherwise provided by the City Manager, vacation leave will be accrued from the first day of employment when a Fire Chief is in a pay status and will be credited on a monthly basis. Municipal holidays shall not be counted during vacation. The schedule is on the next page.
