PROGRAM INFORMATION

CITY FEE POLICIES

Fees are established to ensure that afterschool care recreation programs are 100% self-supporting, including overhead costs. Our fees are comparable to private and non-profit organizations in the community. We provide reduced rates for families that apply by completing the Childcare Discount Application available at www.el-cerrito.org/childcare. The Park and Recreation Commission reviews fees and makes recommendations to the City Council as needed. Third party payments are accepted from organizations that subsidize the cost for those families that qualify such as [CoCo Kids](#) and [Bananas](#).

APPLYING FOR FREE/REDUCED LUNCH RATES

The City of El Cerrito offers reduced rates for childcare programs to assist families in need of safe, high quality childcare programs for their children. Please click [here](#) for our application form and more details.

PRIORITY REGISTRATION

Registration is prioritized for families requiring care 5 days per week. Completing the registration steps will commit you to paying 10 payments of the fees for the program. Once you complete the registration process you agree that you will not drop any days of service for at least 2 billing periods.

HOLIDAY BREAK CAMPS

Your childcare enrollment does not include coverage during school breaks. Programs will be available during the Thanksgiving Break (first 3 days only), December Winter Break, Presidents' Week Break, and Spring Break. Parents/Guardians may register their child for these Camps at an additional charge.

STAFF DEVELOPMENT DAYS

Special "Fun Days" are sometimes offered as one-day camps on any West Contra Costa Unified School District (WCCUSD) staff development days. However, the WCCUSD calendar may utilize those days as "bad air quality" days and change plans.
